Christian Endeavor Society—Interesting Proceedings—County Commissioner Scott Improving.

MILWAUKEE, Oct. 10.—The second annual County Convention of the Society of Christian Endeavor was held at this place in the St. Johns Episcopal church last Friday and Saturday. It was spiritually a grand success, but owing to the inclement weather the full number of delegates were not in attendance. The church, however, was well filled at each meeting to listen to the excellent program which was well rendered. The reports given by the different delegates show a very large increase in this good work. At the business meeting Saturday afternoon the following officers were elected for the ensuing year: President, T. J. Gary, Milwaukee; first vice-president, Erastus Smith, Oregon City; second vice-president, R. Hargraves, Springfield; third vice-president, George Hamilton, Park Place; secretary, G. W. Beattie, Oregon City; treasurer, Mrs. White, Oregon City. The committee appointed to select a meeting place for 1894, reported that they decided to meet in the First Presbyterian church, Oregon City. The young ladies of the Milwaukee Endeavor served lunch and dinner to the delegates and visitors in an excellent manner at the school house. The tables were heavily laden and all did justice to the grand feast. After adjournment Saturday evening a special car was in waiting and after the usual hearty hand-shake and good-byes said, the delegates departed to meet again next year.
