Quiet Christmas at New Era—Prof. Dobyns Married—School Matters—Alliance Instituted.

New Era, Dec. 27.—Christmas passed off very quietly in this locality, which reminds us very distinctly that the financial distress has crept into social as well as business circles. But this will soon be forgotten when Cleveland gets us that dollar per bushel for wheat that the democratic orators told us about when they were stumping for Grover. Your scribe had the pleasure of receiving an invitation to witness the marriage of Miss Emma B. Hayden to Prof. Wm. H. Dobyns on last Sunday, Dec. 24th. The bride is the daughter of J. M. Hayden of Viola in this county, and is a highly accomplished young lady. Prof. Dobyns is principal of the Woodlawn school at Portland, and is filling that position for the second time. He was brought up in this immediate vicinity and received his education at the state normal school at Month from which he graduated a few years ago. He is a bright and promising young man. The friends of this locality join with friends of Viola in wishing the young couple all the pleasures this life affords to the most favored people. They started on their wedding day to the Sound and British Columbia, to be gone one week. They will be at home after January 15, '94, in the Albina district of Portland.

Dr. Casto is improving in health every day and will soon be well again. It takes something more powerful than any grip to down the doctor, and you may just as well tell 'em so.

An alliance was instituted in Union hall near the Phelps school house on Saturday, December 23d, with twenty-one charter members.

There was quite an enjoyable time last Saturday night at the residence of Judge Briggs where the young folks assembled and spent the evening in games and dancing.

Mrs. E. Hutchinson has been on the sick list for the last few days with some disease akin to the grip.

The families of Thos. Blanchard and Geo. Randall spent Christmas with the family of H. S. C. Phelps.

Mr. Stauber circulated a petition last week the purport of which was to let him out of the Brown school district and annex him to the New Era school. But we believe a remonstrance circulated by C. H. Foster had much the largest list of names.

Sandy Sayings.

SANDY, Dec. 25.—Christmas is about over and the New Year will be on hand next. The old year has been one of hard and dull times generally, but Sandy has had a steady boom all the year through. In the next week's ENTERPRISE we will show the improvements of Sandy for the year 1893.

Christmas eve passed off quietly here. The people of Sandy Ridge had a Christmas tree at the school house, and all kinds of entertainment, such as singing and instrumental music, recitations, dialogues and various other amusements. Everybody was well satisfied with the good time.

Some of our good marksmen were well supplied with turkeys for Christmas. A shooting match was had in our city and quite a number of turkeys were disposed of in that way.

Rev. Fruths of Damascus will hold church services at R. Haentline's residence the last Friday of each month till the new Presbyterian church is finished. The new church will be quite an improvement to this place.

Little Willie Peeter, while on a hay stack, fell down and cut quite a gash in his leg.

Mr. Tiberson had something like \$180 stolen from him about a month ago. He had the habit of burying his money near a stump by his cabin, and occasionally went either to take out or put in money. The last time he went to take some out he found it was gone. There is no clue to the thief.

The house of C. Ware, of Currinsville, which was occupied by Miss Fernley, was broken into and articles of value taken while Miss Fernley was teaching school. Miss Fernley went to Justice Bruns and obtained a search warrant for the search of Mrs. Ada Childer's house. Constable Chase went up and found all the stolen articles, and brought them and the prisoner before Justice Bruns, where she plead guilty of the crime. Whereupon she was taken to Oregon City to await the action of the circuit court.

ORVILLE ITEMS.

ORVILLE, Dec. 25.—At present the roads are very bad and need work very much in the way of ditching.

Willard Stanton's horse became frightened one day last week while he was rearranging the saddle and ran some distance before being captured. Fortunately no damage was done.

Mr. and Mrs. R. G. Lacey, of Silverton, are spending the holidays with friends and relatives in this neighborhood.

The Christmas tree planted in the Elliott Prairie church was well loaded with presents. The attendance was good. The program was excellent and the pieces suitable for the occasion. They were rendered in a manner that did honor to those taking a part in the exercises.

Hon. T. B. Killen is much talked of as being the coming candidate for county commissioner, and if he should receive the nomination he is sure of election. He is greatly esteemed here both as a neighbor and citizen. To make a long story short he would be the right man in the right place when elected county commissioner of Clackamas county.

Canby.

CANBY, Dec. 20.—Ed. Kammer has rented the place recently occupied by J. Zeek on which he will hereafter engage in the hop raising business.

Mr. Worms is building an addition to his residence which will add greatly to its good appearance.

Henry Knight has commenced work on his new hop house which he intends to have finished by spring.

Mr. Rigous has the addition to his resi-

dence nearly finished. When completed it will make an improved appearance to things about his place.

L. Hutchinson has been packing apples the past two weeks for the Portland market.

The meeting of the literary society at Evans's hall Friday evening was well attended. The subject debated was, Resolved, That iron is of more benefit than wood for the use of mankind. It was decided in favor of the negative.

There was a debate at the Canby school last Friday afternoon on the same question that was debated at the literary club. The pupils show quite an improvement since the debating was organized under the direction of Prof. Draper.

William Gribble, who has been in Eastern Oregon the past three months on his claim, returned to his home in Canby Monday evening.

Miss Rose Whitney, who has been employed in Salem, came down from that place Sunday to spend Christmas with her mother.

Frank and Cy. Jones, of Marquams, were the guests Monday of H. A. Lee and family.

M. E. Bain, editor of the Three Sisters at Barlow, was in Canby last Friday.

Chas. Moehnke and family are moving from Tualatin to Molalla. They came as far as F. M. Moehnke's where they stopped

Mr. J. P. Blaize, an extensive real estate dealer in Des Moines, Iowa, narrowly escaped one of the severest attacks of pneumonia while in the northern part of the state during a recent blizzard, says the Saturday Review. Mr. Blaize had occasion to drive several miles during the storm and was so thoroughly chilled that he was unable to get warm, and inside of an hour after his return he was threatened with a severe case of pneumonia or lung fever. Mr. Blaize sent to the nearest drug store and got a bottle of Chamberlain's Cough Remedy, of which he had often heard, and took a number of large doses. He says the effect was wonderful and in a short time he was breathing quite easily. He kept on taking the medicine and the next day was able to come to Des Moines. Mr. Blaize regards his cure as simply wonderful. For sale by Geo. A. Harding.
