There are two kinds the courts tell you -a temporary and a permanent injunction. Dear Sir: A Sample of Krause's headache capsules was left in my husband's Wasco and Gilliam, I-W. W. Stelwer, office a lew days since, and as I was subject to headaches, neuralgic, pervons, Wasco and Sherman, I-J. A. Smith, and in fact every other kind-he thoughtfully brought the sample box home. The very next day I had a chance to try Washington, Columbia and Tillamook, them and one capsule relieved me in less than half an hour. Next day I was attacked again, took another capsule with the same delightful result, in less than half an hour my head felt as well as ever, with no bad feelings as the result. I have had these terrible headaches for twenty years, and have tried every remedy that I ever heard of, but nothing I have ever taken has cured or relieved me as quickly as Kruase's Headache Capsules. ### Bread, Bread.

Of all things the average housekeeper is particular about, it is the quality of bread for her table. Good home made bread is not equaled by the ordinary bakery and to meet this requirement, Mr. J. Egle of the Shively bakery' has put on the market his celebrated home made bread. This bread is made from the same kind of flour that is ground for export and none of the processes are used in its manufacture that, while giving the bread a fine appearance, ruin its quality. The utmost cleanliness is observed in all departments and the patrons of the bakery are invited to inspect it at any time, that they may see for themselves how their bread is prepared and handled.
