

GLADSTONE GLEANINGS.

New Water Works to Supply Mountain Water—Many New Buildings.

There are at present six new houses going up in Gladstone.

J. S. Jennings has moved from Oregon City to Gladstone and is building a neat cottage.

C. W. Jennings is also building and will be at home in this place soon.

C. W. Johnson is having an elegant two-story cottage erected.

Mrs. Opdycke has under course of construction a neat little home opposite A. F. Parkers and will move into it in a couple of weeks.

The Gladstone proprietors intend shortly to put in a large pumping station, using the power at the mill, and will supply the park with an abundance of pure water keeping the handsome little lake full to the brim.

W. A. and Frank Cross with their families are over on a short visit from their homes in Tillamook.

Our people deeply sympathize with H. Sladen and wife, who lost their baby at Wright's Springs on Tuesday evening. They had started for Wilhoit springs for a little outing and were compelled to stop at Wright's on account of the baby. The good people in the neighborhood extended every help possible and were at the bedside when the little one passed away. It was their only child.

The management of the new hospital are having a water service put in their building. A. W. Schwan, the Oregon City plumber, has the contract and is putting in a pump on a float in the river to force the water up to the hospital. The pump will be operated by a current wheel which gives ample power for the work. This will answer fully until the regular water system is put in for Gladstone. The Clackamas is one of the cleanest and purest streams that flow out of the Cascade mountains and the water will be all that can be desired for a sanitarium.

REDLAND RINGINGS.

Grain Yield Light—Wedding Bells—Other Events of Interest.

REDLAND, Aug. 28.—The weather is intensely warm just now.

John Richardson's steam thresher has been making a steady run through the neighborhood during the past week.

Grain is not turning out as well as in former years. The aphid damaged many of the crops a fourth if not more.

Miss Nellie Sprague and Harry Kelly were married on the 14th inst.

It is whispered that ere long the wedding bells will be ringing again. We suppose the young folks think that when they are in Rome they must do as Romans do.

Frank Mattoon returned yesterday from Eastern Oregon where he

has been working for the last two years. He expects to return again in three or four weeks. That country possesses many attractions we presume when people are tempted to leave this valley so soon after arriving.

Some of the folks around here are going away to pick hops this week or next.

John Gaskell got his foot badly bruised last week by the hind wheel of the separator running over it.

Miss Hattie Gaskell is visiting her sister, Mrs. Funk, for a time. She expects to return to Portland in October where she has had steady employment for the past year or more.

Mr. and Mrs. Richard Honnisch, of Portland, are visiting her parents, Mr. and Mrs. Barkleit.

Mrs. Zurcher has been very sick but is now on the mend. There is considerable sickness in the neighborhood at present.

On Monday, August 20, at 11 a. m. Selina Fischer of Logan and Edward A. Morgan of Redland were united in marriage at the residence of the bride's parents by Rev. Father Hillebrand. The bride wore orange blossoms and a handsome dress of pink cashmere trimmed with cream lace. The groom wore the regulation black. The guests were served with an excellent dinner at 1 p. m. The happy couple moved to their new residence in Redland.

SPRINGWATER SPRINKLINGS.

Numerous Camping Parties—Rev. Cowan Speaks—Lively Runaway.

SPRINGWATER, Aug. 27.—People have finished cutting their grain and are in the midst of threshing. Two large steam threshers are running on full time and the grain will soon all be garnered.

The camping party from Oregon City are still here enjoying themselves. The part of their crowd who have been visiting the falls and hunting, consisting of Jos. Gray and wife, G. L. Gray, Rev. Cowan, Mr. Besow, and others, with the mountaineer, returned the 25d to their camp after enjoying much fine scenery and having great success in hunting. They will return to Oregon City the last of the week.

Rev. Cowan, the pastor of the Congregational church of Oregon City, gave a good talk Sunday, the 26th, on the subject of the Senior and Junior Endeavor societies.

Little George, son of W. J. Lewellen, had quite a runaway with horse and cart while returning from the farm to the store August 26th. His horse became frightened and ran quite a distance before being caught. No serious damage was done, as George is supposed to be pretty much of a rubber ball and bounced up and down in the cart but did not bounce out.

Little Cecil, son of Henry Palmateer, has been unable to walk on one foot since the 5th of July from the effect of stepping on a nail.

Born, on the 26th inst., to Mr. and Mrs. Lakin, a daughter.

L. Marrs and family, who moved from Carrinville to Salem in the spring, are visiting here and at Carrinville.

Mr. Albright is preparing to burn a brick-kill on a piece of land leased from W. B. Cornett.

Colton Clippings.

COLTON, Aug. 27.—Today Williams Bros. start their thresher. They will do

all the threshing between Meadow Brook post office and Elwood, and will have a good run.

Yesterday our Sunday school at Lower Canyon Creek school house was discontinued until after hop picking, as nearly all of our youngsters expect to go "hopping."

Miss Sally McLain of Macleay, Marion county, is spending several weeks as the guest of her old classmate Miss Jessie Robeson.

Miss Lillie Ramsby and Miss Maud Johnson of Meadow Brook were up to attend our Sunday school last Sunday.

John and Clark Comer and their mother returned from the big blue huckleberry patch yesterday.

In our correspondence last week there was an error. We wish to say that only Wm. Tinnerstett of the firm of Anderson & Tinnerstett will move from the saw mill here to Tillamook City. Our genial friend Dave Anderson will continue to do business at the old stand. PUEBLS.

Born, at Park Place, August 24, to the wife of George R. Maple, a daughter. All doing well.

NOTHING MORE CAN BE SAID AS TO THE MERITS OF GLADSTONE AS A "HOME SITE." THOUSANDS UPON THOUSANDS HAVE VISITED IT DURING THE LAST TWO SEASONS and have been delighted with its environments. Its magnificent park; its swiftly flowing mountain stream, affording the purest water in the world; its level, dry surface, its handsome surroundings, its accessibility, mark it as a most favored spot for an ideal home.

The new city has its own saw mill and will soon have its own system of water works, supplying cold, pure mountain water direct to the homes in Gladstone. Electric lights as soon as needed. Gladstone is to be made and maintained as a modern city in every respect, and all safeguards have been adopted in the dedication to make it a clean, wholesome place to live. Gladstone has as good a public school as there is in the county. No man with knowledge has any doubt as to the future of Oregon City, the great manufacturing city of the Northwest. Millions are now being invested in mammoth enterprises, that will employ thousands of operatives. There never will be a better time to secure a home or make an investment in Gladstone or Oregon City.

What Prominent People Say of Gladstone.

The proprietor of the ENTERPRISE, Mr. Chas. Meserve, says: "I have purchased property in Gladstone and consider the investment a good one. It is the most attractive residence property in Oregon City. Gladstone Park is certain to grow in public favor.

His Honor Mayor Straight of Oregon City says: "Gladstone can't be beat for a superb residence location. The location is extremely healthy and easy of access.

Rev. Gilman Parker, pastor of the First Baptist church of Oregon City says: "After eighteen months residence in Gladstone I am thoroughly convinced of its desirableness as a place for a home. Its many points of excellence make it highly preferable to any place between Oregon City and Portland. It has natural fitness with its contour of hills, magnificent park, its crystal river, its healthfulness its good water and fresh air, its freedom from city noise, its electric cars and cheap fare, are all points of very great advantage and pleasure.
