Donaldson, secretary of the Sunset literary program including recitations, Land company at the Commercial ban't songs by the Philomatheon quartette and who will be pleased to show the prop- solos by Mrs. E. E. Charman and Mrs. J. W. Smith. The day ressions of the association will be held at the school house Caleb Cross back from Seventh street so State grange will held its twentieth and the evening session at the Congregational church. All are welcome at any done to make room for the new store or all of the meetings as they are not building which is to be built on the confined to teachers alone. All who are corner. interested in the cause of education are invited.

INCREASED TRANSPORTATION FACILITIES. The Extrapass has heretotore noted cate must be obtained from the Union that the East Side Electric company is Pacific agent who sells them the ticket having several additional cars built for in going to The Dalles, which will abow its Oregon City traffic. It is not expected that these will be ready for the The return certificates for the Southern road before the 8th of May, but as soon Pacific lines will be furnished by the as they are turned over to the company they will be placed on the road, and five instead of three cars will be operated. This will give half hourly service. Besides this the running time will be reduced to one hour. The boats plying on the lower river will make one trip per day more than ever before and will give quicker and better service. It is rumored that the Southern Pacific will soon put on a surbuban train to here. but there seems to be no foundation in fact for this report.

> AMONG THE SPORTSMEN. -Sunday was a busy day with the disciples of Isank to enjoy the sport. As the streams were all high and the day showery, rubber boots and coats were a prime necessity. The Clackamas was the most alluring and its banks were well lined with most favored localities, but other inert with age? smaller streams were not neglected, the Beaver at New Era coming in for its were out were rewarded by a fair mess of troot and many had the satisfaction of

Wonlo's Fais Rates.-An arrangement has been arrived at among the representatives of the various transcontinental lines in regard to reduced rates to the Columbian exposition. On and CAUFIELD - & - HUNTLEY. after May 1, round trip tickets to Chicago and back will be sold for \$98.50, a reduction of \$11.50 from present rates. Round-trip tickets to Omaha, Kansas City and St. Paul will \$80, and to St. lay-over privileges west of the Missouri river. Prairie Folks."

By Hamlin Garland is a collection of nine short stories. Mr. Garland depicts with a strong hand and vigorous touch the seamy side of farm life, its cares and its hardships, as it may be seen on the prairie farms of the West. It ishard and grinding work with not many rays of sunlight across it, but once in a while something of grotesque humor enlightens it. Mr.Garland's sketches are as strongly realistic as those of George Sand or Balzac All of Garland's works 50c. each at
