A Painful Accident, Yet Not Fatal—Politics Raging.

SOCIAL AND PERSONAL NOTES.

Three Rallies For This Week—School Closed With a Pleasant Picnic.

CACONET WITH A HOOK.—Mrs. M. Campbell while out fishing today met with quite a painful accident. She was fishing in the Molalla and through the excitement of pulling out a fine mountain trout, accidentally caught the hook in her thumb and pierced it to the bone. On arriving at her home a doctor was summoned and the hook was cut out. No fear of blood poisoning is anticipated.

THE ARE NOT SATISFIED.—The people's party are due here again on the 3rd at 7:30 p. m. at Meit's hall. This time they say they will give a rally that is equal to the last republican rally. Arrangements are being made for a big time. Their musical representative, Luskipp, will be along together with the full representatives on the ticket. Extra seating capacity is now being put in the hall to make room for a swell crowd. Their visit will be fruitless.

JOINT RALLY.—On Friday night, June 1st, the republicans and democrats are billed for this place. Music will be furnished by the Oregon City Cornet band. A large crowd is looked for as good speakers are to be present and put forth their best efforts.

HAVE BOUGHT THE LAND.—Jacob Reuck, jr., has sold off ten acres of his land adjoining Barlow and water privilege to a company of San Francisco and New York people who will erect a pulp and paper mill in the near future.

NO INDICATIONS OF LICE.—Hops in this vicinity never looked better. The past few warm days have brought them out and the vines are nearly to the top of the poles.

MILLS HOP YARD.—Dave Will and Samuel Monk's have put in a hop yard. They claim for them the advantage in cultivating and a great labor-saving device. The Mills yard will be universally adopted in this vicinity.

WILL GET HIS PENSION.—The government physician and surgeon called upon T. C. Andrus, Monday, and found him deserving of a pension. Mr. Andrus had a pension for many years, but during Cleveland's administration in the eighties, his pension was taken from him. Mr. Andrus is certainly needing the pension if any one does, as for over a year he has been unable to do any work whatever and has lost his voice unable to speak above a whisper. The doctor will report his case favorably.

MR. AND MRS. W. S. TULL HAVE returned from the state grange held in Eugene. They report a fine time, and express themselves as being much pleased with the good treatment by Eugene people. Oregon City is to have the next state grange. Give them a good send off.

SCHOOL PICNIC.—Miss Bessie Sheppard closed her school last Friday with great honors, and on Monday gave a picnic to the pupils in the oak grove east of town. The day was beautiful and a full attendance of scholars was out in their lawns and marched to the grounds in military style. A good time was had by all.

CANBY CULLINGS.

Rousing Republican Rally—Hop Reports—Neighborhood News.

CANBY, June 23.—The republicans had an enthusiastic meeting here last Saturday in Knight's hall, the house being crowded, with hardly standing room. Geo. Rinearson made a very good speech, Gordon E. Hayes gave us one of the best addresses that the people of Canby have had the pleasure of listening to during this campaign. He showed up the fallacies of Pennoyerism. Canby is all right for a big republican majority.

The road on the township line running east from here is progressing rapidly under the management of V. L. Mack, and in another week or so it will be completed ready for gravel.

There are a number of hop yards on the prairie all doing well. Vines are now nearly all to the top of the poles. The hops on the prairie have never been affected with lice, and there is no indication of any so far this year.

Mr. Mott purchased sixty acres of land of W. A. Hart on the Molalla, about one mile from here, for \$1400 and has moved on to it. Mr. Hart has rented a house of Mr. Campbell and has moved his family into it.

Mrs. Bates' house which she is building on the two lots she purchased of Mr. Mattoon is nearly completed.

H. A. Lee has his new house nearly done.

Eight or ten teams are employed hauling lumber and ties here from Wheeler's and Adkin's mills.

Roscoe Mack, Ed Shull, Chas. Hamp-

ton, Ed Stevens and Sam Cox have purchased bicycles lately.

Mr. Love from Portland gave a lecture on spiritualism to Evan's hall last Sunday, the hall was well filled. Mr. Love is a good talker and was listened to with much interest.

