Gladstone is to be made and maintained as a modern city in every respect, and all safeguards have been adopted in the dedication to make it a clean, wholesome place to live. Millions are now being invested in mammoth enterprises, that will employ thousands of operatives. There never will be a better time to secure a home or make an investment in Gladstone or Oregon City.

**What Prominent People Say of Gladstone.**  
 The proprietor of the ENTERPRISE, Mr. Chas. Meserve, says: "I have purchased property in Gladstone and consider the investment a good one. It is the most attractive residence property in Oregon City. Gladstone Park is certain to grow in public favor."  
 His Honor Mayor Straight of Oregon City says: "Gladstone can't be beat for a superb residence location. The location is extremely healthy and easy of access."  
 Rev. Gilman Parker, pastor of the First Baptist church of Oregon City says: "After eighteen months residence in Gladstone I am thoroughly convinced of its desirableness as a place for a home. Its many points of excellence make it highly preferable to any place between Oregon City and Portland. It has natural fitness with its contour of hills, magnificent park, its crystal river, its healthfulness its good water and fresh air, its freedom from city noise, its electric cars and cheap fare, are all points of very great advantage and pleasure."
