

Oregon City Enterprise.

FRIDAY, MARCH 17, 1893.

Clackamas Co. Directory.

COUNTY OFFICERS.
 Judge, J. W. Meldrum
 Clerk of Courts, Geo. F. Horton
 Sheriff, C. W. Hanson
 Recorder, S. M. Namby
 Treasurer, J. O. Wetherell
 Assessor, J. C. Bradley
 School Superintendent, H. S. Gibson
 Surveyor, Sidney Smyth
 Coroner, R. L. Holman
 Commissioners, Richard Scott
 Cornelius Blair

OREGON CITY OFFICERS

Mayor, T. W. Sullivan
 Recorder, L. L. Porter
 Chief of Police, J. S. Purdon
 Assessor, J. E. Rhoades
 Treasurer, F. J. Louis
 City Attorney, H. E. Cross
 Street Commissioner, C. Hoberg
 Sup'l. of Water Works, W. H. Howell
 City Engineer, Sidney Smyth
 Councilmen—C. O. Albright, Jr., H. L. Kelly, C. N. Greenman, W. A. White, J. J. Cooke, J. W. O'Connell, J. G. Porter and T. P. Randall.
 Council meets first Wednesday of each month in city hall.

The way to build up Oregon City is to give Oregon City people your patronage.

Gladstone.

New conditions have arisen in Oregon City with the advent of motor lines and cheap and quick transit. Purchasers will not be contented to select permanent homes in suburbs that heretofore have been considered available—People will travel on electric motor lines and it can't be stopped—Gladstone is the finest location for a city in Oregon. A beautiful colored lithographic map of this handsome tract can be had by calling at the office of the company, Main street. H. E. Cross, Agent.

SPRAY OF THE FALLS.

C. H. Caulfield is having his yard res-paded.

George Gurley of Canby was in town last Saturday.

Esquire Nicholas of Highland was in the city last Friday.

Siever Ramsby of Mollala was on the street last Monday.

The governor has made G. E. Hayes of this city a notary public.

Postmaster L. J. Perdue of Orville was in the city last Monday.

WANTED.—Bacon, Lard, Wheat and Oats at the Park Place store.

25 cents buys two pairs fast black seamless hose at the Park Place Store.

On Monday last Dr. R. Goucher was shaking hands with friends on the street.

J. M. McCollum of the Gervas Star was in the city on Tuesday on business.

M. W. Wilking of Corvallis was in the city last Tuesday on a short business trip.

A. F. Parker has placed his order for lumber and will build a house at Gladstone at once.

On Wednesday evening L. R. Janney delivered a lecture on "Life Among the Hindoos," at Sellwood.

Rev. L. R. Janney will preach at the Sellwood M. E. church next Sabbath morning and evening.

Straw for sale by the bale or ton, at my place near Mt. Pleasant or delivered in town, L. H. Andrews.

Send to the ENTERPRISE office for your legal blanks. A single one or a hundred furnished at Portland prices.

Editor Parker of The Daily Astorian came up the first of the week and spent a few hours a day in this city.

A woman wants a home, suburbs preferred. Can render help in household or pay. Address H. this office.

Ex-Commissioner F. C. Mack who was on the board when the suspension bridge was built was in town on Monday.

C. O. T. Williams is now doing business for himself at the old stand next door to Caulfield & Huntley's drug store.

T. L. Charman is preparing his yard for grass seed and shrubs. It will be very pretty in a few weeks with its fresh coat of green.

On Wednesday F. F. White and Chas. Vonderhagen began fitting up a suite of offices in the rear over the bank of Oregon City.

The office being fitted up by L. R. Janney is having a small room added to the back. He will have a pleasant suite when finished.

Buy your boy or girl a pair of those school house shoes that they are offering at the Park Place Store from 75 cents to \$1.35 according to size.

Karl's Clover Root, the new Blood Purifier, gives freshness and clearness to the complexion and cures Constipation. 25c., 50c. and \$1.00. Sold by C. G. Huntley.

A grand ball will be given at Grange hall, Mulino, on Friday, March 24, for the benefit of the Mulino string band. Good music, good order and a good supper. No pains will be spared to make this a grand success. Tickets, including supper, \$1.00.

THE CITY COUNCIL.

Several New Ordinances Ordered Published—Balls and Chains Ordered.

The city council met in special session and transacted considerable important business among which was the following: An ordinance was ordered published changing the grade of Main street from Moss to Fourteenth. The principal change is in the lowering of the grade between Moss and Twelfth street, which will be brought down about four feet lower than the present grade of the electric track.

SEWER DISTRICT NO. 2.

