Few people appreciate how much their impressions, their whims and impulses, and in fact all their mental energy depends on the harmonious action of all the vital organs. A poorly digested dinner may make one quarrel with a friend. A contested liver may bring imaginary gloom and trouble into the sunniest day. A rheumatic pain may keep you from business or work and entirely change some marked out policy. A few doses of Moore's Revealed Remedy will give tone to every function and make you enjoy your friends and your work.
