General Rusk is Dead.

Madison, Wis., Nov. 21.-General Jeremiah Rusk, ex-secretary of agriculture, died at his home in Viroqua at 8 o'clock this morning.

Though not unexpected, the announcement that the end had come to the life of this strongly individual charcaused a profound shock. He had been ill some time and dangerously, but up to a constitution would pull him through. Since then, however, his constant failing strength led his friends to anticipate the worst, "Uncle Jerry," as he was affectionately known, was a familiar figure to every resident in this city. No man was ever brought here in official life with so many friends, political and nonpolitical, in the Wisconsin capital as he during his three terms as governor.

Don't Know They are Beaten.

WASHINGTON, Nov. 20 .- Silver men propose to renew the silver fight as soon as congress meets. Bland says a sufficient time has elapsed since the repeal of the Sherman law to show it was not responsible for the hard times, and ters. has made them worse, by contracting the currency and making it harder for the debtor class to pay. He says he has private assurances from a large number of those who voted for repeal which make it evident that he can be successful.
