Broke His Leg.

THE LEADING James Ward met with a bad and painful accident at the sulphite mill last Wednesday morning which lays him up with a broken leg. For some time he has had charge of the work of taking the The Most Complete sacks of chemicals from the warehouse the Congregational pulpit last Sunday, and they were piled up 20 deep against one side of the building. Instead of getting a ladder to take down the sacks which weigh from 100 to 160 pounds he thought be would pull one load of sacks Miss Kdith Wishart left on Monday to wards get the ladder This was to him away from the end of the pile and aftera fatal mistake as he had just hold of the first sack and began to pull when the whole pile came down with a crash catching him in such a way as to throw him down and break his leg between the Misses Sephia Logus and Annie Gra- knee and the ankle. No one was near ham are visiting friends in Forest Grove at the time of the accident and for nearly five minutes he could make no one hear his loud cries for help, owing for a week's visit at her old home at to the noise of the machinery in the mill. Finally one of the men in passing was attracted by the dust and approaching heard Mr. Ward's call for help and hurrying to his side quickly removed the sacks when it was found that his leg was broken. He was at once brought over to Dr. Carli's office where the fracture was reduced and the patient made

as comfortable as possible. Mr. Ward is nearly 56 years of age and says that he has hardly known a sick day in his life. Besides the broken Permanent Alignment, left for their old home in California the leg he has a brused elbow which is give ing him considerable pain. He is get- Automatic Ribbon Re-Capt. J. T.
