RECEPTION AND BANQUET.

Meade Post No. 2 of the G. A. R. and Womens Relief Corps Entertain.

For the past two weeks Meade Post No. 2, G. A. R. and the Womens Relief Corps of this city have been busy planning for the reception and entertainment of Grand Commander J. C. Cooper and Geo. Wright post and the relief corps of Portland, so that by seven o'clock of last Tuesday evening the time set for the meeting every thing was in readiness for the visitors and when the extra car on the electric line brought about forty visitors from Portland including many of the prominent citizens from the neighboring city there was present to greet and welcome them a large delegation of the wearers of the blue with their relatives to proceed at once to put their guests upon such a footing as to at once make them at home.

K of P. hall was filled almost to the extent of its capacity when the visitors were escorted to it and introduced so far as was possible to the members of the post here, and after all had been given opportunity for friendly greetings, C. H. Duchy as chairman of the committee on arrangements and master of ceremonies introduced Rev. Gilman Parker who in his pleasantest view extended to the visitors a kindly and hearty greeting which was responded to in behalf of the guests by Department Commander J. C. Cooper. Those present then left the hall and led by the Willamette Silver Cornet band formed in procession which was nearly two blocks long and marched to the Baptist church where a banquet fit for the gods was spread. But after the allied attack which resulted immediately upon the arrival of the combined forces the wealth of viands which crowded the tables upon their arrival rapidly disappeared thus proving that the boys who fought, bled and lived for their country had not forgotten how to forage or dispose of forager's supplies. After the tables had ceased to groan and the attacking party had begun to think of grazing the flow of wit and wisdom began and it is with regret that the ENTERPRISE has to curtail this part of the program which in brief was as follows:

PROGRAM AT THE TABLES.

Reminiscences at Fredricksburg, organ and bugle imitations by Mrs. O. S. Ohlson and E. A. Smith.

Toast—The Press, Pulpit and the Peticotais, by Past Department Commander G. E. Calkins.

The Quinine Brigade, by Dr. Wm. H. Saylor.

Solo—Lay Me Down and Save the Flag, Miss Ida Woods, of Portland.

Conundrum—Why do the preachers recommend loving one another? Answer by Rev. Gilman Parker—Because there is a fee of five dollars coming.

Recitation—The Dandy Fifth, Mrs. R. G. Pierce.

Address—By Past Commander A. E. Borthwick.

Recitation—The Union, by C. A. Williams.

Address—By Mrs. Pierce, of George Wright Relief Corps.

Address—By W. E. Johnson.

Address—By Capt. J. T. Apperson.

The closing act of the program was "taps," after which the visitors bled them away to their car amid the cheers of both parties, all of whom expressed much pleasure in the meeting just closed.

The ladies of the relief corps are deserving of much credit for their very important part of the program, which after all was the most important and pleasantest part. Well may Meade Post be proud of its able coadjutor, the Woman's Relief Corps.

In Secret Orders.

Achilles Lodge No. 38, K of P. was visited by Knights Prosser, Orr and Rankin, of Oswego who expressed themselves as much pleased with their visit.

Star lodge No. 55 of Oswego is making arrangements to have a public installation at their first meeting in January and a number of the Knights here are planning to go down.

Falls City lodge No. 59 A. O. U. W. is having very interesting meetings these times and always have work. At the meeting on the 23d of this month they will nominate officers for the coming term, and the election will occur a week later.

The A. U. W. lodge of Aurora invited Falls City lodge of this city to come up there this week on Saturday evening and confer the degrees upon some of the candidates with a selected team from the lodge here, but as it is the regular meeting night here, the boys could not leave with the paraphernalia, so they invited the lodge at Aurora to bring their candidates down here and make them Workmen.

Falls City lodge is preparing to have public installation of officers on the first Saturday of the new year and the committee is now busily engaged in arranging a program that will prove interesting and attractive. Several of the grand lodge officers have signified their intention of being present and doing all that they can to make the occasion a pleasant one.

Willamette Falls camp of Woodmen is making arrangements for a public installation of officers at their first meeting in January when they will probably present an interesting program for their friends to enjoy.

An Interesting Lecture.

The Congregational church was well filled last Friday evening to listen to the lecture by Hon. D. P. Thompson before the Philomathean society, his subject being, "Turkey and the Turks," with which he is thoroughly familiar on account of the time spent thereas minister to the country. As Mr. Thompson started life in Oregon City as a wood chopper and worked the first few years that he was here at anything to which he could profitably turn his hand our people were prepared to listen to him with close interest, knowing that as a critical observer and a ready and pleasant speaker he would be able to please and instruct, and in this they were not disappointed as his lecture was replete in descriptive incident showing the habits, customs and disposition of the people of the Orient. Among other things he wore a fez and a scarf presented him by the Sultan after his return as a mark of honor and as the emblem of a rank conferred.

Drama and Operetta.

Thursday evening, the 28th of this month, there will be presented at Shively's opera house, a most interesting program under the auspices of the Catholic society, which will include a laughable farce entitled "The Little Chimney Sweep," or "Honesty the Best Policy," and the operetta, "Crown of virtue" or "Coronation." Besides these interesting features of the program there will be recitations and songs by the children of the school and music by the full orchestra, so that all who go will be certain of a rich treat. Admission, reserved seats 50 cents, general, 35 cents.

Notice to Fruit Growers.

