ALL REPUBLICANS.

Elections in Eastern Cities Show Big Republican Gains.

COLD DAY FOR DEMOCRATS.

The Amended Wilson Bill is Now Before the Senate—Roll Call for Five Hours.

Yesterday municipal elections were held in a number of states, with results generally largely in favor of the republicans. In Ohio and Connecticut, where national issues were prominent, the republicans made enormous gains, carrying towns that had gone democratic for years. Michigan shows almost universal republican success.

CINCINNATI, April 2.—Unofficial reports indicate the republicans have carried most of the Ohio municipal elections. In Cincinnati they are conceded victorious over a fusion of citizens tickets and democrats.

CLEVELAND, April 2.—Official returns from about half the city show the republicans have won by pluralities ranging from 3,000 to 5,000. In the last presidential election the city went democratic by about 4,000, and last spring the democratic candidate for mayor had nearly 1,500 plurality.

MASSFIELD, O., April 2.—The republicans won a notable victory here today, electing their entire ticket for the first time in the history of the city.

TOLEDO, April 2.—The entire city republican ticket was elected today.

ST. PAUL, April 2.—At Yankton, S. D., the straight republican ticket was elected. At Wahpeton, N. D., for the first time in many years, the republicans carried the city.

GRAND RAPIDS, Mich., April 2.—The city election here resulted in an overwhelming victory for the republicans.

HARTFORD, Conn., April 2.—The city election today resulted in a republican sweep of such proportions as Hartford has not seen for many years. The entire republican ticket is elected with one exception.

CINCINNATI, April 2.—The count from the election in the 126 Cincinnati precincts was completed at 1 o'clock tonight. Five tickets were in the field. Republican candidate for mayor received a plurality of 5,752. There were 299 votes cast for the people's party candidate. Every republican is elected.

DES MOINES, Iowa, April 2.—The republicans elected their city ticket by majorities from 100 to 1,000.

DENVER, April 3.—This was ladies' day at the town elections throughout the state, and flowers and smiles abounded. Pretty young women could be seen pinning violets or carnations on the coat lapels of big bearded men with winning smiles that said, "You will vote my ticket, won't you?" At the polls in Highlands, a Denver suburb, the women told the men plainly what they thought of taxation principles, and cast 50 per cent of the vote. Most of the candidates on the republican ticket, including Carrie G. West, as city clerk of Highlands, were elected. At Greeley, Globeville, Fletcher, Elyria, Barnum, Harman, other Denver suburbs, the women were active and their presence prevented disorderly scenes at the polls. Of 527 votes cast at Sterling, 181 were by women. At Georgetown the women did not turn out as expected. A big vote was polled at Leadville, where the women have been for some time studying the Australian ballot system. At Pueblo the entire republican city ticket has apparently been elected by a large majority.

TACOMA, April 3.—The republicans carried the city election here today, electing the republican city ticket by pluralities ranging from 141 to 600, the latter plurality being given the city physician. For mayor, Edward S. Orr gets a plurality of 634. The new council will stand: Republicans, 8; populists, 6; democrats, 2. The democrats did not elect a single candidate today, the democratic councilmen being holdovers. The populists polled more votes than the democrats.

SPRINGFIELD, Ill., April 3.—The republicans carried every ward in the city for aldermen, and elected their entire township ticket by from 700 to 1300, also 13 supervisors. At Havana the republicans elected their entire ticket for the first time in the history of the township. At Quincy the republicans elect the mayor and three of six aldermen.

ST. PAUL, April 3.—There were more municipal elections in Minnesota and South Dakota today. The results were mixed. License or no license was the chief factor. At Waterville, Minn., the republicans put a straight ticket in the field, and the democrats and populists fused and elected their ticket by a large majority. Republicans elected the mayor at Fairbault and carried all the offices but one alderman.

BROOKLYN, April 3.—In today's town elections in Kings, Queens and Suffolk counties, the republicans were, as a rule, successful in the election of supervisors and justices of the peace. The count at Gravesend had not been completed at midnight, but it was evident the McKane faction had been badly routed by the citizens' league movement, which elected the entire ticket.

MILWAUKEE, April 3.—Ninety-six out of the 123 precincts in Milwaukee gives Koch, republican, for mayor, 18,422; Feby, democrat, 14,013, and Ulrich, populist, 2095; plurality for Koch, 4339. Eau Claire, Appleton, Caraboo, Wahpeton, Neenah, Black River Falls, Columbus and other cities in the state where there were elections, elected republican mayors.

LITTLE ROCK, April 3.—Municipal elections were held in all the towns of the state today. In but few cases were political lines drawn, most of the tickets elected being denominated citizens' ticket, but where the lines were drawn the democrats triumphed.

ALBUQUERQUE, April 3.—The hottest city election ever held here resulted in the election of the whole republican ticket. Mismanagement of city affairs for two years by the democrat caused their defeat.

