#### A SLIGHT MINTAKE.

I desire to state that the report which To THE EDITOR: The Industrial Herald of has been and is still being vigorously the 25th has the following: "Senex says in circulated throughout the county that "I last week's ENTREPRING that the Herald L. D. Johnson of Redland called at have withdrawn my name as the demo- claims 9,000,000 farms are mortgaged in the cratic candidate for state senator" is United States." Senex begs leave to say that he said nothing of the kind in connec tion with the Herald, and that print wilfully lies when it says he did. His assertion was that General Weaver said it, and that it had been "repeated lately in popuboth the republican and populists I did list prints." Senex never saw the statement so in these trying times for the good of in the Herald as quoted, or in the new form the party in the preservation of organiza- in which it is now made, and carefully tion in view of the ultimate triumph of avoided saying he had. The Herald admits sound democratic principles. It would that it "said 9,000,000 homes, not 9,000,000 seem however, that some prospects of farms" are under mortgage. It matters my election, or for the purpose of divert. "tot whether it be "farms" or "homes" has prompted this false report and has thirds of the people of the United States thus placed me in a false light as well as are fiving in mortgaged homes. The story in a dishonorable position before the is preposterous; but he the number great or public, and my party and my friends. small no one but the basest kind of a dema-I am a life long democrat from principle, gogue would blame the government, no during the past two weeks as such, state of affairs, or expect the government to

## TEACHERS' COLUMN

All communications, rolls of honor, sent to Mrs. H. S. Gibson, Oregon City.

The Teachers' Association of Clackamas county met in Wilburn's ball at Eagle Creek, May 26, 1894. Owing to unforeseen and unavoidable delays, the Shoes Oregon City delegation did not arrive until noon. A splendid dinner was waiting, and naturally ye pedagogues thought first of appearing hunger.

minutes of the previous meeting, prepared by the secretary, Fannie G. Porter, were read and approved. E. M. Ward, E. Surface, Levi Stipp, Geo. McArthur, Tennie Mayfield, Mary Gutteridge and Souri Mayfield were elected to membership in the association. A discussion on ably well written; her ideas were clearly 40 minutes. expressed and carried weight. She was followed by Miss Hampton, Miss Helen Taylor and Mrs. Stafford. Each one inlistening to.

Miss Jennie Rowen then recited a

Next was number work by Miss Fannie Porter. In teaching primary pupils, Miss porter would illustrate the different numbers by means of small objects. She would illustrate small numbers by different groups of the objects. She insists upon a through familiarity with and would not allow an object to be passed over until the pupils had thoroughly mastered it. Miss Hickenbothen advanced some ideas relative to rapidity in work. Miss Rowen favored Miss Porter's plan of teaching. Mr. McArthur agreed with Miss Porter and Miss Rowen and also uses supplement-Warner also spoke of the difficulty in teaching extremely shy pupils. The discussion on fractions then waxed quite warm. Miss Porter handled her sub-

ject well. Next was a paper on order in school

by Mrs. 11. S. Gibson. Supplementary Reading was introduced by A. C. Strange. Mr. Strange's paper was lengthy, but the interest of the audience never flagged from beginning to end. He recomended the perusal of the best fiction and of classical talers and biographical sketches ofthe prominent people mentioned in history. His work is worthy of the highest praise. Next was a select reading by H. F.

Gibson. We then listened to a recitation by Livy Stipp. Before the close of the association it was decided to hold three meetings in S W McCown to Geo W Owen lots

Miss Hampton then favored the association with a very beautiful song.

A resolution of thanks was tendered Mrs. Lucia Glover, Mrs. Emily Gibson, Mrs. Sampson and others for the kind treatment and deheious dinner the association had received.

The programs for the different meetings will be published when received. SCHOOL REPORTS.

## Friend of Woman.

The very remarkable and certain "elief given womankind by "Moore's Revealed Remedy has won for it the name of Woman's Friend—It is uniformly surcessful in relieving their delicate aliments.

Stands peerless as the natural remedy pecularly adapted to the wants of woman kind.

WHAT ONE LADY SAYS:

"I want you to publish my testimonial for Moone's Revealed Remedy for it has been a grand thing for me, for it has cured me of head sches, from which I have suffered whenever I became chilled, for the last fifteen years; I have suffered perfect torture for twenty-lour hours at a time, sometimes retening for three hours without any rest and mable toget help from any of the numberless remedies tried. Now I am free from this suffering, for at the first symptom of one of these attacks I take a good dose of "Moore's Revealed," and that is the end of it. It has also cured me of constitution. My husband says it has saved his life, and he would not be without it. We are both so happy over it we cannot say enough in its favor, and advise all our friends to use it."
