CLUBS ARE TRUMPS

WHEN ADVERTISING REPUBLICAN PRINCIPLES.

Account of their Doings Throughout Clackamas County—More New Ones.

In order that there may be no conflict of dates or misunderstanding in regard to meetings held by the various republican clubs in the county and those arranged for by the central committee, the fixing of dates for the nominees during the canvass will be left to Henry Meldrum, chairman of the central committee and the local committeemen. Other speakers either local or from Portland and other places in the state for the regular club meetings will be arranged for when desired by Chas. Meserve, president of the Oregon City Young Men's Republican club. It is the intention to secure some of the best speakers in the state to address the voters of Clackamas county as this county must be carried by the largest majority ever given to the republican ticket. Clubs are now organized in nearly all the precincts of the county and the work of completing the organization will be pushed so that the republicans may be in a position to do aggressive work for the success of the party.

ORVILLE, April 2.—The true American citizen of the state of Oregon, county of Clackamas, and in the parts of the precincts of Marquam and Needy, adjoining Elliott Prairie, met at the Elliott Prairie Congregational church on Friday evening, March 30, for the purpose of organizing a republican club. About 150 people were present. T. B. Killen called the house to order, and L. J. Pentue was chosen temporary chairman. Walter Toozee, of Woodburn was then introduced, who for an hour poured indisputable facts into the democratic and populist ranks. Other short addresses were made by Mr. Day, editor of the Woodburn Independent, and Messrs. Elmer and S. W. Hardesty of Needy. A lunch was then spread for the brass band boys of Woodburn who furnished the music. After which the meeting was again called to order and the organization completed as follows: President, L. J. Pentue; Vice President, D. Chapman; Secretary, A. A. Bashor; Treasurer, J. W. Elliott. There were 55 signers to the roll. Several signed who had been democrats until within the last year. We expect to get 70 names on the roll before election day. When the vote for adjournment was taken it was very weak, showing that the people were not tired, although it was five minutes after midnight, and some said all they cared for was to get home by making time in the morning. Our meetings are to be on every Tuesday evening at 7:30 o'clock. Come, one and all, and we will try to enthrone enough republicanism into you to last for at least another thirty years.

Democrats and populists are growing less in numbers in this vicinity, although you will find in almost every community men who will break their oath of allegiance to the United States. The democrats are very much worked up over the organization of the club. Some want to fight, or at least that is the way they talk; but we don't think they will do anything rash at all. If they want to do anything let them form themselves into a club and we will meet them any time in joint discussion on the tariff question.

THE MEADOW BROOK CLUB. To the Editor: The republicans of Milk Creek and Canyon Creek met at the Meadow Brook school house on Thursday night March 27th and organized by electing Charles Holman temporary chairman. On motion John Denison and W. L. Stewart were appointed a committee on constitution and by-laws. After the adoption of the constitution, officers of the club were elected as follows: President, Charles Holman; first vice president, W. E. Bonny; second vice president, Edward Trullinger; secretary, C. T. Howard. The club then adjourned to meet at the call of the president. Forty-five persons signed the roll and became members of the club. There were not less than fifteen solid republicans who failed to attend on account of the stormy night and being busy plowing, but have expressed their intention of joining the club at the first opportunity. There were not less than five that signed the roll who had previously joined the alliance a year or so ago, but when they found that they were being counted as populists they joined the club. There were also some who were firm democrats, one of which got cured of free trade in the sheep business in Montana, where he made a wool venture in time to catch the effect of the anticipated Wilson bill.

Yours for an honest dollar and fair treatment to the hop and wool growers. A TILLER OF THE SOIL.

WILHOIT-SODA SPRINGS CLUB.

At the close of the primary a motion was made to form a republican club in this precinct. After a few remarks made by Gwynn, Marquam and others, a constitution was read and adopted and twenty-seven came forward and signed their names as members of the club. On motion the club was named Wilhoit-Soda Springs republican club. The club then proceeded to the election of officers which consists of president, vice president, secretary and president. J. G. Bleakney was elected president, Henry Thomas vice president, L. A. Bleakney secretary and S. M. Cook treasurer. The president then appointed the following executive committee of five: committee on program and club work, Henry Thomas, W. W. Dickinson and

James Inman; committee on finance, Perry Vorhese, Henry Mazingo and Rhys Gwynn, jr. It was moved and carried that the club adjourn to meet subject to the call of the president.

SOME CLUB NOTES.

A republican club was organized with eighteen members at Macksburg Monday with J. H. Joyner as president, Geo. Scramlin, vice-president, Oren Wright secretary and C. Lorenze treasurer. The name of the club is the Tom Reed Republican club and it meets every two weeks, beginning Thursday April 12th.

The Beaver Creek club is coming to the front in good shape and the members are much encouraged by the results and the outlook. This is the precinct where it was said that there would not be seven republican votes in the precinct, and already the club has a membership of forty and still there are more to follow. Last Wednesday evening they held a rousing meeting with J. U. Campbell and C. H. Dye as speakers.

On Wednesday evening while Mr. and Mrs. Eckstorn were at prayer meeting the Episcopal parsonage was entered and many things of value taken. The thief entered by climbing through an upper window and carefully ransacked the rooms for valuables. Among the things taken was all the silverware including some which was a heirloom in the family, several watches, Mrs. Eckstorn's engagement ring and other jewelry, the total value of which was about \$300. No clue exists as to the identity of the robber. Word has been sent to Portland to try and recover the lost articles and apprehend the thief.
