A Christmas Tree at Redland—The committee at Work—New Officers for the Literary Society.

REDLAND, Dec. 11.—There is to be a Christmas tree at Bethel church on Saturday the 22d inst. Misses Ora and Ida Young, Emma Funk, Lizzie Armstrong, Etta Connor and Hattie Wilcox, the committee to solicit subscriptions for the candy fund, are having good success in spite of the hard times. There will be a superabundance of sweets for all. Every body is invited to attend; a good time is assured.

Mr. Wood has but one more week to teach in district No. 21. He has given general satisfaction and it is hoped that he will teach again in our neighborhood.

Mrs. John Higgins had a serious attack of her old trouble, asthma; her friends were greatly alarmed at the time, but we are glad to report her convalescent.

George Boylan and family, of Oregon City, spent Saturday and Sunday with Mr. and Mrs. Asa Boylan.

Ezra Johnson, of Montaville, was the guest of his father, the Redland merchant, a few days last week.

Mr. Dealman is having his land surveyed off into small tracts, presumably with the intention of offering them for sale.

The shooting match at S. E. Sprague's last Saturday was a grand success. A large crowd attended and all enjoyed themselves.

A party of young folks from near the Hatchery attended the literary last Saturday. In the party were Miss Hatton, John Hatton, Mr. Mumpower and many others whose names we did not learn.

The literary society is becoming quite a success. A dialogue by Alford Sprague and Dan Mosher was exceptionally well done, while Miss Clara Hatton's recitation brought down the house, so to speak. George Boylan's children gave the society a treat with their fine singing. The debate was spirited and good arguments were made on both sides, but it was decided in favor of the negative, led by Wm. Stone. Two young ladies, Mattie Dempster and Ida Young took part in the debate. New officers were elected at this meeting, Wm. Stone being elected president, Miss Dempster vice president, Alfred Sprague secretary, Frank Linn treasurer, and W. H. Dempster editor. The new committee on entertainment being, Misses Dempster, Young and Mrs. Johnson. The next subject to be debated is, "Resolved, That woman has more influence over man than money," the leaders being Frank Linn and John Hatton.

HAZELIA HAPPENINGS.

Death of a Pioneer Lady Who Was Formerly in the Employ of President Lincoln.

HAZELIA, Dec. 11.—That grim old monster "Lagrippe" has made himself very familiar the last month among us, but all are shaking themselves free from his grasp, but Mr. F. Ford. He is a little better at this writing but is still very low.

If we could have a few days of sunshine it would be greatly appreciated as some are not yet through with potato digging. The early rains caused many potatoes to rot on low ground, but the hill land produced a good crop both in quantity and quality. But very little fall plowing has been done so far.

The hop craze has struck us and the result will be many new yards will be planted and old ones enlarged. Messrs. Shipley, Hays, Eaton, Brown, Carpenter and Lacy are among the ones that are going to try their luck in hops. Messrs. Hays and A. W. Shipley have small yards and their success has proved that fir hill lands are fine for hop culture.

I can not tell of as many improvements as some of your correspondents, yet we are not falling far behind as Messrs. Hays and Whitin have built fine barns the past summer.

Our school, with Prof. Ely as teacher, is progressing finely. The Hazelia literary society meets semi-monthly and is well attended. It has a paper, the Record, that keeps the people posted on home affairs.

Mrs. Copy, of Portland is here nursing her father, Mr. Ford. She has had many years experience as a nurse and thoroughly understands her business.

Mrs. S. E. Shipley, of Corvallis, is visiting her sons M. E., L. A. and A. W. Shipley. Rev. W. S. Strubble and family leave tonight for Michigan to remain some time if they like the country. Mrs. S. was born and raised here and we regret to see her leave.

Mrs. Lacy has a cousin, Miss Mary Calkins, of Sherwood, spending the winter with her. Miss C. is attending school.

Owing to the sickness of many of the members, and the death of little Carl Dickerson, the Oswego grange postponed its meeting from the 9th to the 16th inst., when there will be the annual election of officers.

In the death of Mrs. Armstrong we have lost another pioneer. She with her husband, who died several years ago, settled on the claim where she died in the early fifties. She left a family of four sons and one daughter. All were here to follow her remains to their last resting place. The one incident that Mrs. A. loved to tell was that in her early years she was a servant in the family of A. Lincoln.

MULINO MATTERS.

Telegraph Line Coming—Motor Line Wanted—Forrester's Body Found.

