### SOME NEEDED REFORM.

taxes is a question that will be up for cen- year when the fifty-fourth congress will sideration before the legislature this winter. | convene. It is a well known fact that there is not a state in the Union that has as combersome laws on taxation as Oregon, and the taxpayers are now begining to realize that it is very much to their interest that this old. antiquated system be replaced by a more modern law. The present system is intirely too expensive to the taxpayers and is neither just or accurate. Under it, it is impossible to list real estate correct, even with the aid of the best present ownership books, for with the frequent change in ownership the assessor cannot keep his a hurry to draw their salary and attention books correct. By assessing the land and toward their angular frames. They may not the owners all these errors would be also be waiting for a new brand of chewing bank. avoided. As the treasurer has charge of tobacco to come out at least a few samples and is responsible for the county fund, to him the taxes should be paid direct. On mail, as their creditors have long ago these needed reforms the Oregonian, as ceased to don them, a too expensive luxury well as many of the other leading papers of at 2 cents per dun. If this answer is not the state, is working for their success and sufficient get some one else to try.

Two reforms are necessary, one in annexs.

In speaking of the increase of the public ment, the other in collection of taxes. We debt by Cleveland's bond issue has the following to say: A bond sale of \$50,000,000 the table.

In speaking of the increase of the public parlors, are acknowledged experts in the preparing of the toothsome bivalve for the table.
