successful manner. They made a mon-there, ster kite, robbed an orehard, recited pieces and finally participated in a grand march from the stage round the hall, Other features of the entertainment were an operetta entitled, "Grandpa's Birthday," musical selections and the "Bellamy Lancers," in which the parties wore their hair combed over their faces with masks on the back of their heads so that they appeared to be "looking backward " Altogether the entertainment was most successful and reflected much credit not only upon the actors but upon those who had charge of the arrangement.

Mr. and Mrs. R. Hargraves. The program for the Damascus and Mulino Grange hall meetings have not yet been received. We hope to have a large attendance from the Clackamas county teachers at all three of the June meetings. If the teachers all realize the good that is to be derived from regular attendance at educational meetings I think the attendance would be much larger than at present. We do not mean to complain of the attendance as it now exists, for the number has been uniformly large and the interest manifested is truly gratifying. The general improvement in the paper reading is great. Better ideas, better methods, better both from a theoretical and practical stand point, are constantly introduced and advocated.

The purpose of the association is to make better schools by making better teachers. Common sense tells us, that the only way to accomplish the end JOLLY LITTLE BROWNES .- Last Friday desired. Mr. NORMAN LICHTY, Des Moines, Ia. Dear Sir: A Sample of Krause's headache capsules was left in my husband's office a lew days since, and as I was subject to headaches, neuralgie, nervous. and in fact every other kind-he thoughtfully brought the sample box bome. The very next day I had a chance to try them and one capsule relieved me in less than half an hour. Next day I was attacked again, took another capsule with the same delightful result, in less than half an hour my head felt as well as ever, with no bad feelings as the result, I have had these terrible headaches for twenty years, and have tried every remedy that I ever heard of, but nothing I have ever taken has cured or relieved me as quickly as Kruase's Headache Capsules.