MULINO, Dec. 11.—Last Thursday as Berry Buckner was coming from his place to Mulino, while crossing a drift he discovered the body of Mr. Forrester who was drowned at Union Mills, October 9th. The body had passed down the stream some two miles and lodged against the drift during the last race of the stream. Several hundred pole poles and drift wood had floated down after the body, thus forming a drift around him. The body was not decomposed as people had supposed it would be before the discovery took place. When he was drowned he had on a pair of rubber boots,

but they were gone and the general decision of all that came to the scene was that they were fast some place and kept him from floating. His wife came from Oregon City with the undertaker to take the last look at her unfortunate loved one.

The advance agent of the Cape Horn Telegraph company was at this place a few days last week soliciting stock holders. Quite a number favored the company and the shares taken ranged from one to twenty, each share being valued at five dollars. The majority of the people are in favor of this new enterprise and will do all they can to get the line completed. We cannot reasonably ask for a motor line until we have paying industries so that a company may see that it will not lose money when they have invested it in a railroad. This telegraph line is certainly a favorable prospective investment and will help to develop this part of the county. When the time for motor lines there are different places along the route where good water power can be obtained. For instance, Jack Knotts has fifty-horse power where an old saw mill once stood and the race is still in quite good condition, also a power can be utilized for electric power between Mulino and Union Mills.

C. E. Nash and sister opened a nice little grocery store in the Kellogg building. Mr. Nash is an accommodating young man and will do only a cash business.

Grandpa Darnell is quite sick. It is feared that he will never recover again as he is not able to sit up nor to take any nourishment.

May Jones' mother, sister and brother have been visiting her and family the past week.

Last Saturday the Molalla grange held its semi-annual election and chose Jas. Nelson master, E. H. Cooper secretary, Jack Knotts overseer, E. A. Klau lecturer, Carrie Knotts chaplain, Geo. Mallett steward, Dr. Goucher assistant steward, Mrs. Reuben Wright flora, Mrs. Goucher Pomona, Mrs. Spurel ceres, Teady Hammon gate keeper, Mrs. Cooper organist, Henry Seltzer janitor.

Last Saturday evening May Jones gave a pleasant dance at the home residence.

There will be a grand ball at grange hall Christmas night, December 26th. Fifty cents a number will be charged. Confectionaries and a lunch counter will be furnished so that all may have a good time.

Mink Mutterings.

MINK, Dec. 11.—Last Friday evening Jas. Whitlock had a masked visitor walk into his house with a six shooter in hand with which he made the old man pungle out all he had then demanded more. He only got about \$0 no wever.

Mrs. Anna Traylor has been quite sick for the past two weeks and is not yet improving much.

W. F. C. Moehne, who has been visiting his sister, Flora Moehne, has returned to his home at Tualatin.

Chas. Moehne sold two young horses to a party at Molalla, and it leaves our post mistress without a riding horse.

Miss Louisa Steiner is visiting friends in Portland.

Nick Schwartz and wife, who have been visiting relatives and friends in this neighborhood, returned to Portland where they will make their future home.

Mrs. Christ Moehne, who has been on the sick list, must be quite well again. She was visiting friends in Oregon City last week and any one that can travel those roads must have a good constitution.

L. Baker, from Salem, is in our midst again.

J. A. Moehne and wife and Mrs. Emma Bluhm were the guests of Mrs. Mich. Bluhm last Sunday.

Stafford.

STAFFORD, Dec. 11.—A. K. Gage and family have started for the coast at Nestucca where they will make their future home.

B. Snow has returned to his home in Grant county, J. Q. Gage having taken the remainder of his bunch of horses to keep through the winter.

A social gathering was had at Miss Lizzie Shatz Sunday.

The Duplex growth, there being seventy-six persons present last Saturday evening. J. P. Gage is moving the lumber etc., from within his barn and finds his machinery is not so badly broken as was at first supposed.

H. Schrader and Miss Anna Peters were united in the holy bonds of matrimony at the home of the bride's parents last Thursday. The boys turned out en masse and gave a free musicale in honor of the newly wedded couple. They will live near Squire Days in Washington county.

Wm. Neibauer visited his parents here last Sunday. We Usa.

Highland Happenings.

HIGHLAND, Dec. 13.—Highland is still on top; hence we are not afraid of a flood of water although it is pouring down continually.

Real estate is changing hands occasionally. Samuel Weiss sold his 40 acre tract to a party recently from Minnesota. J. B. Lee changed his 76 acres, valued at \$1500, for Fred Heff's 40, valued at \$800, and received \$700 to boot.

