proven beyond a doubt to be eminently estimated at that. adapted to the successful cultivation of fruit, especially strawberries and prunes, on Sunday, and many are making them a specialty. Mrs. Papenberg, aged 60, died Sararday After going through the orchards of Mr. L. night and was buried in the German ceme Rodgers, Mr. Hoyt and the W. L. Co.'s one tery today. feels satisfied that there is a safe invest." August Schrader, the young man who three years old, will bear largely this year. They have a variety, but more Italian than for forty-eight hours. any other.

D. W. Howard will as usual this spring plant a large acreage in watermelons and potatoes, besides looking after a large truit orchard. Mr. H. was one of the first to demonstrate the capability of the prairie for the various fruits. His peach orchard is the finest on the prairie and one that the orchardist should see to appreciate.

Bail Bros, have a field of ten acres in hops. Last year from it they got a yield of five tons; they have not sold yet, thinking the price will go higher later on. Indications point that way now as the crop of 92 is pretty well cleaned up. They have a tirst class lot of bops and their faith in the prairie to grow a first class article, shows they are level headed on that subject. Richard, the junior member of the firm, is in luck. That fickle blind Goddess "that stands upon the rolling, restless stone," has been very good to Dick. The amiable persuasive Mr. Rosenkrans of the Canby store. persuaded him to take a tew chances in a sewing machine, buy a few cans of baking powder and draw the coveted article. Dick listened to the voice of the tempter (Rosenkrans has a very taking way) invesled money and sure enough the machine is his. What bothers Dick now, is: who is going to run it for him. Mr. Cariton has solved the riddle. He advises him to get married. I guess Dick never thought of that before, being a guileless young man, but he might do worse.