Two toughs living not a thousand miles from here hired a livery rig last Sunday and took a trip to Oregon City to have a good time as they call it. In consequence of the good time the boys will have to pay about \$30 repairs on the buggy with scratches and bruises thrown in.

Elder A. C. McKilver of the First Christian church of Portland, will conduct a series of gospel meetings in the Christian church at Canby commencing Sunday, June 3d, continuing one week at least. Everyone invited.

DAMASCUS DRIVES.

Road Work Progressing—Decoration Day Doings—Moving Saw Mill.

DAMASCUS, May 29.—There was populist speaking here Friday. There were sixteen men and four women present.

There has been some good work done on the roads between Damascus and Rock Creek bridge. Work on the road is progressing between Deep Creek and Hinkle's school house and beyond the school house toward Eagle Creek. There is a force of men and teams working the road between Damascus and Sycamore. If the improvements on the roads are kept up we ought to have some very good roads. Mr. Weise is hauling lumber to build a large banner. J. C. Elliott has commenced hauling lumber to build a barn.

Mr. Fruith had a runaway Saturday smashing up his buggy very badly but not hurting him or his horses. The runaway was caused by a colt getting in front of the horses and kicking at them, causing the horses to become excited and unmanageable.

Decoration Day will be observed at the Damascus cemetery where they will have singing and recitations appropriate to the occasion, after which they will decorate the graves and return home.

Several of the young people of Damascus attended the teachers' association at Eagle Creek last Saturday. They enjoyed the meeting very much. The association meets here June 23. We would like to see all the patrons and friends out in this and the adjoining districts. We expect to have a good time as well as a profitable meeting. These meetings are benefitting the teacher's a great deal, and awakening a lively interest among teachers.

Some saw mill men from near Sycamore are going to move their mill on the creek near Mr. Derry's. We hear it reported that the mill is being set to saw out lumber for the purpose of burying the populists after the 4th of June. The writer will not vouch for the truth of the statement. They have some other purpose for aught we know.

Mr. Buckman has been very ill but is improving much. We hope to see him about soon.

Salmon Spray.

SALMON, May 26.—Mr. Yocum of Mt. Tabor is at Government camp. Will be back down this way soon.

The snow is melting off of the hills very fast and the water is high and muddy in both the Salmon and Sandy rivers.

Otto Myer has moved his family from Sherwood, Washington county, to his claim near here.

Mrs. H. Murphy has come out into the mountains to spend the summer on her daughter's claim.

Laurels are beginning to bloom and in a short time there will be acres of these brilliant flowers, making a sight worth going some distance to see.

Walter, the son of J. T. McIntyre, who was reported ill, has made rapid recovery under the care of Dr. C. B. Smith of Eagle Creek.

Mrs. J. Smith has a badly swollen hand and arm, the result of getting a briar in her hand, from which blood poisoning resulted.

For Good Schools.

To the voters and friends of education in the State of Oregon:

Gentlemen:—The undersigned desire to submit for your consideration the following propositions:

1. The office of superintendent of public instruction is non-political and ought to be removed as far as possible from the arena of partisan politics. It will make very little difference to the schools of the state whether the person elected to this office believes in high protection, incidental protection, tariff for revenue, or free trade; but it will make a vast deal of difference whether he is familiar with schools and school systems, whether he can command the respect and confidence of school teachers and school officers.

2. Prof. D. V. S. Reid, city superintendent of schools of Eugene, is known to us and to teachers generally to be a man exceptionally well qualified for the

position. He has been a teacher of the state for nearly twenty years, and has been uniformly successful. He was superintendent of Linn county for two terms and gave universal satisfaction. His views on educational subjects, so frequently expressed at institutes throughout the state, are known to be of the most progressive order. His election would mean that the improvement made in the schools of the state during the past twelve years is to be maintained, and their efficiency advanced still further.