The first annual meeting of the Clackamas County Horticultural society will meet at Milwaukie, Thursday, January 11, 1894, at 10 A. M. W. S. Uren will deliver the address of welcome and Mr. Chas. Meserve will respond. It is hoped that the members will be prepared with papers on some fruit topic. All farmers and fruit growers are invited. The annual election will occur at this meeting. J. CASTO, President.

One lady in the city is intending to purchase a full set of that beautifully decorated china which is on display in Burnmeister & Andreesen's window to send East to a sister so that she may have for use on her table some elegant dishes with picturesque views of Oregon City and vicinity glazed in lasting forms always before her. The idea is a good one. If you cannot at present afford a full set you can find no more unique present or one that will be more highly appreciated. For holiday, wedding or other time nothing can be more suitable than one or more pieces of this elegantly decorated ware. Go and take a look at it.

On the 8th of the month the East Side Railway company went into the hands of a receiver, Joseph Simon being the party designated by the court to look after the affairs of the company and make such adjustment as is possible. This condition was brought about by the strained condition of the money market which prevented the company from selling its bonds. One or two minor attachment suits were brought and these, with the Madison street bridge accident last month, precipitated the suit for a receiver.

During the past week the railroad company has had a special train and a lot of men busy taking rock from the bluff at the depot to the washout at the head of the wing-dam where the recent flood undermined the track on account of the new bulkhead which deflected the current and made it strike the shore with great force. After many carloads of rock had been dumped in it seemed to have made but little impression on the hole.

I. R. Birt of the Cape Horn Telegraph company which is now building between Clarkes and Meadow Brook was in the city the past few days soliciting subscriptions to help build the line. Reports from those best competent to speak of its benefits report very favorably of the operations of the line as far as it has been completed, and with the line extended to this place where another battery will be added the service will be considerably improved.

When on a visit to Iowa, Mr. X. Dalton, of Laray, Russell County, Kansas, called at the laboratory of Chamberlain's & Co., Des Moines, to show them his six year old boy, whose life had been saved by Chamberlain's Cough Remedy, it having cured him of a very severe attack of croup. Mr. Dalton is certain that it saved his boy's life and is enthusiastic in his praise of the Remedy. For sale by Geo. A. Harding.

For a sore throat there is nothing better than a flannel bandage dampened with Chamberlain's Pain Balm. It will nearly always effect a cure in one night's time. This remedy is also a favorite for rheumatism and has cured many a severe case. 50 cents bottles for sale by Geo. A. Harding.

The man William Wallace who last week fell from a freight car in the yard here was thought to be getting better but recent developments in his case have made his recovery quite doubtful and Thursday he was sent to a hospital in Portland.

You are not ready for Christmas until you have seen our stock.

BURNHEIMER & ANDRESEN.

For the Mid-Winter Fair.

Mayor Sullivan has received a communication from the Mid-winter Fair Association which has been incorporated under the laws of the state for the express purpose of having Oregon adequately represented at the Mid-winter fair. The capital stock of the company is placed at \$20,000 which it is estimated will make a good showing if properly expended, and as it is to be under the same supervision practically as that which made a success of the world's fair exhibit from this state there is little doubt that it will be well done. The shares are put at one dollar each, so that all may help in the work. The committee purpose asking the legislature to use the \$20,000 which is to be returned to the state from the amount appropriated for the world's fair, in refunding subscriptions made for the Mid-winter exhibit. As it is to the interest of all parts of the state to have a creditable exhibit made there should be no hesitancy in taking hold of the matter with a will, and Oregon City should help.

Wednesday one of the blasts which was fired at the bluff in the switch yard threw a stone about as big as one's fist which struck the window in Kasper T-charnig's shoe shop and crashing through scattered broken glass all over him scaring him but not injuring except by a slight cut on one arm.

The officers of the Security Investment Company which was organized in Oregon City a short time since are as follows: W. H. Samson, president; S. B. Calliff, treasurer; W. H. Burghardt, Jr., secretary; W. H. Burghardt, general manager.

Best flour 75c. per sack, baby shoes 25 cents, ladies laced cloth, foxed 75 cents, ladies fine button reduced to \$1; boy's programs 50 cents, men's plow, \$1.50, Indigo blue prints 18 yards \$1.00 at the Red Front. Read the ad.

H. Feigt recently from Portland has opened up a shoe shop adjoining Albright & Warner's meat market where he will attend to all kinds of repairing in first-class style.

At Huntley's book store the holiday goods are pronounced models of good taste and appropriateness, and there are plenty to be had at very low prices.

For One Week Only—Ladies fine kid gloves we sold for \$1.25 now 85 cents—at the Red Front's Special Sale. Come early.

A marriage license was granted to Emma J. Her and Chas. W. Calkins the past week.

RED MEN'S MASQUERADE BALL CHRISTMAS night. Grand march starts at 9 o'clock.

C. O. T. Williams has been re-appointed a notary public.

Mr. J. P. Blaize, an extensive real estate dealer in Des Moines, Iowa, narrowly escaped one of the severest attacks of pneumonia while in the northern part of the state during a recent blizzard, says the Saturday Review. Mr. Blaize had occasion to drive several miles during the storm and was so thoroughly chilled that he was unable to get warm, and inside of an hour after his return he was threatened with a severe case of pneumonia or lung fever. Mr. Blaize sent to the nearest drug store and got a bottle of Chamberlain's Cough Remedy, of which he had often heard, and took a number of large doses. He says the effect was wonderful and in a short time he was breathing quite easily. He kept on taking the medicine and the next day was able to come to Des Moines. Mr. Blaize regards his cure as simply wonderful. For sale by Geo. A. Harding.