Amos Horner has leased his place to Samuel Weiss for one year and is going up the country to his brother Garratt for a season until the money market opens so he can sell his place.

The debating and literary society recently organized at the K. of L. hall at Highland is doing good work.

Revs. Short and Hargreaves have been holding a series of religious meetings at the Baptist church.

Our telegraph line, forerunner of a railroad, is completed from Portland to Highland.

Charley Parish has returned from Eastern Oregon. CORRESPONDENT.

Monmouth Items.

MONMOUTH, Dec. 11.—There are over 265 students enrolled at the normal and new ones continually arriving.

The societies at the normal are preparing for the inter collegiate oratorical contest which will take place the first of February. The competitors have all been chosen.

The foot ball team has gone to the Pacific University, at Forest Grove, to play their second game.—[They got scooped 28 to 0.—Ed.]

The people of Monmouth were shocked

yesterday afternoon to learn of the suicide of J. A. Dempsey, a resident of this place and a well known and respected citizen. He was working in a butcher shop all day; in the evening he went to a gunsmith's and got a gun and came back into the shop and went into the back room and shot himself. The ball entered the forehead between the eyes killing him instantly. The cause is supposed to be financial troubles. A wife and seven children survive him. The family stands high in the community, he and his wife both being members of the M. E. church. His death is a shock to all.

EAGLE CREEK.

Ho for a Christmas Tree and Dance! Enjoying a Show.

EAGLE CREEK, Dec. 14.—Mrs. Glover and family returned from Oregon City yesterday where they had been visiting Superintendent and Mrs. H. S. Gibson.

Wm. Mack and Charles Foster went to Oregon City today with a band of horses. Ed. Bates of Currinsville was seen on the streets of our villa yesterday.

A few of our most enterprising young people have decided to have a Christmas tree, and will give a few literary exercises. Every body invited to come and enjoy themselves. There will be a dance after the other exercises are over.

The big four colored minstrels gave a show here Saturday evening and will give another next Saturday evening. Every one should bear them sing.

The dance at Mr. Burghart's Saturday night was a very pleasant and sociable one, and all present seemed to enjoy themselves.

The body of Albert Forrester was brought to the Eagle Creek graveyard and buried Saturday night. The roads were so bad that those having the body in charge did not reach here until after night.

OAK GROVE.

A Pleasant Surprise Party—Sickness in the Neighborhood.

OAK GROVE, Dec. 11.—Last Friday evening was well taken advantage of by a surprise party which assembled at F. T. Willitt's store at Liberal and proceeded to the residence of Levi Stehman, where dancing was enjoyed until a late hour.

Leonard Heinz, Jr., one day last week while cutting wood, cut the leader of the big toe on the right foot, which will keep him from school some four or five weeks.

L. E. Armstrong and family were visiting Henry Samson's last week and report his other foot paining him as the one he had taken off did before the amputation.

Willie Heinz, Fred Armstrong, Mrs. Armstrong, Chas. Hester and Grandpa Armstrong have been on the sick list during the past week.

Wm. H. White has just about completed a board fence in front of his house which adds greatly to the appearance of his place.

Mr. Heinz is building a large wagon-shed on the north part of his barn.

There was preaching at the Oak Grove school house last Sunday with a good attendance.

The fall sown grain is mostly up and looks well and promises to be a good crop.

Milwaukee Notes.

MILWAUKEE, Dec. 13.—On last Saturday evening Miss Ida Starkweather was happily surprised by about fifty of her friends in honor of her birthday anniversary. Vocal and instrumental music, games and dancing were enjoyed by all until supper was served. After partaking of the bountiful feast the guests took their departure wishing Miss Ida many happy returns of the day.

The recent high water caused a shut down in the shoddy mill about fifteen days. The mill was started with double force this week, intending to run day and night to fill orders for several tons of shoddy.

The members of the Christian church are making arrangements to have a Christmas tree and entertainment on Christmas eve. The literary society is still progressing and getting along nicely. The last two meetings have been spent in a mock trial which was very amusing.

A Little Girl's Experience in a Light-house.

Mr. and Mrs. Loren Trescott are keepers of the Gov. Lighthouse at Sand Beach, Mich., and are blessed with a daughter four years old. Last April she was taken down with Measles, followed with a dreadful cough and turning into a Fever. Doctors at home and Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "handful of bones." Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at Geo. A. Harding's Drugstore.
