Continueloners,

The subscription price for the ENTER-FRISE bas been reduced to \$1.50 per year; "5 cents for six months. Cash in adonce. Subscribers paying at the end of one year will not be entitled to this reduction. The low price is made to get the list on a cash basis and induce all subscribers to pay up, and especially to prevent dead beats from taking the paper and not paying for it by reason of their being law proof. Reduced price will only commence with date of renewal.

This makes the ENTREPERE the cheapest paper in Clackamas county—eight pages all home print and full of live local news
