### REDEEMING IN GOLD.

In the existing condition of affairs when the gold reserve is being invaded the financial situation is not calculated to make Chicago. The city treasurer, in resigning money cheap or confident. The St. Louis his custodianship of the city funds to his Globe-Democrat would stop redeeming successor in office has performed the gracenotes in gold and concludes that this policy ful act of giving to the people the people's ciety shall consist of annual and honorary if adopted would quickly disperse all mon- share of the interest on their money. Much members, etary clouds. This conclusion is probably surprise is manifested that an officer of the not warranted by the facts, yet the article in people should deprive himself of a large the main is worth careful consideration. It sum which did not rightfully belong to him. says

ing. The report that secretary Carlisle in- part of public custodians of the people's ing, an honorary member. tends to take this course ought to be true if money distinctly a waning art. Many states it is not. The act under which these notes will not permit the custodians of the public are issued gives the Secretary the privilege funds to place the money in their charge at of redeeming them in gold or silver coin at interest, but if interest is to accrue to the his option. They are, in the language of benefit of any one, who has a better right to the act, 'redeemable on demand in coin,' profit by its use than the people who pay it but it is further provided that the Secretary | into the treasury? shall, 'under such regulations as he may prescribe.' redeem them 'in gold or silver money at interest for that enterprise, which coin at his discretion.' The practice has is right and just. If large funds are to be been along to this time to redeem them in collected from the people by taxation prior gold when gold was asked for, as a refusal to the time they are needed the public and to do this, in the opinion of successive treas- not an individual should be benefited by its ury chiefs, would be popularly considered a use. sort of confession of national insolvency. The Oregonian commenting on recent and might cause a run on the treasury and road legislation while commending the steps start a panic. "In the present exigency, however, gold Hef that speculators are using the notes to yet appreciate the fact that none are too annual statement of the society's finances. Table services not equalled by any force gold out of the treasury with the hope of sending that metal to a premium. All along this currency has been a menace to knowledge will come in due time and then ings each year; the annual meeting on the the gold reserve. As it is receivable for all dues to the government as well as a legal tender for all private debts, except where lows: expressly stipulated otherwise in the contract, it is presented at the custom house, and thus displaces gold to that extent. It keeps gold from getting into the treasury, and in being presented for redemption in gold it draws large sums of that metal out of New York is behind Oregon in not provid- bers. the treasury. That is to say, it attacks the treasury reserve in two directions. As these presentations for redemption begin to reveal evidences of a conspiracy against the government, no more gold should be paid out at the treasury for these notes until this crisis ends. "There is not the faintest reason to fear that a panic would be caused by the stoppage of gold payments for these silver notes. The business interests, understanding the situation, and knowing that the suspension would be only temporary, would not be alarmed, while the general public would the treasury or on the banks. There is suffitrial and commercial interests. Indeed, prompt and direct benefit to the treasury. The speculators would see that their designs saw the perils to which the gold reserve was exposed and were resolved to pretect it at this emergency on the part of Messrs. a year before lifting a finger to stop the rob- tution. Cleveland and Carlise would quickly dispel bery." This is not all; a large majority of all the monetary clouds, and restore the those who sounded so loud the praises of sunshine of financial confidence."

SLIGHTLY INCONSISTENT

The Rosevurg Review is slightly inconsistent in its opposition to the Salem papers and people who want every part of the state to contribute to Salent because forsooth an antiquated constitution provides that all state institutions shall be located at Salem. The Review first says:

"If the location of the Soldiers' Home at Roseburg is enjoined by Salem people, then our citizens will see that every other institution situated outside of the city limits of ta- est." lem, and maintained by state funds is served in the same mantier. Southern Oregon proposes to be heard from this time."

This a curious thing. Because Salem objects to Roseburg having the Soldiers' Home the Review purposes joining forces with the Review purposes joining forces with the people of the capital city to set on foot means to deprive other outside cities of the Mall being an able, prosperous and in-fluential journal. Success be with it. ARTICLE VIL-MEETINGS.
