There was a good attendance and the meeting was called to order about 6:30 o'clock by President Bands of the school board. Rev. G. William Giboney and Charles O. Albricht were placed in nomination. Geo. A. Harding and J. W. Noble were appointed tellers and the ballot resulted 48 for Giboney, 13 for Albricht and three scattering. Giboney was declared elected.

IN POLITICS.

Big Demonstration in Oregon City Wednesday Evening.

The republican demonstration in Oregon City last Wednesday night was the biggest political rally that was ever seen in Clackamas county. The Blaine club and the flambeau clubs of Portland chartered the Altona and came up in full force. While coming up the river they were not niggardly with their fireworks and they made the heavens iridescent with republican fire.

In Oregon City the Portland enthusiasts were met by a large number of torch bearers from Barlow, Canby, Needy and Oregon City. The procession marched up Main street from Eighth to the basin and counter marched back going up Seventh to Shively's theater. There the auditorium was crowded and the Portland clubs marched around inside the hall cheering for Harrison and Reid and then departed for their boat. The Portland clubs contributed a large part to the success of the occasion.

Chairman Brownell presided at the theatre and called about 40 other prominent republicans to occupy seats on the stage. He introduced Senator Mitchell in a felicitous little speech and the senator got a hearty reception. After a complimentary reference to Mr. Brownell Senator Mitchell gave some attention to the democratic jumble in Oregon, and then passed to the consideration of the tariff and financial questions which he discussed in a masterly manner, notwithstanding the fact that he was suffering from a cold accompanied with asthma. He held the vast audience till about 11 o'clock, it having been late when he began, on account of the lateness of the arrival of the Portland clubs. Mr. Mitchell arrived Wednesday afternoon and was a guest of Mr. Morey until his departure Thursday.

PEOPLE'S PARTY MEETING.
 General Applegate failed to put in an appearance at the populist meeting at Shively's theater last Saturday night, the time previously arranged for the joint debate which had been declared off to accommodate this meeting. Mr. U'Ren of Milwaukee occupied the time with an orthodox people's party speech.

FUTURE MEETINGS.
 Saturday night of this week Senator Dolph will speak at Shively's theater. Next Monday night Congressman Hermann will deliver an address at Pope's hall. Everybody should attend.

Dies.
FIELDS—At his home in Canemah, Friday evening, Oct. 28, 1892, of dropsy. Thomas Fields, aged 33 years, 7 months and 6 days.

Mr. Fields was a native of Kentucky, having been born in Hickman county, March 22, 1837. He came west with his parents, crossing the plains in 1852, and the family settled on the west bank of the Willamette opposite Canemah. Thomas followed steamboating on the upper river, starting in as cabin boy and working his way up to captain. He was in this business about nine years. He ran on the steamers Alliance, Union and Gazelle. He had an interest in the old People's Transportation company at this time. In 1868 he formed a partnership with Jacob Wortman and opened a general merchandise store. G. M. Strickler, whose daughter Mr. Fields married in 1866, bought Wortman's interest in the store in 1869 and about five years later Field purchased his father-in-law's share and became sole proprietor. Two years ago last May he took his two sons, Geo. C. and Ed. T., into partnership.

Mr. Field's sickness began about eight years ago with heart disease and asthma and finally developed into dropsy which caused his death. He was entirely helpless the last two days of his sickness, but prior to that time his condition was not considered critical. The funeral occurred from the family residence in Canemah last Sunday afternoon. Rev. G. William Giboney of the Presbyterian church, officiating. The burial was in Canemah cemetery.

The deceased left a wife and the two sons who were associated with him in business. He was a man of sunny disposition who was much esteemed by all who knew him.

Married.
WILSON-CAROTHERS.—On Oct. 19, 1892, by Rev. John C. Sylvanus at the residence of the bride's mother four miles from Springwater, Mr. C. D. Wilson and Miss Gertie M. Carothers, both of Clackamas county.

FAUST-DILLS.—On Nov. 2, 1892, at Canemah, by Rev. G. W. Giboney, Mr. Benjamin Faust and Mrs. Minnie Dills.

