A Cancer Cured.

TO THE EDITOR—I desire to inform my friends through your valuable paper that Dr. Baker of Oakesdale, Wash., has successfully removed a cancer of six years growth from my face without the use of the knife. I commenced treatment with him December 30th, 1892, and in one week from that date the cancer was painlessly removed. There is no sign of the trouble remaining, and it is entirely due to Dr. Baker's skillful treatment.

Patent medicines differ—One has reasonableness, another has not. One has reputation—another has not. One has confidence, born of success—another has only "hope."

Don't take it for granted that all patent medicines are alike. They are not. Let the years of uninterrupted success and tens of thousands of cured and happy men and women place Dr. Pierce's Golden Medical Discovery and Dr. Pierce's Favorite Prescription on the side of the comparison to which they belong. And there isn't a state or territory, no—nor hardly a country in the world, whether its people realize it or not, but have men and women in them that're happier because of their discovery and their effects.

Think of this in health. Think of it in sickness. And then think whether you can afford to make the trial if the makers can afford to take the risk to give your money back, as they do if they do not benefit or cure you.

OF INTEREST TO YOU!

What the ENTERPRISE has to Offer—The Best Paper for the Least Money of Any in the State.

In order to give a more general acquaintance with the merits of the ENTERPRISE as a newspaper and to introduce it into every home in Clackamas county, it will be sent on a trial subscription until March 15, 1893, for 25 cents.

The ENTERPRISE will be made of special interest to its readers during the next few months. The proceedings of congress, now in session, in view of the present political complications, will be of vital interest to all. A special effort will be made to report them in full for the ENTERPRISE. The Oregon legislature, in session during January and February, promises to be of unusual interest. The most important legislation and radical changes in the laws of the state, attempted for years, will be enacted this winter. Every resident of Clackamas county should keep himself posted as to what is done. The ENTERPRISE will have an experienced reporter in attendance during the entire session, and complete reports will be given each week of all bills introduced, including the publication of those of interest to Clackamas county, and a report of the speeches and votes of our senators and representatives on all important measures. No county paper in the state will give the legislative news as complete as the ENTERPRISE.

As a local paper the ENTERPRISE has few equals in Oregon. Its corps of correspondents cannot be excelled. It gives the county news, city news, circuit, probate and county court and city council proceedings, real estate transfers, correct market reports and a synopsis of the news of the state and nation. Send 25 cents in coin or stamps for a trial subscription. Paper promptly stopped at expiration of subscription unless otherwise ordered.
