The suit of certain of the creditors of H. L. Schiller against him and the Barlow-Will company, which at the outset claimed to have a mortgage against Schiller for \$2,500, was tried before Judge McBride on Friday last with able counsel on both sides. The claim of the plaintiff set forth that there was claimed under the mortgage, items which ought not to have been included and the fight was to throw these out and if possible break the mortgage. The decision of the court rendered Saturday was favorable to the plaintiffs to the extent that all of the mortgage was disallowed except items to the amount of about \$700. In taking up the costs the plaintiffs were required to pay one third and the defendants two thirds.

BOARD OF TRADE MEETING.

Standing Committees for the Year—Mid Winter Fair Report.

There was a fair attendance at the regular monthly meeting of the board of trade on Monday evening. The meeting was called to order by President Brownell and in the absence of the secretary E. M. Rands was appointed to act. The resignations of M. A. Stratton and F. E. Palmer as members of the board were accepted as they have both moved away. Frank Redner was elected a member.

The committee of the board appointed by the president during the intermission between meetings reported that they had met and entertained members of the Chicago press club who had seemed much pleased with the place and their reception. The bill incurred in entertaining them was ordered paid.

T. L. Charman reported that it had been estimated that the running expenses of the board for the coming year including the publishing of the pamphlet upon which the committee is now at work can be managed with a reduction of the dues to fifty cents per month and a resolution looking to such action was introduced and laid over till the next meeting.

A communication from John Burke of Portland relative to the improvement of the Willamette river at the Clackamas rapids and recommending that the attention of the secretary of war be called to the importance of the matter was referred to the committee on navigation.

Sellwood's Republican Club.

A large and enthusiastic meeting of the republican voters of Sellwood was held at Campbell's hall on Tuesday evening. Robert T. Platt, of Portland, delivered an address upon the issues of the approaching campaign. At the close of the address a permanent organization was formed to be known as the McKinley Club of Sellwood, and the following permanent officers were elected: President, B. F. Smith; vice-president, J. M. Merchant; second vice-president, A. J. Goodwin; Secretary, F. C. Young; assistant secretary, A. McKinley; treasurer, W. A. Campbell. Upwards of thirty-five names were signed to the roll and it is confidently expected that this number will be increased to 100 within a short time. The club contemplates weekly meetings until the close of the campaign.

Stereoptican Entertainment.

Our Chautauquains with considerable courage for these hard times gave a two-night entertainment on Tuesday and Wednesday of this week. Tuesday evening the exhibitors arrived only an hour or two before the hour of opening and the cold plates of the World's Fair quickly gathered moisture in the warm hall somewhat blurring the effect of the scenes, though some were clear and distinct. Wednesday evening the plates were in perfect condition and a large audience listened with rapt attention to the wonderful story of Ben Hur illustrated in vivid scenes on the life-like canvas. Seldom has the massive architecture of Rome and the Orient been more grandly portrayed, while the sea-fight and the chariot race were thrillingly real.

To Republicans.

The regular biennial meeting of the Young Men's Republican Club of Oregon City will be held at Pope's hall on Wednesday evening February 21. An election of officers will be held and such other business transacted as may come before the club. A full attendance is asked of all members and of those who believe in the principles of the republican party and are working for the restoration of business and the prosperity of the country as was enjoyed before the late "change." CHAS. ALBRIGHT, President.

OBITUARY.

DIED—In this city February 9, 1894, Mrs. Vina Mary, Wife of H. M. Foote aged thirty-two years, eight months, and seventeen days.

Vina Mary (Irons) Foote was born in Lyons, Clinton county, Ia., May 23, 1861. She was united in marriage with H. M. Foote, October 11, 1881, at Rockford, Ill. She leaves a husband, four children and one sister, Mrs. Belshaw, in Oregon City, and an aged father and mother in Rockford, Ill., and one brother in Kingsley, Ia.

With her husband and family she came to Oregon in 1888, residing in the southern part of the state for two years from thence to Oregon City four years since. She was converted to Christ at the age of thirteen and was received into the State street Baptist church of Rockford, Ill., and baptized by Dr. E. K. Chancellor, who was born in Oregon City. Thus for nearly twenty years she had lived a christian life. For four years of this time she had been a member of the First Baptist church of this city. The funeral services conducted by Pastor Gilman Parker, were held Sunday afternoon at two o'clock, at her late residence on Adams street in the presence of many friends. Thus has passed away a potent, quiet, noble woman and a consistent christian.

How sad to our hearts are some scenes of our childhood, As our recollections present them to view;

The use of the switch that was brought from the wildwood, And various punishments most of us knew. But the saddest of all is the thought of the pill box, That mother brought out when she thought we were ill, O! the gripping, the aching, the twisting and torment Wrapped up in the horrible old-fashioned pill. But that's all done away with. To regulate the stomach, liver and bowels, Dr. Pierce's Pellets excel. You'll experience no pain, no discomfort, no bad results. Children take them as readily as peppermint drops.

ROBBERY AT BUTTEVILLE.

Two Youths Break into a Store and Rob a Safe.

Butteville was considerably excited last Saturday evening and Sunday over the intelligence that the store of Vandeleur & Bents had been entered and the safe robbed of its contents. Mr. Vandeleur went to supper soon after five o'clock that evening locking the store but leaving the safe open. Upon his return after supper he was surprised to find that the door to the store had been pried open with an ax and that the safe had been rifled of its contents. Constable J. B. Giesy of Aurora was notified of the crime and went over to Butteville on Monday morning. Suspicion had been fixed upon two boys, Ed. Saunders aged 14 and Fred Jennings aged 16, so when the constable arrived he secured Saunders and wormed a confession out of him, then went after the other lad and secured his confession. The boys then told that they had obtained from the safe \$145 in money which they had divided between them and a check for \$100 and a county warrant for \$5, both of which they had burned. One of the boys had hid his share of the money under his pillow and the other had buried his. This much of the stolen property was recovered after which the boys were taken to Aurora where they were tried and convicted before Judge W. S. Hurst and bound over under \$500 bonds each to appear before the grand jury. As they could not procure bonds they were taken to the county jail in Salem. The cause of the boys' downfall is said to be attributable to the reading of cheap literature.

When Holman's furniture store caught fire two years ago Captain John Kelly discovered the fire and had it put out before any great harm was done. When the faucet on the upper floor was left open by mistake on Monday evening of this week, on account of there being no pressure from the pumps, and the fire alarm necessitated the putting on of pressure, causing a stream of water to run through the lower floor and into the basement making a noise like a mill-race so that passers by on the sidewalk could plainly hear it, the present night-watch either was not about to discover something was wrong, or if he heard the noise did not heed. As the water was running most of the night there is no excuse for its not being attended to. An officer is required, who knowing his duties will attend to them constantly with both eyes and ears on the alert.

Slander Corrected.

Mr. David Penman, jr., was in the city on Tuesday for the purpose of correcting certain malicious rumors which have been circulated in his neighborhood concerning himself and brothers. These reports connect his name as the instigator of trouble in the neighborhood which culminated in a row at the spelling school at Leland school house last Friday night. Mr. Penman denies these allegations as false and says that he knew nothing of the trouble at the school house till after it had attracted general attention, when in spite of his efforts to stop it the parties persisted in continuing the disturbance. The story that himself and brothers were intoxicated and making a disturbance in the community till near morning he proved utterly false. Mr. Penman desires to warn these parties that it will be well for them to discontinue such malicious and mischievous attacks in the future.