3. Rev. G. M. Irwin, though he has resided in Oregon about fourteen years, has never, so far as we are aware, been connected with our public school system. We do not know that he has ever participated in any educational gathering, and his views on educational subjects are therefore unknown. His relations to the Chemawa Indian School and the Blue Mountain University were so unfortunate that they leave him with a very unenviable record as a school manager.

A comparison of the qualifications and records of the two candidates proves Mr. Reid to be unquestionably a more suitable person for this office. We shall, therefore, support him, and we earnestly ask you to use your influence to bring about his election. I. W. Pratt, superintendent of Portland schools; Thos. Van Scoy, D. D., dean of Portland University; T. G. Bronson, president of McMinnville college; S. L. Pratt, principal of Corvallis schools; F. G. Young, principal of Portland High school; J. Burnham, principal of Couch school, Portland; W. B. Adams, principal of Grant's Pass schools; T. H. Crawford, principal of Park schools, Portland; T. A. Hayes, superintendent of Ashland schools; R. E. Rounds, principal of Atkinson schools; D. M. Donough, principal of Seaside schools; R. F. Robinson, principal of Central school, East Portland; C. S. Price, superintendent of Jackson county; F. S. Rossiter, principal of Failing school; J. W. Mills, principal of Russellville schools; F. Glafko, jr., principal of Holladay school, Portland; S. A. Wilson, Grant's Pass schools; D. A. Groat, principal of North Central school; W. A. Robo, principal of Portsmouth school; Miles Cantall, principal of North school, Ashland; N. F. Narreagan, principal of Medford schools; M. L. Pratt, principal of Williams' Avenue schools, Portland; C. J. Lockwood, principal of Multnomah schools; D. W. Jarvis, principal of Albina Central school; F. B. Jamison, principal of Anity schools; C. L. Hoover, principal of South Mt. Tabor schools; W. A. Wetzel, principal of Chapman schools, Portland; C. C. Linden, principal of Sheridan schools; J. M. Horton, Jacksonville schools; J. E. Eastman, Sheridan; C. W. Barr, Aurora schools; C. B. Leatherman, principal of Weston schools; P. O. Hawks, Athena Public schools; Louis Barzee, president of Jefferson Institute; W. J. Lackey, principal of Roseburg schools and 480 other teachers and school officers.

Base Ball at Clackamas.

CLACKAMAS, May 27.—A large crowd of people assembled on the ball ground this morning to witness a game of ball between the "Factory Greasers" of Oregon City and the home club. The result of the game was a victory for the home team by the following score:

1 2 3 4 5 6 7 8 9

Factory Greasers—1 2 0 0 1 0 1 2 3—10

Clackamas —0 3 3 0 1 0 1 *—11

* Batteries—Nefzger, Nefzger, Matheson; Robinson, Johnston and Holcomb.

Time of game 1:45; Ed. Rockner, umpire.

In the afternoon the home team played a game with the team of the Oregon City H. & L. Co., which resulted in the defeat of home team by the following score:

1 2 3 4 5 6 7 8 9

O. C. H. & L. Co.—2 2 2 1 0 3 1 2 6—19

Clackamas —3 8 0 1 1 2 3 0—18

* Batteries—Riley, Fennimore, Matheson; Robinson, Holcomb.

Time of game, 2:00; Mr. Hart, umpire.

Purely vegetable—Dr. Pierce's pleasant Pellets. They're a compound of refined and concentrated botanical extracts. These tiny, sugar-coated pellets—the smallest and the easiest to take—absolutely and permanently cure Constipation, Indigestion, Sick and Bilious Attacks, and all derangements of the liver, stomach and bowels.

They cure permanently, because they act naturally. They don't shock and weaken the system, like the huge, old-fashioned pills. And they're more effective. One little pellet for a corrective or a laxative—three for a cathartic.

They're the cheapest pills you can buy for they're guaranteed to give satisfaction, or your money is returned.

You pay only for the good you get.

An occasional bottle of Ayer's Sarsaparilla does more to correct the tendency of the blood to accumulate humors, and keep the organs sound and healthy, than any other treatment we know of. "Prevention is better than cure." Try it this month.
