CHICAGO, Nov. 7.—The following table shows the standing of the next congress, as nearly as can be computed from the returns received up to a late hour tonight. A number of districts in different states are still in doubt, and the result in these will not be known until tomorrow:

The official count may defeat Owens in the seventh Kentucky district. In Texas, the results of seven districts are still unobtainable. The democrats have carried six districts.

**CHAIRMAN BABCOCK'S FIGURES.**

WASHINGTON, Nov. 7.—When Chairman Babcock, of the republican congressional committee, left republican headquarters tonight he said the reports received during the day gave the republicans 230 out of 350 members of the house beyond peradventure, while there was a possibility of securing 27 additional members. Mr. Babcock also stated that his information leads him to believe there is a possibility of securing three more members from Alabama, two from Illinois, one from Arkansas, Iowa, Kansas, Kentucky, Nebraska and South Carolina each, three from Missouri, Louisiana, Texas and Minnesota, two from Ohio and Pennsylvania. If these claims are realized, it will give the republicans 257 members, or a majority of ninety-nine. According to the claims of the republicans they will be able to secure the votes of at least thirty of the forty-four states, in case the next presidential election is thrown into the house, for they will have either the solid delegations or a majority of each of the delegations from that number of states.

**COLORADO FIFTEEN THOUSAND MAJORITY.**

DENVER, Nov. 6.—The indications at 8.30 o'clock are that McIntyre, republican candidate for governor, will have from 15,000 to 20,000 majority over Waite, populist. The Times claims that the republican majority in this (Arapahoe) county will be 20,000, and that the remainder of the state will give a republican majority of 5000. Waite has run behind his ticket many thousands, but has undoubtedly carried the entire ticket down to defeat with him. If the republicans have 15,000 majority for the head of the state ticket, they will undoubtedly control the legislature and re-elect Senator Wolcott. Pence, pop., is beaten by Shaforth, rep., for congress in the first district. Bell, pop., may defeat Bowen in the second district, but his majority of 12,000 two years ago will be reduced. Dispatches from all parts of the state say a full vote was polled, and in the cities fully as many women

voted as men. The polls did not close until 7 o'clock, and it will be late before any definite figures are received. In Denver and suburban towns, fully 85 per cent of the registered vote was cast. Women worked earnestly at the polls all day for the success of the republican ticket, and the result is largely due to their efforts.

All day long the private carriages of the Capitol Hill society leaders have been carrying women voters to the polls. In many cases the ladies owning the turnouts went with them to urge the voters to make use of their franchise. Through the excellence of their organization, the committee of women is more thoroughly informed as to the political preferences of the women in their districts than are the men regarding their sex, but no doubtful voter was neglected.

**REFORM WAS THE WAR CRY.**

NEW YORK, Nov. 7.—"Return" was evidently the war cry in this city yesterday from the fact that Tammany received such a drubbing as was never before experienced in the history of the organization. Incidentally it may be remarked that the whole democratic ticket throughout the state and country followed suit. It's awful, but "facts is facts".

**THE MAJORITY AGAINST TAMMANY.**

NEW YORK, Nov. 6.—Tammany is defeated. The majority of 60,000 usually polled by that organization in New York city has been obliterated and an opposition non-partisan majority of 40,000 to 50,000 has been piled up, making the net opposition gain 100,000. Never since 1871, the year in which the revelations concerning the operations of the Tweed gang were made, has there been such an opposition against Tammany, and the returns tonight show that a severe blow has been struck at the foundation of the most powerful local political organization in the country.

**COMPLEXION OF THE SENATE.**

WASHINGTON, Nov. 7.—Reports received up to 9 tonight indicate that the next senate will have 49 democrats, 41 republicans and 7 populists, while the attitude of the successor of Senator Harris of Tennessee is still in doubt. In this classification Senators Stewart and Jones of Nevada, who were elected by republicans, but have announced their secession from that party, and Gov. Tillman, who will doubtless be elected by the so-called independent democrats of the South Carolina legislature, are put in the populist column. Tillman will probably vote with the democrats on organization and Stewart and Jones of Nevada and Peffer with the republicans. This would throw the balance of power into the hands of the populists.

**OHIO RETURNS.**

CINCINNATI, Nov. 7.—The returns indicate that the republican plurality for secretary of state will exceed 150,000. The present Ohio delegation in congress consists of eleven democrats and ten republicans. The delegation newly elected consists of nineteen republicans. P. F. Sorz and F. C. Layton, democrats, are elected by pluralities less than 100.

**MCKINLEY CAUTIOUS.**

COLUMBUS, Nov. 7.—Governor McKinley was in his office early, considering that he was out all of last night. Being asked what he thought about the situation, he preferred not to talk. "He would only say: 'The sweeping republican victories indicated at this hour are impressive. They need no interpretation. They express better than words the revised and deliberate judgment of the people upon public questions involved in the political contest now closed.'"

