Sidney Smyth who has been engaged for some time in preparing the assessment for the Main street improvement submitted the same to Messrs. G. A. Harding and H. C. Stevens who were appointed by the council to advise with him in making the assessment and it was approved. A special meeting was called for Wednesday evening to introduce an ordinance making the assessment but as it was not ready the meeting had to be adjourned till Thursday. The highest assessment is made against the East Side Electric company and is for \$4506.14, the O. C. Mfg. Co. comes next with \$2117.02 to pay. Some of the other highest payers are: Catholic church \$1900.45, Harding, Walden & Morey \$1100, Clackamas county \$961.34, Mrs. J. Dolan \$729 and J. Wilkinson \$712. The assessment for the west side of the street is heavier than that for the east side on account of the railroad tracks being upon the latter, and this is causing dissatisfaction among the property owners who have to pay for the improvement.

The Presbyterian church of Eugene has extended a call to Rev. G. Wm. Giboney of this city, to become pastor of the church in that place. Mr. Giboney has built the church and Sunday school here up from a few members to something like 100, which attests the efficiency of his work. The attendance at both church and Sunday school is good and not only is he beloved by his church and congregation but the community at large esteem him highly and all would feel extremely sorry to have him leave.

The meeting of Willamette Falls camp of Woodmen on Wednesday evening was well attended and in addition to the members belonging, there was present a delegation from Portland who added much to the interest of the meeting. The next meeting will be on Wednesday evening of next week. The members present last Wednesday evening received their certificates entitling them to the benefit in case of death.

Judge Fouts entertained a party from near Wilsonville last week upon the complaint Y. O. Walker who charged Henry Dieckman with making an assault upon him with a dangerous weapon, said weapon being a murderous grub hoe of which Walker was much in fear. The defendant was bound over in the sum of \$400 for which he furnished the bonds.

Rev. G. Wm. Giboney and family returned on Wednesday from Lebanon where they have been spending their vacation. Mr. Giboney has gained something like fifteen pounds in his absence and is heavier than ever before.

Last Friday as C. C. Robbins was out on his porch he slipped and fell in such a manner as to fracture one of his ribs, but he exercises his grit and keeps around though suffering a good deal with pain.

Rev. Gilman Parker was called to Logan on Thursday afternoon to unite in marriage John Pierce of Boston, Massachusetts and Miss Clara Hutchins of Logan.

HEAD.—SPEAR HEAD possesses more qualities of intrinsic value than any other plug tobacco produced. It is the sweetest, the toughest, the richest. SPEAR HEAD is absolutely, positively and distinctively different in flavor from any other plug tobacco. A trial will convince the most skeptical of this fact. It is the largest seller of any similar shape and style on earth, which proves that it has caught the popular taste and pleases the people. Try it, and participate in the contest for prizes. See that a TAG is on every 10 cent piece of SPEAR HEAD you buy. Send in the tags, no matter how small the quantity. Very sincerely,  
THE F. J. SOBG COMPANY, MIDDLETOWN, OHO.