An ordinance was ordered published creating sewer district No. 2 from the territory on the bluff and south of Seventh street. It also includes the territory north of Seventh lying west of Jefferson and south of the alley through block 100 down to the center of block 52, then north to Ninth street which is the north line to the bluff. The ordinance also provides for a sewer system in this district to be laid with terra cotta, or vitrified pipe and brick and stone, the pipe to be from six inch up to 24 inches and the three foot sewer to be of brick and stone. All back of Washington street will be laid with pipe of such size as is required, and from Washington to the river at Eighth street the sewer will be of stone and brick three feet in diameter. The creek on the hill is to be diverted to the sewer, which is to be made big enough to carry it. H. C. Stevens, Benjamin Jaggar and Sidney Smyth are appointed to assess the costs against the property in the district.

TO IMPROVE MAIN STREET.

The ordinance for the improvement of Main street from the Imperial mill to the Abernethy a distance of 16 blocks was ordered published. This improvement is to be of vitrified brick with either concrete or vitrified brick curbing except from Moss to Twelfth and north of Fourteenth which will be trestled. The road is to be made by excavating to the sub-grade and filling with gravel to the depth of 10 inches, coarse sand four inches, vitrified brick four inches, with a finishing coat of sand or of sand and tar. Three inch tiling connected with the catch basin is to be laid under the gutters. Sidewalks 10 feet wide are to be laid on both sides to be either of wood, stone, concrete or vitrified brick.

From the date of signing the contract 120 days will be given for completing the work. H. C. Stevens, G. A. Harding, and Sidney Smyth are to assess costs. The committee on health and police was ordered to purchase balls and chains with which to ornament prisoners working on the streets for the city.

The question of adopting measures to protect against small pox was discussed but was finally left to the committee on health and police.

Board of Trade

Last Monday evening the regular monthly meeting of the board of trade was called to order by the first vice president, C. O. T. Williams. In the absence of the secretary Sidney Smyth was chosen to keep the records.

The committee appointed to look after the county division matter reported that they had taken such steps as they deemed necessary and could report the division scheme unsuccessful. They reported expense amounting to \$15, a part of which had already been paid, the bill for printing not being included as it had not been presented. The report of the committee was accepted and the committee discharged.

E. E. Charman and E. M. Rands, members of the committee appointed to take action relative to the reception of the officials of the East Side Railroad, upon the completion of the road reported what had been done at the time of its completion. This has already been related in the ENTERPRISE. The expense incurred was \$50 and the amount of subscriptions secured \$40. The committee was discharged with permission from the board to pay the balance of the expense incurred out of their own pockets.

The committee on advertising reported that they had conferred with the Electric company relative to material and plan for an illustrated pamphlet, and that the company had signified its intention of co-operating, and that it was preparing cuts and material which would be ready for use at an early date.

At the annual meeting of the board, C. H. Caulfield was elected president for the year but he did not feel that he could serve so sent in his resignation which was accepted and a motion made to proceed with the election of a president to fill the vacancy. E. E. Charman in a brief but neat speech nominated Geo. C. Brownell who was elected by the unanimous vote of the board, and at once initiated into his new office.

J. W. Noble is taking the blanks sent in by the assessor and his deputies and filling in the correct description of real estate from the present owner books, wherever it is lacking or incorrect.

Mrs. S. A. Chase is having the porch and steps at the front of her residence moved out about four feet to give more hall room. The changes will improve the appearance of the house.

The school directors held a meeting last Friday evening at which they decided to invite competitive plans for a new school building to be submitted on the 22nd.

THE OREGON CITY SCHOOLS.

Text of the Principals Report for the Past Year—An Excellent Showing.

This report was crowded out of our columns last week by other matter which had to run at that time.

PRINCIPAL'S REPORT.

OREGON CITY PUBLIC SCHOOLS,
 March, 6th, 1893.
 TO THE BOARD OF DIRECTORS OF OREGON CITY, OREGON

The total enrollment for the school year just closed is 633. The enrollment for last year was 600, a gain of 33. In order to estimate the real growth of the school in making this and other comparisons we must keep in mind that a portion of the district has been cut off since the last annual report. The whole number remaining in school at the close of the year was 455. For the corresponding month of last year the enrollment was 434, making a gain of twenty-one pupils. The minimum enrollment for the five months beginning Sept. 26, 1892, was 444, this being over 57 1/2 per cent of the school population. The minimum enrollment for last year was 438, a little over 59 per cent of the school population at the end of the year, making for this year the slight gain of 1/2 of one per cent.

The enrollment for the year just closed by months is as follows: Feb., 1892, 434; March, 433; April, 386; May 367, September, 26 to October 22, 444; October 24 to November 18, 461; November 21 to December 16, 465; December 19 to January 27, 460; January 30 to February 24, 455; The further comparison of statistics for the years ending respectively March 1st, 1892 and March 1, 1893, is submitted: Maximum monthly enrollment 1892, 460; 1893, 465; increase 5; average number belonging 1892, 386; 1893, 409.4; increase 23.4; average daily attendance 1892, 364; 1893, 388.5; increase 24.5; cases of tardiness 1892, 99; 1893 75; decrease 24.

