To Meet the Times.

The subscription price for the ENTERrates has been reduced to \$1.50 per year; seventy-five cents for six months. This low price is made in order to get the list on a cash basis and induce all subscribers to pay up, and especially to prevent dead beats from taking the paper and not paying for it by reason of their being law proof. This discount is made only to those paying in advance. Those paying before the close of their year will be entitled to the discount for the time paid in advance.

This makes the EXTRAPENSE the cheapest paper in Clackamas county-eight pages all home print and full of live local news