GRAND ARMY BEAN BAKE.—Meal Post, G. A. R., gave a bean bake at Pope's hall last Friday night in honor of the visiting department commander, Hon. H. H. Northup of Portland, who was accompanied by his wife. The Woman's Relief Corps prepared a most tempting lunch under the chairmanship of Mrs. F. O. McCown. The evening was spent in making felicitating speeches, relating reminiscences and the other features that make gatherings of the boys in faded blue always interesting.

WANTED.—second hand grain sacks. E. E. Williams the grocer. If you want to buy lots in Bolton apply to C. O. T. Williams, agent.

IN JUSTICE COURT.—The case against F. D. Bruce for the larceny of a locket from Miss McAttee came before Justice Fouts last Tuesday. There were three witnesses to the fact that Miss McAttee gave him the locket to have it repaired and two swore that it was merely an exchange of lockets. At any rate Bruce, who conducted his own case, was held to the grand jury in the sum of \$1000 and in default of bail was sent to jail.—Frank Mitchell, the colored fishmonger, was fined \$50 dollars by Justice Fouts for an assault on H. Bitner of the Cliff house. He appeared at that hostelry one night intoxicated and in company with an objectionable character and wanted a room. Bitner declined to furnish one for them and Mitchell whipped out a knife and threatened to carve the landlord. For this amusement he was fined and in default of payment he was committed to jail.

THE RIVER IN OCTOBER.—On the last day of October this year the water in the river below the falls was .6 of a foot above low water mark. On the first of the month it was .3 above and on the 14th 1.3 feet above—the highest of the month. The river was at the same stage last year on the first that it was this season on the last, but Oct. 31, 1891 it was 6.7 feet above zero. The highest water of last season was on the 30th of Dec. when it was 21 feet above zero below the falls. The water should be about 7 feet above zero below the falls in order to have a good navigating stage to Salem.

THE MISSION LANDING ROUTE.—Captain W. S. Wand has got the steamer Salem in commission and put her on the upper river on the same route abandoned by the Manzanillo a short time ago. Instead of making daily trips, however, the Salem will leave Mission at 7 a. m. Mondays, Wednesdays and Fridays and leave Portland on her return trips on the succeeding days at 8 a. m. The same transportation rates the Manzanillo had will be in effect with the Salem. Captain Wand likes this run and is doing his best to keep it. Harry Taylor is purser. The boat went up last Sunday to take her run.

A STRAW CASE.—The steamer Elwood took on 800 bales of straw at Champeez last week and brought them down to the Crown paper mill. But the straw had been attached and the mill notified of the fact and it refused to accept the freight on its arrival here. The Elwood did not know that there was any lien on the straw when it loaded it. But on discovering the situation it went over to Canemah and discharged the cargo at a place convenient for reloading and it lies there now.

READING ROOM MEETING.—There will be a public business meeting of the Free Reading Room association of Oregon City held on the evening of Thursday, November 10, at the room on Main street. All members and those wishing to join are earnestly requested to come, since there will be most important business to come before the association on this occasion.

FOR THE LADIES.—Thos. Chapman & Son have received the largest invoice of hosiery ever carried by that firm of the celebrated Smith & Angles' make for ladies, misses and children. Also a full line of Smith & Angles' black dress lining and dress shields warranted not to fade or crock.

Tom Biggs, who was committed to the county jail six months for larceny was released last Friday, having served his term.

Stick to it!
 Sometimes you may have to wait. The troubles that have been years in gathering can't always be cleared away in a day. For all the diseases and disorders peculiar to women, Dr. Pierce's Favorite Prescription is the surest and speediest remedy. You can depend upon that—but if your case is obstinate, give it reasonable time. It is an invigorating, restorative tonic, a soothing and strengthening nerve, and a positive specific for female weaknesses and ailments. All functional disturbances, painful irregularities and derangements are corrected and cured by it. All unnatural discharges, bearing-down sensations, weak back, accompanied with faint spells and kindred symptoms, are corrected. In every case for which it is recommended, "Favorite Prescription" is guaranteed to give satisfaction, or the money is refunded. No other medicine for women is sold on such terms. That proves that nothing else offered by the dealer can be "just as good."
