Wedding Bells are Ringing—Literary Meeting and Election of Officers at Redland.

REDLAND, Feb. 14.—We are certainly enjoying a great variety of weather within a few days—mild and balmy one day, snow to the depth of three or four inches by the following morning, which in turn rapidly melted away before night fall, and now we are having a clear, cold spell. Each one has had a chance to enjoy his or her preference in weather during the week.

Farmers are busy preparing for the spring rush of work.

The unusual number of weddings in our neighborhood lately and the generous treatment received by the serenading boys has given them a desire to see the marriage epidemic spread, and they are wistfully and expectantly watching certain young couples who are suspected of being the next matrimonial candidates. The last to treat the musical youths were Mr. and Mrs. B. E. Courtright, who invited the boys to partake of delicious refreshments. The pie-loving boys declare they had all the pie they could eat for once.

Mr. and Mrs. Dillar have gone to Portland for a stay of several weeks.

Mr. and Mrs. Tomlinson of Portland are visiting Mr. and Mrs. Alfred Sprague.

John Hattoon is busy making improvements on his farm. He has built a half mile of new fence and a hundred rods of underdrain.

James Fullam is building a new barn.

Boylan & Campbell's hall is rapidly nearing completion.

Frank Stone, after visiting a month or so with relatives here, has returned to his employment of railroad bridge building.

There is talk of organizing a Sunday school at the Strickland school house.

A petition is being circulated for the establishment of a new post office about two miles from Redland postoffice on the road leading to the fish hatchery, Mr. Malloy to be postmaster.

Mr. and Mrs. E. Sprague gave a pleasant party at their residence last Friday evening.

The literary society had a well attended meeting last Saturday with an entertaining program. A number of visitors were present, among whom we were pleased to note Grandma's Sprague and Berky, it being their first attendance at the society. An unusual number of well sung songs made a pleasing feature of the meeting. Little Ella Dempster's song, "Our Baby" (acted out with Dolly in arms) deserves special mention for being so well and sweetly sung by a tiny girl. Several amusing dialogues created great merriment, while the recitations were excellent. Claude Stone's splendid delivery of "Custer's last Charge" deserving special commendation. Those receiving credit marks were, Claude Stone, Edgar Dempster, Evelyn and Ella Dempster, Maude Stone, Olive Mosher, Irene and Mabel Johnson, Lewis and Oris Boylan, Ezra and Hiram Johnson, Frank and Tim Linn, Dan Mosher, Willie Stone, Lizzie Armstrong, Ida Young, Etta Conner and Hattie Wilcox.

The next question to be discussed is, Resolved, That public speakers have more influence in moulding public opinion than have public writers—G. C. Campbell and G. C. Armstrong affirmative and negative leaders.

The election of officers resulted in the unanimous re-election of W. M. Stone as president, Frank Linn was elected vice president, G. C. Armstrong secretary, D. C. Richardson assistant secretary, Mattie Dempster treasurer, and Mrs. Wm. Johnson editor of the Redland Star, with Misses Dempster and Armstrong as assistants and Misses Linn and Young as reporters. W. H. Dempster was appointed sergeant-at-arms.

BORING BREEZES.

An Accident in Deep Creek—The Good Times A-coming—Local Gossip.

BORING, Feb. 11.—Since I last wrote from this place there has been very high water out this way and two men undertook to ford Deep creek with a horse and wagon and both men and horse came very near drowning. It is not very likely they will venture in that stream again when the waters are as high as they were then.

Last Sunday at the M. E. chapel, Mr. Wood addressed the children. A beautiful program was well rendered by the children and everybody was well pleased.

Rev. Wood and wife spent part of this past week visiting in this vicinity.

The democrats on this way think when congress and the senate adjourn they will have good times and anticipate that every thing will be on the free list, then good times will begin and they expect to spend their money which they have hoarded up. The populists expect silver mines to be plentiful then all over the county.

It seems good to see the sun shine once in a while. Farmers can do but little as yet toward getting their spring crop in.

Mr. White, of Damascus, has been very low with the grip, and is not out of danger yet.

Advent quarterly meeting held at the chapel Friday, Saturday and Sunday.

Mr. Vetsch is still improving, straightening his fences and putting them on the lines.

J. H. Sutton is improving his ranch and expects to put out an orchard in the spring. He has over an acre of land cleared ready for the plow. Look out girls when Sutton gets his improvements made of course he will want a housekeeper. Ask 'im.

OSWEGO ORGANIZES.