**HARRISON IN PARABLES.**

INDIANAPOLIS, Nov. 7.—In response to a request by the Associated Press for an expression of his views regarding the results of yesterday's elections, ex-President Harrison said:

"It was the most extraordinary political revolution the country has ever witnessed. Wherever there was a free ballot, the vote of confidence given in 1892 to the democratic party, if one was given, has been recalled and a vote of utter and final repudiation substituted. Incoherence of the democratic party was revealed the moment power was given it to deal with national affairs. The insincerity of its platform was expressed when 'be enacted' took the place of 'be resolved'."

"The vast majority of our people believe in the protective tariff—never so many and so strongly as now. They differ as to rates and schedules, but not as to principle. They believe in reciprocity as the first method of getting foreign markets. The workingmen voted their prejudices in 1892; this year they voted their patriotism and their love of home."

**ADLAI'S MARKSMENSHIP.**

BLOOMINGTON, Ill., Nov. 7.—Hon. A. E. Stevenson, vice president, when asked to state his opinion as to the causes leading up to the democratic defeat of yester-

day, said: "My opinion can be briefly stated. The result is due in part to the financial depression which came upon the country soon after the inauguration of Mr. Cleveland. While the democrats were in no way responsible for this, they were made scape goats. It was also in part due to the delay of congress in passing the tariff bill. Had the bill become a law ninety days earlier than it did, it is possible that the business condition of the country would have so adjusted them selves that the political result would have been different."

**WASHINGTON.**

TACOMA, Nov. 7.—Secretary Cowan of the republican state central committee now claims seventy-nine members of the next legislature out of a total of 112, giving a majority on the joint ballot of twenty-three. The state republican ticket was elected by so large a majority that counts have ceased.

**WEST VIRGINIA.**

CHARLESTON, W. Va., Nov. 7.—With the legislature having sixteen republican majority on joint ballot, the election of S. B. Elkins to succeed J. N. Camden as United States senator is generally conceded. Elkins managed the campaign against Wilson as well as the legislative canvass. Republicans are elected in all four congressional districts.

**KANSAS.**

TOPEKA, Nov. 7.—The republicans have carried Kansas by a plurality of possibly 30,000 and will have a slight majority over all. The legislature is republican by forty-five on joint ballot.

**NEW ENGLAND.**

BOSTON, Nov. 7.—All New England returns show great republican victories. New Hampshire elects both republican congressmen by increased pluralities. Buziel, for governor, will have nearly 2,000 plurality. The legislature is largely republican. Greenhalge's plurality in Massachusetts is nearly 70,000. All the republican candidates for congress were chosen except Fitzgerald in the ninth, who has 2,300 plurality. Cozwell's plurality is over 8,000. Figures on the other congressmen not yet received. The legislature will be overwhelmingly republican. Boston complete gives Greenhalge 29,998, Russell, 33,023, against 29,327 and 39,042 last year, a net republican gain of 5,690. Rhode Island elects both republican congressmen by over 5,000 majority. A telegram from Hartford reports the republican state ticket and four republican congressmen chosen in Connecticut.

**NEW YORK.**

Morton's Plurality Over One Hundred and Fifty Thousand.  
New York, Nov. 7.—The total corrected vote for governor in New York state, outside of Sullivan county, is 1,208,259, divided as follows:  
Morton ..... 667,346  
Hill ..... 514,164  
Wheeler ..... 24,511  
Morton's majority ..... 153,346  
Morton's plurality ..... 126,238  
The revised total vote for governor in New York city gives Hill a plurality of 2097.

**FOR GREATER NEW YORK.**

NEW YORK, Nov. 7.—Returns from all except a few missing election districts, show an apparent plurality in New York city for consolidation of the greater New York of over 35,000.

**China Saug for Peace.**

LONDON, Nov. 5.—The Central News says: There is reason to believe that China has resolved to formally ask the powers that have immediate commercial interests at stake to stop the war. The Chinese minister is said to have transmitted the request to the foreign office in London this afternoon. This evening he started for Paris to seek interviews with M. Hanotaux, the French minister of foreign affairs, and President Casimir-Perier. The Daily News has information that China is using for peace; in fact, has instructed her envoys in Europe to submit to the powers the terms which she is willing to offer. It is a formal renewal, or repetition, on a larger scale, of overtures made to the British government a month ago. The News-express again its approval of Lord Rosebery's effort for joint interference, and speaks regretfully of the reluctance of the powers to see the matter in the same light, and adds:

"No European government can desire to see this disastrous conflict prolonged. Even the United States, despite the Monroe doctrine, must be anxious for the regularity and security of their trade with Japan. Sooner or later, and better soon than later, there must be an international settlement. It will be difficult to contend that interference will be premature now."
