How it Happened.

The following remarkable event in a lady's life will interest the reader: "For a long time I had a terrible pain at my heart, which fluttered almost incessantly. I had no appetite and could not sleep. I would be compelled to sit up in bed and belch gas from my stomach until I thought every minute would be my least. There was a feeling of oppression about until I thought every minute would be my least. There was a feeling of oppression about until I thought every minute would be my least. There was a feeling of oppression about until I thought every minute would be my least. I couldn't sweep a room without sitting down and restinct but, thank God, by the bein of New Heart Cure all that is past and I feel like another woman. Bestore using the New Heart Cure I had taken different so-called remedles and been treated by doctors without any benefit until I was both discouraged and disgusted. My husband bought me a bottle of Dr. Miles' New Heart Cure, and am happy to say I never restricted it as I now have a oplendid appetite and sleep well. I weighed IE's pounds when I began taking the remedy, and now I weigh 100°s. It far surpasses any other medicine I have ever taken or any boordit I ever received from physicians." Mrs. Harry Start Pottsville, Pa. Cetober 12, 1862.

Dr. Miles New Heart Cure is sold on a post-tive guarantee by all druggists, or by the Dr. Miles Medical Co. Elkhart, Ind. on receipt of price, 11 per bottle, six bottles Els. express propaid. This great discovery by an eminent apecialist in heart disease, contains Betther opiates nor dangerous drugs.
