The Presbyterians will give a historical sociable in their church Friday evening of this week. A very pleasant and profitable evening is expected, and the members and friends of the church are invited to attend.

There will be a rousing big parade in Oregon City next Wednesday night and Senator John H. Mitchell will make a speech at Shively's theater. It will be the demonstration of the campaign in Clackamas county. Don't miss it.

A block used to hold up machinery at the Crown Paper mill fell into the wheel pit where some men were at work this Thursday morning, striking Sam Sprague on the head and inflicting a quite severe though not dangerous scalp wound.

The steamers Ione and Irilda collided at the mouth of the Willamette river in a dense fog this Thursday morning. One man was killed outright, another drowned and several passengers on the Irilda were badly injured.

The following couples were granted marriage licenses by County Clerk Horton this week: Gertie M. Carothers and C. D. F. Wilson, Mrs. Rhoda A. Hume and Ira Dodson, Minnie Boylan, and John Gamble, Sarah Ellen Trullinger, and Edward W. Paine, Maggie Albee and Ben Brock and Mrs. Ann Foster and J. W. Jones.

Last Sunday night burglars entered C. O. Albright's meat market by removing a back window and prying open a door. They took the cash register from the salesroom into the office where they rifled it at their leisure and got \$1.35 for their trouble. The register was unlocked so no damage was done. There was a rumor that thieves had gone through the Southern Pacific station but there was no truth in it.

At the close of his fourth year as pastor of the Congregational church of this city Rev. O. W. Lucas insisted upon having his resignation, which was presented some time previously, accepted. He left last week for California and it is expected that his family will soon follow.

Last Sunday Rev. H. A. Shorey occupied the pulpit. Mr. Lucas came to this city from Pendleton and he leaves his pastorate on account of differences with the congregation.

POLITICAL MEETING.

Mitchell, Dolph and Hermann Coming — A Big Rally.

Next Wednesday night Senator Mitchell will make a speech at Shively's theater in this city. Preparations are being made for a grand demonstration on that occasion. The Blaine club of Portland will come up to attend the meeting and two flambeau clubs numbering 150 will come from Portland and make the procession luminous with red fire. Barlow and Canby torch bearers will also be in the line and a large number from Oregon City and vicinity. It will be a great occasion. Oregon City torch bearers will meet at the Hook and Ladder hall.

The succeeding Saturday evening Nov. 5 Senator Dolph will address a meeting at Shively's and the next Monday Congressman Hermann will speak at Pope's hall.

Henry McGinn of Portland made a masterly speech at Barlow last Saturday night. The big celebration of Columbus Day and the mask ball following did not seem to diminish the attendance on this meeting and Mr. McGinn was given a rousing reception with a torch brigade and other manifestations of enthusiasm.

At Clackamas and Canby political meetings will be held on Friday of this week.

Grand Republican Demonstration.

Extensive preparations are being made throughout the state for the most brilliant and impressive demonstration of the republican party during the campaign, and the people of this city are cordially invited to participate. The demonstration will be held in Portland on Thursday evening, Nov. 3, and will consist of the most brilliant and imposing illuminated parade ever witnessed in Oregon, followed by speaking at the armory. In the parade will be drilled flambeau clubs, a host of marching torch bearers, a bicycile brigade with illuminated helmets, a mounted division of prominent citizens, attractive floats representing the industries of the state, plumed knights and other attractive features, with a great many bands of music. Delegations to swell the ranks and enjoy the spectacle are expected from Salem, Albany, Eugene, Corvallis, Dallas, Monmouth, Independence, McMinnville, Hillsboro, Forest Grove, Astoria, Oregon City, The Dalles, Vancouver and numerous other places.

After the parade a public meeting will be held in the armory, which will seat 4000 people and speeches will be made by Senators Mitchell and Dolph, Congressman Hermann and Ellis, Hon. H. E. McGinn, Hon. C. W. Fulton, Hon. John F. Caples, Hon. Thos. H. Tongue, Hon. H. B. Miller, Hon. M. C. George, Hon. H. H. Northup, Hon. Geo. C. Brownell, Hon. Rufus Mallory, Mr. D. Solis Cohen, Rev. T. Brown and other prominent republicans. Mr. Geo. C. Brownell is making arrangements for those who want to go from this city and would be pleased to have a large crowd accompany him and make Portland ring with cheers for Harrison and Reid.

