## REPUBLICAN CITY CONVENTION.

A Well Attended Meeting at Which a Good Ticket is Nominated.

Pope's hall was well filled Monday evening by republicans and a fair sprinkling of others who had come to watch the republicans make nominations for city offices. The meeting was called to order by C. O. T. Williams, chairman of the city committee, and T. F. Ryan elected chairman. C. O. Albright and J. L. Swafford were chosen secretaries after which a motion was made to permit all who wished to help in selecting a ticket. This was voted down by a decisive majority after which the convention proceeded to the nomination of a city ticket with the following result: For mayor, T. L. Charman, nominated by acclamation; for city treasurer there was a contest between R. L. Holman and J. A. Moore, the ballot resulting in the choice of Holman. G. W. Church was then nominated for assessor and collector by acclamation.

The other places to be filled were ward offices and the convention resolved itself into ward meetings with M. J. Broderick as chairman of the First ward meeting, J. L. Swafford secretary and J. W. O'Connell and J. G. Pillsbury tellers. The second ward organized by the election of S. B. Calif as chairman and C. O. Albright secretary. In the Second ward George Broughton and Geo. H. Wishart were nominated for the council by acclamation. In the First ward H. C. Stevens was nominated on the first ballot and J. N. Harrington and W. A. Huntley were tied at twenty-four votes while Benj. Jagger had eighteen. There being no choice for the second candidate, a second ballot was ordered, prior to the taking of which Mr. Huntley resigned in favor of J. N. Harrington who was then nominated, Mr. Jagger receiving no more votes than on the first ballot. The ward meetings then adjourned and the convention authorized the appointment of a city committee of three and the chair appointed J. W. O'Connell, J. L. Swafford and Geo. R. Calif. After making arrangements to have the nominating certificates signed by the proper number of persons the convention adjourned.

## Pass Word and Grip.

Mead Post No. 2 will elect officers at their first meeting in December. Last Saturday night members of the G. A. R. met at the post room for the purpose of making the preliminary arrangement for entertaining in an appropriate manner the grand officers at a meeting to be held in December. A committee was appointed to make all necessary arrangements and it is expected that the post will have its usual good time, as their socials are noted for being very social.

Achilles Lodge K. of P. will elect officers at their meeting this Friday evening and a good attendance of members is desired.  
At the meeting of Falls City Lodge No. 59 on Saturday night it was voted to incorporate the sick benefit system and the matter was referred to a committee consisting of C. O. T. Williams, W. T. Whitlock and E. M. Rands to arrange the details so as to fully protect the lodge. The committee is to report this week.

Monday County Treasurer Calif sent to the state treasurer the sum of \$4795.35 which was the amount of delinquent tax due from this county to the state on the 1891 levy. It had been held back on account of the suit which had been entered by Multnomah county to restrain the state from collecting this tax on account of the raise in the assessment made by the state board of equalization. As this suit was decided against the county there was no use in holding the tax back any longer. As this is the last payment due from Clackamas county to the state the county will now be entitled to receive its share of the five per centum fund apportioned by the last legislature and which amounts to something like \$2,500.

To the thousands who were unable to visit the world's fair and view its beauties and wonders, no work published can give them so clear a conception of what the fair consisted of and how it looked as Bancroft's "Book of the Fair." It is an intelligent and easily comprehended description of the buildings and every exhibit of note, while over 2000 engravings, many of them full-page, of the finest half tone work, complete the description. The book consists of 25 parts of 40 pages each, size 12x16 inches on heavy enameled paper. The price is \$1.00 a part.

Mrs. W. P. Spencer died about midnight on Tuesday of blood poisoning after an illness of but a few days. The cause was a scratch received on the nose which was not serious enough to cause apprehension of danger but it rapidly grew worse and in spite of all efforts to save her life, the scratch proved fatal. The funeral will occur on Thursday and the interment will be at Damascus where a sister was buried a few months since. Mrs. Spencer's maiden name was Smathers and she was a daughter of Henry Smathers, of Viola.

The Japanese curios exhibited at the Congregational church this week are conceded to be the finest collection ever seen in this city. The sales exceeded expectations.

Mrs. R. W. Porter who has been on the sick list lately is slowly improving.

## Philomathean Society Notes.

The literary society met Saturday evening instead of the usual time as the regular meeting was postponed for the King's Daughters entertainment. The entire program was from Longfellow's works and was well carried out by the girls. The program was as follows:

The society adjourned to meet Saturday evening December 1st at 7:30.

## PUPIL.

### Where to Vote.

The city charter enacted by the legislature last winter provides that the city shall be divided into two wards, and that ward No. 1 shall comprise all territory within the city south and west of a line commencing at the center of Seventh street; thence easterly to the intersection of Taylor street; thence southerly to the intersection of the county road to Molalla; thence along said road to the city limits. The voting place in this ward will be at the engine house on Main and Third streets.

Ward No. 2 comprises all that portion of the city lying north and east of the above described line, and the voting place is at the city hall and engine house on Main street between Seventh and Eighth streets.

A person to have the right to vote must have been a resident of the city for six months previous to the date of the election and of the ward in which he offers to vote for ten days next preceding such election.

