THE MAILS. Mails close going North, 9 a. m., 3 p. m., 5 p. m. Mails close going South, 9 a. m., 7,20 p. m. SIDE ROUTES.

Oregon City to Ely, Mink Clark Meadow Brook, Union Mills, Mulino and Colton, leaves at 10 a. m. Tuesday, Thursday and Saturday, and re-turns on following days at 2.25 p. m.

FRIDAY, AUGUST 11, 1893.

evening a number of the young men who have been frequenting the Salvation the excursion from the Golden Gate. Army barracks created quite a disturbance, and on Monday they were artrial. They were released upon their and fines were fixed as follows: George up a way around one block further east, Gleason who is reported to have skipped the piling on that side is under way law was fined \$40. As they refused to road and the sidewalk hos been comiail to serve out twenty day sentences. like when improved. Mike can not be found and his sentence is therefore still hanging over him, and he has voluntarily placed himself in the light of a fugitive from justice. Spencer and Thackery tried at the same time were acquitted. On Wednesday Judge Fouts remitted half the fine of the three who are in jail and the term of service will be but ten days instead of twenty.

street is in the habit of peddling his wares about the city in the early morning and in his circuit visits the store at the corner of Main and Fourteenth Harmon Green was at his usual work at John W May and wife to J A streets. The other morning while wait- the dryer in the woolen mill be made a ing in front of the store a car came misstep and fell to the floor which is along and an eye witness states that about six feet below the platform WWH Samson and wife to John the bell was repeatedly rung for him to upon which he was at work and striking get off of the track and that the car his face upon the raised floor around the was slowed down to less than three dryer, cracked his cheek bone and othermiles an hour but that although he was wise severely bruised his face. He also sitting in the wagon he made no effort to move as the motorman supposed he unconscious for several hours. None of would do till it was too late to stop the the injuries are serious. car which hit the wagon and pushed it off the track thus frightening the horse and it started and ran so that the car again struck the wagon this time breaking the wheel and axle and scattering the bread and pastry all about. The baker says that the company will have to pay him for his wares and broken

THE WILLAMETTE FALLS RAILWAY .-It was expected that the cars for this fairly good just now in the tributaries of line would have been here before this the Sandy. time but no word has been heard of them layed on the road. Meanwhile the work of completing the road goes on alif the company had the cars on the ground. The poles were all set from the the hig poles were being set from the power house down to the station. These poles are to be very heavy as they are to carry the wires from the power house to connect with the Portland line. Something is being done at ballasting the road by using rock at the upper end but that part of the work is not being pushed as it can be done to so much better advantage after the road is electrified.

STATE FAIR NOTES .- Capt. J. T. Apperson, president of the State Board of Agriculture, went to Salem the last of the week to attend a meeting of the executive committee of the board and reports a goodly amount of business transacted. Among the appointments made that are of particular interest to the resi-Superintendent of the division of sheep, R. Scott of Milwaukee; of woolen goods,

H. C. Stevens and Jos. Purdom were appointed ticket venders at the main gate
and W. H. Smith and Eli Maddock were appointed gate keepers.

mourn his loss.

CLACKAMAS COUNTY'S CLAIM,-Tues day's Oregonian says: Assistant City Attorney Strode went up to Oregon City last Saturday and secured an order from that the land is exempt from taxation because it is owned by a municipal corporation and utilized for public purposes.

A SAN FRANCISCO MERCHANT .- On Tuesday this office enjoyeded a pleasant hour's chat with Mr. Nelson C. Hawks of the firm of Hawks & Shattuck of San-Francisco who was in the city in the Oregon City to Kly, Carus, Mulino and Molalia interest of his house. Mr. Hawks represents one of the few houses that are now out of the type founder's combine and they are making a determined effort to build up a trade upon merit alone without resorting to the protection of the trust. Mr. Hawks is a very TRIED AND CONVICTED.-Last Saturday pleasant gentlemen to meet and was one of the merchants who came up on

THE LOWER TRESTLE.-The work of constructing the lower treatle is progressrested and taken before Judge Fouts for ling slowly with a small force of men at work. The first of the week the road on J. Thorne, practical abstractor: own recognisance till the following day the west side of the railroad track was J S Risley to Kate Kennell 152 when a jury found four of them guilty shut off so that Broughton had to open Freeman, Wayne Grider, and Heary The side hill in front of Mrs. Jas. Dolan's Jones were fined \$40 each and Mike was dug away and the work of placing out to escape from the operation of the The planking along the east side of the pay the fines committments were issued pleted for a little more than a block, and and the three first named were taken to begins to show what the street will look Julia E Goudie to Florence E Cutts

A New REGISTER.-Last Saturday the register's department of the land office was turned over to Col. Robert A. Miller who practically began work in his new office on Monday morning. He is assisted by his brother, M. L. Miller who expects to remain with him in the office Capt. Apperson expects to take a week or ten day's outing probably at SCATTERED PIES AND CARES.—The Yaquinis after which he will give some German baker living upon Madison attention to his private matters which he has been obliged to neglect somewhat

> CRACKED A BONE -On Tuesday while sprained his arm very severely and was

> TOLL ROAD TRAVEL LIGHT .- Hermann Bruns of Sandy was in town on Wednesday attending to some business matters and says relative to the toll road travel that it is usually light for this season of the year, and that but few of the teams passing are going or coming across the mountains. Most of those who are on the road are going to the mountains to hunt and fish, Angling he thinks is
