Those Pimples

Are tell-tale symptoms that your blood is not right—full of impurities, causing a sluggish and unattractive complexion. A few bottles of S. S. S. will remove all foreign and impure matter, cleanse the blood thoroughly, and give a clear and rosy complexion. It is most effective, and entirely harmless.

Chas. Heaton, 73 Laurel Street, Phila., says: "I have had for years a humor in my blood which made me dread to shave, as small boils or pimples would be cut, thus causing shaving to be a great annoyance. After taking three bottles my face is all clear and smooth as usual. It should be appetite stimulant, sleep well and feel like running a foot race all for the use of S. S. S."