PARKERSBURG, W. Va., April 3.—The city election today resulted in the election of five republicans and one democrat for the city council.

In the Senate and House.

WASHINGTON, April 2.—The principal interest in the senate today was centered in the speech of Senator Voorhees, chairman of the committee on finance, who thus launched the tariff question upon the sea of senatorial debate. While his speech was read from manuscript, it was delivered with all the fiery energy which characterizes his usual extempore efforts. For five hours today roll call followed roll call in endless attempt to bring the republican filibuster against the O'Neil-Joy contested election case, to a close, but the democrats were unable to muster a quorum and the fight was finally abandoned for the day. Mr. Patterson of Tennessee, who has charge of the case, said: "This case will be kept before the house until it is disposed of, if it takes all summer. It might as well be understood now as ever. Those who have any idea that it will be abandoned will find they are mistaken." Just before the house adjourned Mr. Patterson gave notice that tomorrow he would ask the house to sit in continuous session until the case was decided. Today 170 was the high-water mark touched by democrats on any roll call. This was nine short of a quorum. About ten democrats are voting on every roll call against O'Neil, and three from his own state.

Want a New Party.

WASHINGTON, March 31.—The president's veto of the Bland bill has just resulted in a proposition for a national convention for the West and South, to form a new political party, based on the demand for the free coinage of silver. The proposition comes from certain radical democratic congressmen, who believe the time has arrived when the party's salvation in the West and South demands it should repudiate once and forever Eastern domination on financial policies. The Western and Southern democrats, who are at the head of this movement, declare the veto of the Bland bill shows that the administration has set its face toward the single gold standard.

CAROLINA RIOTS.

Attack on the Governor's Liquor Spies.

TROOPS REFUSE TO ACT.

Armed Poses Chasing the Constabulary—Governor Tillman Suppressing the News.

COLUMBIA, S. C. March 31.—South Carolina is in a state of rebellion. Fortunately the day passed without any further bloodshed, but the situation is considered by cooler heads, as being very grave. Governor Tillman is very much worried and has telegraphed orders to nearly every military company in the state to proceed here at once, the intention being to mass all troops possible together to go to Darlington.

Already several companies have arrived, but if the action of these companies is a safeguard, the governor is depending on a hope forlorn. A company from Newbury has already disbanded and troops from the governor's own county say they have merely come in obedience to the military orders to be the scene and that they will refuse to go to Darlington. All day the governor has been telegraphing orders to military organizations in various parts of the state to go to Darlington but met with many absolute refusals on the part of troops and other companies.

DARLINGTON, S. C. March 31.—At Florence, Darlington and other places, seven in all, the state dispensaries were either blown up with powder or smashed with clubs and axes by vigilantes. They made ruin of the state dram shops. The floors of Tillman's bar rooms, when they got through with them, were knee-deep in broken glass, and liquor was flowing in streams through the streets.

CHARLESTON, S. C. March 31.—The war in Darlington is not over. Citizens are still hunting the constabulary. The fugitives have been located and a posse has started in pursuit. The adjutant general is here trying without success to get soldiers to go to the scene. The mayor of Darlington has telegraphed for bloodhounds to track the constables. Last night's account stating the first fire came from the constables is confirmed. A few citizens were seated round a depot and a number of spies were collected in a group a short distance off.

The Fourth brigade, ordered out by the governor to protect the whiskey constabulary, has refused to obey.

COLUMBIA, S. C., March 31.—The following account is the situation as summed up by newspaper friends of Governor Tillman. The governor has declared Darlington and Florence counties in a state of insurrection. The report that he had declared martial law over the state, is untrue. He has also ordered railroad authorities not to transport any bodies of men unless authorized by him. The railroads have refused compliance. The governor has also ordered the telegraph companies not to transmit any news of warlike tendency. The Lally rifles, of Orangeburg and a company from Aiken, will reach here tonight. The ten Greenville county companies are under orders awaiting instructions to move. The situation is grave. The city and state dispensaries were closed today by order of the governor and their contents are now being hauled to the penitentiary for safe keeping.

Judge Watts, of the state supreme court, has granted an injunction against the Western Union Telegraph company, Manager Gray, restraining him from accepting messages for transmission on the Darlington trouble unless sent by state authorities who will probably instruct him to receive and send all messages. The governor, it is declared, will take possession of the office if the order of Judge Watts is not complied with.

Four Score Years and One.

BERLIN, March 31.—The eighty-first birthday of Prince Bismark occurs tomorrow and will be celebrated with great enthusiasm and more generally than ever before. The ex-chancellor's reconciliation with Emperor William has given an impetus to the celebration which may be said to have commenced today and will last until Monday. Every train brings letters and gifts to Eriederichone and these come not only from all parts of the empire but from wherever the German language is spoken.