Rousing Meeting of Republicans—They Organize the Banner Club of the County.

OSWEGO, Feb. 9.—On last evening, February 8, a large and enthusiastic meeting of republican voters was held in Prosser's hall pursuant to call of county committeeman G. W. Prosser, who was made temporary chairman, and Robt. L. Pollock temporary secretary. After the meeting was called to order the Oswego Cornet Band played "The Red, White and Blue." The temporary chairman then in a few well chosen remarks stated the object of the meeting to be to organize a republican club in this precinct. The name Oswego Republican Club was suggested and adopted. A permanent organization was then effected. F. L. Mintie was elected permanent chairman and J. C. Haines permanent secretary.

Sixty-one names were enrolled for a starter. Mr. A. F. Wheeler conducted the permanent officers to their stations. Upon taking the chair Mr. Mintie, after thanking the members of the club for the honor conferred upon him, proceeded to deliver a speech that was full of good republican doctrine. He pointed to the cold furnace here as a result of the labors of the tariff takers at Washington City, and closed by saying that he firmly believed that Oswego would be the banner republican precinct in Clackamas county next June. Mr. Mintie was frequently applauded during the delivery of his speech. Short speeches were made by D. B. Rees, A. F. Wheeler and J. W. Thonias.

A committee on finance, consisting of D. B. Rees, R. L. Pollock and Wm. Dyer, was appointed by the chair. The chair also appointed a committee of three to canvass the precinct and solicit republicans to join the club, as follows: W. H. Welsh, G. W. Prosser and Isaac Austin.

The regular meetings of the club will be held on the first and third Saturday evenings of each month in Prosser's hall.

A vote of thanks was given the Oswego cornet band for the music they furnished. Three cheers were then given for the Grand Old Party and for the republican club of Oswego, and then the meeting stood adjourned.

Thus it will be seen that we have started out in full blast. It is hard to find a democrat in Oswego, and I think by election time the few that are left will have been converted, and that Oswego will roll up a solid vote for the party of protection—the party that protects the laborer as well as the capitalist—the party of right—the Grand Old Republican party.

J. C. HAINES, Sec'y.

Viola Voices.

VIOLA, Feb. 11.—It has been some time since we have had any correspondence from Viola. To let you know that the people are still living here this is written, although the roads are in such a condition that they could not get out of here if they wanted to. I for one sincerely hope that those who took such an interest and helped do so much toward our plank road last summer, will do their best toward completing the road to the top of the hill before another winter, and I think there will be no difficulty if the people on the hill will put in the time they all subscribed.

We had an entertainment at the church on the evening of February first. The program consisted of instrumental and vocal music, readings, recitations, and a marching song by the children which was much enjoyed by all. When the program was half over a splendid supper was spread with hot tea and coffee, to which all did ample justice. The program was then proceeded with accompanied with remarks by Rev. Mr. Sylvanus and our superintendent, Mr.

Hamilton, inviting all to come out to Sunday school.

Our new school house looks very nice and the children are anxiously waiting for the new bell to be put in place when it will call them to come, come!

Grandpa Parker still continues very sick. Claud Baty is still in poor health.

Stoy Ware has returned from a trip to Eastern Oregon and Washington and states that times are very hard there.

It is snowing here today, but it melts about as fast as it falls. The nice weather of last week made the farmers feel like going to work putting in their spring crops, but now they are as blue as ever.

The people of this vicinity met yesterday at the graveyard, tending the dead trees and slashing brush which was much needed as must all die and have a place to lay out bodies at. H. T.

SAN FRANCISCO, Feb. 13.—Ex-President Harrison writes that he will not preside at the political and economic congress to be held in conjunction with the mid-winter fair. Neither will he address the congress on the tariff question. In explanation of his return he says that outside of his engagement to lecture at Leland Stanford, jr., university he will not appear in public at any time during his visit to California.

A Little Deceiver.

It cannot be called a little fraud, as it is of too great value and is not to blame for being misused.

Vick's New Branching Aster when cut resembles the chrysanthemum so closely that only experts can tell the difference and as it comes into flowering six weeks before the "mums," and at a time when flowers are scarce, it is a great temptation to the florist to sell these Asters for "mums." The Branching Aster can be easily grown out doors, and the seeds cost only 25 cents per packet, so that every person who has a foot of ground can enjoy a grand treat for almost nothing.

If you want honest goods send 10 cents to James Vick's sones, Rochester, N. Y. for Floral Guide, it costs nothing, as the 10 cents may be deducted from the first order.
