The firm of Burney & Draper, attorneys, has been dissolved.

C. H. Jones, assistant principal of the Eugene schools, is spending a few days in this city visiting friends

The Toledo is now making daily round trips, which are found a great convenlence to the people living up the river,

The Altona took a big excursion down from Salem and Independence last Sunday to view the high water at Portland,

Wedding licenses were issued the past week to Ernia Peterson and Casper Andueser; Christine Meyer and Joseph Wilernaher.

M. A. Stratton was up from Portland on Thursday and was congratulating the boys over the proud position taken by Clackamas in the election. The Ramona is running her regular

trips as high water does not interfere with her travel. By the way, a trip down the river at this time is a novel way to travel

C. P. Merrill, who has been up to Comstock for the past two weeks at the Davis Ambier-Merrill mill, was down the first of the week and returned on Wednesday taking his family with him.

Rev. W. H. McLain, of the United Brethren church, and I. D. Surfus, as a delegate, have gone to Salem to attend the annual conference of that denomination. They will probably be absent over the Sabbath

Eastern mails which were much delayed by the great flood of the Columbia are now mostly all in, except that they are two days behind on account of coming by the Southern Pacific. Mail is also sent East over that line.

J. G. Porter returned from Hepper where he has been for the past month, reaching here on Thursday after a long and perilous trip. He reports the conditions up the Columbia as terrible, and states that the damage will be immense.

The freight car on the East Side Railway quit running on Wednesday as it was impossible to run cars across the Madison street bridge. Passengers have to be transferred at the east end of the bridge where the water is three feet deep.

The boys at the wood camp had s rousing meeting on Friday evening of last week to close the campaign. The camp turned out en-masse to meet the speakers at the end of the electric line and did the honors in great shape. Park Place also had a rousing meeting the same evening.

E. P. Elliott has bought the Dixon wood saw and will at open start in entting wood. This is a No. 1 machine and Earnest will make it less business to do good work. He will be at the utmost pains with all jobs entrusted to him to cut and pile the wood to the entire satisfaction of owners. Price reasonable.

Mrs. Owen R. Owens died at her home at Beaver Creek in this county last Sunday night after a brief illness. She was born in Wales in Jone 1826 and was therefore 68 years of age. The funeral occurred on Wednesday, the interment being at Portland, where a daughter, Mrs. Bowman resides, Rev. Wm. Powell officiating. Mrs. Owen had for many years been a consistent Christian and valued member of the Welch Congregational church near her home. She leaves a husband and one child to mourn her departure.

The highest water ever known here in summer now prevails, the county road and railway track across the flat both being covered. The county road is impassable and the Abernethy road is covered so as to prevent hauling gravel upon the street so that work must now be delayed for a time. The power at the mills and electric light station is also very much impaired. All gardens on the flat will be destroyed, and it is reported that great schools of carp are are feeding upon the truck in the Chinese gardens. Some are being taken with spears and books,

A tramp took an involuntary and novel bath while taking a brake beam ride from Portland on the Southern Pacific on Wednesday's overland. When the train struck the flat below town where the water is over the track it rolled up over him in great shape. He thought that the train was off of the track with him pinned down, but his fright at the contact with the water did not prevent him from yelling most lustily for help as soon as the water was cleared. When the train drew up here he crawled out looking like a drowned rat, more dead than alive.

The official count for Clackamas county is being canvassed by County Clerk Horton assisted by Justices Fouts and Dixon, who began their work Thursday morning. It will not be completed in time to give the official figures this week, but the ENTERPRISE will correct the table which appears in this issue so as to make it correspond with the official figures and run it again of next week. Those who wish to have the vote of the county for reference can cut it out rect week's paper and save it. So far as the canvassing board have inspected the returns they have found very little difference from those given in the table this week. No change to affect the refew votes will be found, as much pains was taken by the ENTERPRISE to get cor-

CLEARED AWAY its use. It is the dest blood remedy on earth-ousands who have used it say so. My blood was tailly governed last year, which got my a grame and or other diseased and a remainstance. "My blend was hadly postoned lad year, which got my whole system out of other-diseased and a remainstation of suffering an appetite, no easy ment of life. Two hottle brought me right out. There is no hetter semely for blood diseases.

JOHN ("AVIN, Dayton, Ohin Treatise on blood and skin diseases mailed free SWIFT SPECIFIC CO., Atlanta, Ga.

BILIOUSNESS

Who has not suffered this misery -caused by bile in the stomach which an inactive or sluggish liver failed to carry off.

THE PREVENTION AND CURE IS

liquid or powder, which gives quick action to the liver and carries off the bile by a mild movement of the bowels. It is no purgative or griping medicine, but purely vegetable. Many people take pills-more take Simmons Liver Regulator.

"I have been a victim to Biliousness for years, and after trying various remedies my only success was in the use of Sim-mons Liver Regulator, which never failed to relieve me. I speak not of myself, alone, but my whole family."—J. M. FILL-MAS, Seima, Ala.