Per cent of attendance based on the average number belonging 1892, 94.4; 1893, 95; increase .6; average daily attendance per teacher, 1892, 45.5, 1893, 45.7; an increase of .2 notwithstanding the fact that there has been one additional teacher during half of the year. But the average daily attendance per teacher is not the data from which to estimate the needs of the school. It is the maximum enrollment that determines this. The average number per teacher at maximum enrollment was over 54, making the seating capacity of nearly every room inadequate.

But slight changes have been made in the course of study; there has been an effort to gradually raise the standard of the high school by adding a few new subjects and expanding some of those already in the course, the increased number of pupils in this department seeming to warrant it. Respectfully,

R. W. PRINGLE, Principal.

On Wednesday as Fred Fisher was working on Moehne's saw mill at the mouth of the Tualatin he slipped and fell to the ground, a distance of about 30 feet, resulting in concussion of the brain, two fractured ribs and an internal hemorrhage, probably from the stomach. Dr. Carl was summoned and did all that he could to relieve his sufferings. He said that neither the concussion of the brain nor the broken ribs were severe enough to prove fatal, but that the internal injuries might prove more serious.

Rev. E. G. Wheeler, the Sunday school missionary for the Northwest Pacific coast, will hold a Sunday school institute in the Baptist church next Friday the 17th, from 3 to 5 P. M. and in the evening. All the S. S. workers of the city and surrounding country are cordially invited.

Rev. G. W. Parker has his house at Gladstone so near completed that he was expecting to move his household effects on Thursday. He has a pleasant location for a home and has but a few steps to take from his door to the electric cars which will land him in a few minutes in Oregon City.

Rev. D. T. Stanley of Portland, will continue his meetings at Shively's hall under the auspices of the Christian church. His subject Friday evening is "What must I do to be saved?" Saturday evening, "Pure Religion." Sunday 11 A. M. "Infallible Safe Ground," Sunday evening "Procrastination"

The ladies of the Congregational church will give an acquaintance social at the church on the evening of March 28. An enjoyable program will be rendered during the evening. All members and attendants of the church are cordially invited to be present. Admission free.

Seven persons got on the Albany local going to Portland Wednesday morning. Passengers used to get on by the score. The Southern Pacific is now third and last in the list of competitors for passenger business. They are not in it.

The first number of The Oregon Independent, a semi-weekly and daily paper edited by L. F. McMahan, formerly of Woodburn, has just come to hand. It is an eight column folio well filled with readable news.

Last Tuesday evening Major J. P. Kennedy of the uniform rank K. of P. visited Archilles division and gave the members the benefit of a fine drill under his instruction.

The State Alliance.

On Tuesday the State Alliance convened in annual session in this city with about thirty-five delegates, representing sixteen counties, present. As the meetings were secret no report could be obtained except such a brief one as members would make public. The alliance reports itself 300 members stronger in the state than it was a year ago with flattering prospects for the future.

Among the leaders of the party present are N. Pierce, president of the alliance, and M. V. Rork, state lecturer. The question of co-operative societies, to include buying and selling, and insurance, both fire and life, was discussed favorably and the preliminary steps taken to set on foot these movements.

The report of W. W. Myers, secretary for the past year, was carefully examined and found correct.

For the last three days linemen have been busy moving the electric light wires from the west to the east side of Main street and making the attachments. The primary current on these wires will be 1000 volts which the converters will reduce to 50 volts before it goes to the incandescent lights.

Seventh street is fast becoming a meat market center. Hall & May have put on a new wagon in connection with their shop. H. Boyer has sold his shop to a man from Portland and plans are being prepared for a new building to be erected on the southeast corner of Seventh and Center street. It will be 40x60 feet and will be occupied by D. Canfield for a butcher shop and grocery store. It ought to be possible to get a soup bone at cost in the near future.

On Wednesday afternoon the trustees of the M. E. church held a meeting to consider the question of erecting two store buildings on their lots adjoining the church and it was decided to indefinitely postpone the proposition. It was also decided to ask permission from the next quarterly conference to sell 25 feet at the back of the lot facing Seventh street.

On Wednesday H. E. Cross began work upon the Gladstone branch of the East Side Electric line, which is to be three-fourths of a mile long, leaving the main line four blocks beyond the Clackamas river and terminating at Gladstone Park. While grading for the railroad the entire street will be graded 80 feet wide.

Ten days ago these columns noted the injury of John Mulvey in Salem by falling sacks of bran. The first of the week his friends became alarmed and sent for Dr. Carl, who went up on Tuesday. Upon his return he said he left Mulvey doing well.

Rev. Mr. Dougherty is delivering a very valuable series of discourses on the Heroes of the Reformation. He has spoken thus far on Tauler, Wycliffe and Huss. Many who heard the last one regretted that they had not heard the entire series.

Last Sunday Miss Maggie Straight and Mr. Henry Metcalf were married at the residence of the bride's mother in this city by Judge T. W. Fouts. The young couple set out upon their voyage with the best wishes of many friends.

Shiloh's Cure, the Great Cough and Croup Cure, is for sale by us. Pocket size contains twenty-five doses, only 25c. Children love it. C. G. Huntley.