All elections shall commence at nine o'clock a. m. and continue till seven o'clock p. m.

### A New Great Work of Art.

The artist who painted a "Yard of Pansies" and a "Yard of Roses" has just produced a magnificent rival to these two lovely pictures. It is a floral panel picture called "An American Beauty," 20 inches high, and admirably adapted for upright narrow spaces. By an arrangement with the publishers, who are making, by the most perfect process, exquisite reproductions in oil colors of this great picture, undistinguishable from the original, we print a coupon in this issue of the ENTERPRISE that will entitle all our readers to one of these superb creations, free. It is a great work of art, and we have pleasure in presenting such a valuable gift to our patrons. Do not fail to get a copy of this paper and secure the painting.

Baltimore, Md., Oct. 14, 1901.

MR. NORMAN LIGHTY, Des Moines, Iowa.  
DEAR SIR:—Will you please be kind enough to let me know who is your agent in Baltimore, for the sale of Krause's Headache Capsules? I have tried at a number of drug stores but have always failed. I have had several boxes of them sent me from Washington, and found them to be the very best remedy I have ever had for severe headaches.

Very truly yours,

1509 Patterson Ave. Mrs. A. L. Davis.  
For sale by Charman & Co., City Drug Store, Oregon City Oregon.

Deputy Prosecuting Attorney Dye and Gordon E. Hayes, Esq. went to Molalla Monday to prosecute and defend a case of attempted rape upon a girl of eleven years. G. Grabong, the defendant, was held to the grand jury. There was a large attendance at the trial and considerable feeling manifest. The prevailing opinion in the neighborhood of the alleged crime was that the defendant was guilty.

The postoffice will be closed on Thanksgiving day after 10:30 A. M. as it is a legal holiday. E. M. Rands P. M.

Mr. W. M. Terry, who has been in the drug business at Elkton, Ky., for the past twelve years, says: "Chamberlain's Cough Remedy gives better satisfaction than any other cough medicine I have ever sold." There is good reason for this. No other will cure a cold so quickly; no other is so certain a preventive and cure for croup; no other affords so much relief in case of whooping cough. For sale by G. A. Harding.

Ill'd—"Where do you eat now?"  
Gooddeater—"At Mrs. Howard's, Sixth and Main. Why old boy its just the place to get good things."  
Ill'd—"I believe I'll go there too."

## THE TOLEDO BLADE.

And Book Containing all the Nasby Letters for one Dollar.

In answer to a general demand from all parts of the United States, the Toledo Blade has published in one volume, cloth bound, all of the "Nasby Letters" ever written by the late D. R. Locke, omitting perhaps a few unimportant letters on local or important topics. Only a few of these letters were ever published in book form. Everybody has read some of them, but who has read all of them? The book contains over 500 large pages, and all the Nasby Letters written during a period of twenty-five years; also portrait of D. R. Locke from his last photograph. It would sell at one dollar or more, but will never be placed on sale. One hundred thousand copies are now being printed and bound, and one copy will be sent postpaid by mail free to every person who this winter remits one dollar for the Weekly Blade one year. Everybody invited to send for a specimen copy of the Weekly Blade, which will give a full description of the book "The Nasby Letters."

The Toledo Weekly Blade is the best and most popular weekly newspaper published in the country. It has the largest circulation of any weekly newspaper, and goes to every state, territory and nearly every county of the Union. Only dollar a year, including the above mentioned book free. Send postal to The Blade, Toledo, Ohio, for a free specimen copy of the paper. Send the addresses of your friends also.

### The Ward Line.

Some one has sprung the issue that J. N. Harrington is not in the First ward in which he is the nominee for councilman. The charter is plain on this point so that none may misunderstand if they will take the pains to read. From the intersection of Taylor street with the county road, the boundary is along the said (county) road to the city limits. This undoubtedly means the straight road which was deeded to the county and accepted as a county road, which everyone travels. No one ever intended the old crooked road to be taken for the boundary when there is a straight road to the limits. No one need be frightened on that score as Mr. Harrington is eligible in the First ward and if elected will be seated.

Skeels, "A Soul Sleeper."

RED MEN'S MASQUERADE BALL CHRISTMAS night. Grand march starts at 9 o'clock.

### Speculation Dangerous.

Scarcely a day passes without the news of some large failure flashing over the wires—the usual result of speculation in stock or some equally dangerous venture. The same electric current carries to dear distant friend the sad tidings of death of loved ones—too often the result of speculation in patent nostrums. Moore's Revealed Remedy is no speculation but is sold on positive guarantee. Do not fail to go to your druggist and ask for your money if not satisfied. We know you will go and buy another bottle. For sale by all druggists.

As the holiday season approaches and you are looking about for a reasonable and sensible present to make to a relative or friend it will pay you to bear in mind that a watch or piece of useful and ornamental jewelry which can be worn and used for all time is always suitable and especially so this year when you do not wish to squander any money on useless trinkets. The place to find the finest and best assortment of watches and jewelry as well as the best place to buy is at Beck's, the jeweler, corner of Front and Morrison street, Portland.
