

Local Personal Notes.

Major Charman is confined to the house by a serious attack of rheumatism. Mrs. Sarah J. Fancher left for Seattle Wednesday to visit a month with her son Henry. Miss Grace E. Williams returned last Friday from McMinnville, having been spending a month with friends and relatives in that town and Turner, Monmouth and Independence.

Mrs. Mary McCarver left Wednesday for St. Joseph, Mo., where she will spend a year with relatives. She accompanies Mr. and Mrs. Rogers of Portland who was visiting in this city last Sunday. Commander Northup and wife were guests of Captain and Mrs. Shaw in this city last Friday and Saturday.

The Messrs. Brown of San Francisco who are interested with Jacob's Bros. in the Oregon City woolen mill, are in the city this week. Editor George B. Small of the Baker City Democrat was in Oregon City last week. He was making a pleasure trip through western Oregon and Washington and stopped to visit friends here and look over the town a little.

Eli C. Maddock was in Portland Tuesday for medical assistance. His ailment is pronounced sciatica and it is so serious that his friends have to look twice to recognize him. The muscles of his right leg and arm are drawn so as to almost destroy the usefulness of those members and his countenance wears marks of suffering. His affliction is a matter of considerable solicitude for his friends.

Senator and Mrs. Gordon E. Hayes and little daughter returned last Saturday from a two weeks trip in Idaho. Senator Hayes was over to Boise on legal business. While he was there Senator Mitchell addressed the largest political meeting ever held in the state and Senator Hayes was prevailed upon to make a few remarks to the audience which received him enthusiastically. Boise is booming politically and otherwise. The republicans will sweep everything in the state. The most doubtful man on the ticket is McConnell for governor, but he is safe enough. Mr. Hayes was favorably impressed with what he saw of the young state and is unstinted in its praises.

Columbus Day Celebrations.

When copies of the official programme for the Columbus Day celebration were sent to the school teachers of Clackamas county, Superintendent Gibson requested each teacher to send him a full report of the manner in which the day was observed. It is much to be regretted that all did not respond to his request.

Professor Thompson, principal of Clackamas school, reports that the day was observed in a patriotic manner by his pupils. The Clackamas band furnished music for the occasion.

W. W. Austin of Dover says that his school celebrated with songs, recitations and extemporaneous speeches by friends and patrons.

Charles Rutherford of Beaver Creek reports that his pupils sang patriotic songs, raised the flag, and listened to recitations and readings by the pupils and teachers.

Miss Ella Curdin of Currinsville reports that her pupils devoted the afternoon to appropriate exercises.

Miss Tillie Myers of Colton states that her pupils raised their flag, which was followed by singing, recitations and select readings.

E. Darnell of district No. 50 says that owing to limited facilities the celebration was not all that he desired. However, they sang "America" and listened to an address by the teacher, followed by recitations by the pupils.

Captain Short's Funeral.

The funeral of Captain Marshall B. Short of the steamer Oklahoma, who was crushed to death between two piles of wheat at Astoria the 22nd, took place at the Pleasant Hill cemetery Monday the 24th. The steamer Modoc took the remains from Portland to Wilsonville.

A large procession followed the remains to the grave as deceased was born and raised here and was well known. Six of his brothers-in-law were pall bearers. Mrs. Brown of the First spiritual society of Portland conducted the services at the grave, assisted by Mrs. Flora A. Brown of Portland. The remarks were very brief but to the point. Captains Pope and Patterson of the pilot's union were present at the funeral.

The floral decorations on the grave were profuse and tasteful. The pilot's association presented a pilot wheel about two feet in diameter made of white flowers and the handle aboard the boat he was captain of presented a floral pilot wheel standing on an easel with a portion broken out and a floral monument about eighteen inches high, and various other floral tributes. Capt. Short was born near Wilsonville in 1869 and leaves a young widow and a host of friends to mourn his loss.

School Notes. With the aid of Prof. Pringle the high school pupils have organized a literary society. They met for the first time after school and elected F. R. Hodges, president, I. L. Driggs vice-president, Sade Chase secretary and C. Purdum treasurer. They intend to meet every Friday evening, and, as the members are very enthusiastic, we all look forward to an interesting time.

The boys for some time have looked wistfully at the lawn, and last Thursday they presented a petition asking to play football there. The directors, thinking that it would not be advisable, did not grant the request. The boys were disappointed and gave vent to their wrath on Halloween by dragging some old gates and a wagon on the precious lawn.