M. E. Hendrick, of Wheatland, is thinking of building a boat next summer to be used for the special purpose of carrying fruit. The boat is to run on the Willamette river and transport fruit from his and many other large orchards near Wheatland, to the canneries at Salem.

McLoughlin Monument Fund.

The following subscription list is made on the plan suggested in the EXCELSIOR a few weeks ago—to raise \$10,000 for a monument to Dr. John McLoughlin, the father of Oregon, one-half of which should be by popular subscriptions and one-half by legislative appropriation. No one is employed to solicit subscriptions. The object is to show a popular and spontaneous movement in favor of the enterprise so that when the legislature meets next January something tangible can be presented to induce that body to make the required appropriation. Thus far the subscriptions are:

Oregon.

The Wallows Chilian says, the amount of money coming into that country from sales of cattle this year is \$60,000, from wool sales, about \$50,000, and adds: "A careful and conservative estimate of money from all sources makes the actual amount of cash brought to Wallops county this year to be more than \$40 per capita."

George M. Miller, of Eugene, is sending East for special material with which to construct a model of his lately invented flying machine. He has recently received very encouraging advice from the Smithsonian Institute and other scientific sources, and is very confident of success.

Cards were out announcing the marriage of Grant McGuire, of Woodburn, to Miss Agnes Quimmette, of Butteville, for last Wednesday. The marriage failed to take place at the appointed time, and McGuire has been conspicuous by his absence. Miss Quimmette and her mother, who is a widow, made anxious inquiries concerning his whereabouts, but failed, as far as learned to locate him.

M. E. Hendrick, of Wheatland, is thinking of building a boat next summer to be used for the special purpose of carrying fruit. The boat is to run on the Willamette river and transport fruit from his and many other large orchards near Wheatland, to the canneries at Salem.

Blaine Will Work Hard.

WASHINGTON, Oct. 25.—Postmaster General Wanamaker spent an hour with ex-Secretary Blaine this afternoon, and when interviewed afterward, he said it was purely a personal visit. A portion of the interview, Wanamaker continued, related to politics, and Blaine will make up by his pen what he cannot do by speech, while he nurses the temporary illness in his throat. He is evidently greatly interested in the re-election of Harrison, and is anxious that his friends should know it, and he freely expresses his belief that Harrison will be elected.

The Umatilla Indian reservation, near Pendleton, comprises some of the best farm land in Eastern Oregon. There are 250,000 acres in the reservation, of which 74,600 are tillable and about 50,000 are now under cultivation, and about 1,000,000 bushels of wheat were raised this year. Of this amount, 75,000 bushels were raised by Indian labor alone, 174,000 by half-breeds, 253,600 by white men married to Indian women, and the balance by renters.

Why They Do Not Faze.

TACOMA, Wash., Oct. 24.—A good authority said that the only reason the democrats and populists do not fuse in Washington is because the people's party has not an executive head with whom arrangements can be made. The attempt was made a few days ago but failed. It is reported also that at a recent meeting of the executive committee the people's party pulled down Sam Herren as chairman and left the campaign to the county committees. Neither side would confirm the story tonight.

The Copper Market.

NEW YORK, Oct. 24.—The closing of the Anaconda mine for three months will relieve the copper trade of about 18,000,000 pounds of copper. The market has commenced to respond, and 12 cents is quite generally asked. There is every indication that prices will be better. It is certain that prominent producers are prophesying 12½ cents for lake brands after November 1.

Blaine Back in Washington.

WASHINGTON, Oct. 24.—Mr. Blaine's home-coming to Washington today from New York was a simple, unceremonious affair. He and Mrs. Blaine and Miss Hattie arrived by the Baltimore & Ohio train at 4:30 and at once hailed and entered one of the ordinary street cars, and drove to their residence in Lafayette square.

Doesn't Like Cleveland's Silver Notions.

NEW YORK, Oct. 25.—Mark M. Brick Pomeroy, for many years well known as the editor of the La Crosse, Wis., Democrat, has decided to vote for Harrison this year. Cleveland's enmity to silver, the veteran democrat declares, compels him to take this course.

To Winter in Italy.

LONDON, Oct. 25.—Queen Victoria will spend the winter in Italy, at Bienna, 11 miles east of Pisa.
