COUNTY POLITICS.

REPUBLICAN CENTRAL COMMITTEE FIXES TIME OF CONVENTION.

Town Full of Enthusiastic Republicans Anxious to Work for Better Times.

The meeting of the republican county central committee on Saturday was largely attended nearly all precincts in the county being represented either by the committeeman or by some one from the precinct with a proxy. As it was evident that there was to be a large attendance the place of meeting was changed to the K. of P. hall which was well filled at the hour of meeting.

Before adjourning for the noon hour a committee consisting of R. Scott, V. L. Mack and T. F. Ryan was appointed to report a basis of representation.

The report of the committee just mentioned was the first order of business after dinner and as the committee could not agree two reports were brought in based upon the presidential and congressional vote respectively.

Mr. Scott favored the congressional vote as a basis and Mr. Ryan and Mr. Mack reported in favor of the presidential vote which would give the convention four more delegates than the basis proposed by Mr. Scott.

Upon the vote being taken the committee decided almost unanimously upon the congressional vote as presented by Mr. Scott as the basis of representation. It was decided to allow each precinct one delegate at large and one delegate for each twenty votes or major fraction thereof for Binger Hermann for congress in 1892.

This will make the representation in the convention as indicated in the following table showing the vote cast in each precinct and the number of delegates to which each is entitled.

Table with columns: Precinct, Vote, and No. of Delegates. Lists precincts like Abernethy, Barlows, Beaver Creek, etc.

hoods more earnest republicans than when they came to town and they will carry back the news that all parts of the county and state are fully alive to the importance and necessity of organizing for a vigorous whole hearted campaign.

SOME POLITICAL NOTES.

C. O. T. Williams who at one time represented this county in the state senate desires to say that he is not a candidate for state senator and does not wish his name used in that connection.

M. L. Moore of Mt Pleasant is being very favorably mentioned in connection with the office of county treasurer. Mr. Moore joined the republican ranks in 1866 and worked for the election of Fremont. He was personally acquainted with Abraham Lincoln whom he helped to elect in 1860.

D. Zimmerman of Needy was in the city on Monday and when spoken to as a possible candidate for the legislature he said that his neighbors had wished him to be and that he had consented to the use of his name.

A. B. Marquam whose name has been mentioned for representative says that he is not a candidate for that office but that he is willing to make the race for sheriff.

The people of the Eagle Creek country are speaking of J. W. Palmateer and John Schmidt as suitable candidates for county commissioner. The former made an efficient officer several years ago and the latter is a man who stands high among his neighbors.

Frank Kruse was in the city on Saturday and said in speaking of his father, the Hon. John Kruse that he was not a candidate for representative but that he would take the commission if desired by the republicans of the county.

Mr. S. W. Hardesty of Needy in speaking of the use of his name in connection with the office of state senator says that he is not a candidate in the usual acceptance of the term, but should the party demand his nomination he would consent to take a place on the ticket. He thinks that the office should seek the man.

J. B. Dimick who was in the city on Saturday is a candidate for joint senator. As he has served one term in the senate from Marion county and is well known throughout much of Clackamas county his candidacy would probably suit this side of the line.

In mentioning the prospective candidates last week the name of Assessor J. C. Bradley was unintentionally omitted from the list. As Mr. Bradley has made a good officer there seems to be a unanimous sentiment in favor of re-election.

It has been reported that W. W. H. Sarason had gone over to the populists and the publication of his name as a subscriber to the stock of the populist paper has been cited as proof of the fact, but when republicans were enrolling as members of the club he walked up and subscribed his name among the first.

Mr. Samson is mentioned as a possible candidate for sheriff.

Stereopticon Entertainment. A stereopticon entertainment will be given at Shively's hall on Tuesday and Wednesday evenings of next week by Mr. J. W. Fairbanks of Seattle, under the auspices of the Chautauqua circle of this city, for the purpose of paying the amount due on the siccoc organ.

He has a powerful calcium light instrument, throwing an image on a screen 24x24 feet. Tuesday evening Mr. Fairbanks will produce "An Evening in the Magic City," illustrating all the most wonderful scenes at the world's fair. Wednesday evening, Lew Wallace's famous book, "Ben-Hur, A Tale of Christ," consisting of seventy views, will be produced. This will be a treat rarely given in Oregon City and should be largely attended. Mr. Fairbanks has had large audiences wherever he has been. The proceeds go to a worthy cause which should not be overlooked. Tickets will be sold for both evenings by school children. Admission 25 cents, children 10 cents.

Almanac of Almanacs.

Among the annual Almanacs which are put into print at this season of the year, The New York Tribune Almanac must be rated as easily the first. The New York Sun (Dem.) praises it as an exceedingly valuable and accurate both of reference, and, on the other hand, calls its principal rival a "book of popular misinformation."

GOOD ADVICE.

Every patriotic citizen should give his personal effort and influence to increase the circulation of his home paper which teaches the American policy of Protection. It is his duty to aid in this respect in every way possible. After the home paper is taken care of, why not subscribe for the AMERICAN ECONOMIST, published by the American Protective Tariff League? One of its correspondents says: "No true American can get along without it. I consider it the greatest and truest political teacher in the United States."

Friend of Woman.

The very remarkable and certain relief given womankind by "Moore's Revealed Remedy" has won for it the name of Woman's Friend. It is uniformly successful in relieving their delicate ailments. Stands peerless as the natural remedy peculiarly adapted to the wants of womankind. WHAT ONE LADY SAYS: SEATTLE, JAG. 30, 1891. "I want you to publish my testimonial for Moore's Revealed Remedy, for it has been a grand thing for me, for it has cured me of headaches, from which I have suffered whenever I became chilled, for the last fifteen years; I have suffered perfect torture for twenty-four hours at a time, sometimes reaching for three hours without any rest and unable to get help from any of the numberless remedies tried. Now I am free from this suffering, for at the first symptom of one of these attacks I take a good dose of "Moore's Revealed," and that is the end of it. It has also cured me of constipation. My husband says it has saved his life, and he would not be without it. We are both so happy over it we cannot say enough in its favor, and advise all our friends to use it."
