SANDY SAYINGS.
Pleasant Christmas Gathering—Advocates Having Only One County Road Supervisor.

SANDY, Dec. 26.—Christmas passed off quietly here. But the Sandy people were somewhat happier over the splendid weather we have here. O, if we could only give our eastern friends a sample of our fine weather, wouldn't it be a boom for Oregon?

A Christmas entertainment was given by Mr. and Mrs. Henry Koch, our well known hotel keepers. The parlor was handsomely decorated with flowers and evergreens, presenting a most attractive appearance. Instrumental and vocal music and dancing were among the exercises, including almost everything else to make the occasion an enjoyable affair. The large Christmas tree was loaded down with candles, nuts, fruits, cakes, and an immense number of Christmas presents. The tree was beautifully decorated with all kinds of gold and silver paper in many fantastic shapes, and with the candles presented a beautiful sight. At 10:30 o'clock Santa Claus came in and made a distribution of the presents, candies, etc. At 12 o'clock Mr. Koch spread the table with a beautiful supper, which was enjoyed, and praised by all present. Great credit is due Mr. and Mrs. Koch for the hospitable manner in which they treated their guests. Those present were, Mr. and Mrs. Harms, Mr. and Mrs. Kasper Antuser, Mr. and Mrs. Meinig, Mr. and Mrs. Herman Brunns, Miss Clara Meinig, Miss Tillie Brunns, Katy Harms, Albert Shultz, Robert Jonnsrud, Herman Brunns, Jr., Johnny Meuechle.

HAY SEED.

SPRINGWATER SPRAY.
Substantial Improvements made—Christmas Festivities—Loss by Fire.

SPRINGWATER, Dec. 31.—As the regular correspondent from this place failed to come to the front last week, (he being a tender plant). We will give you a few items as we do not wish to be left on the back ground.

Springwater is populated by an enterprising and go-ahead class of people, who are pushing ahead although times are hard and money scarce. There has been a good amount of improvement at this place the past year. Every farm has made some permanent improvement in the way of buildings, clearing land and improving their farms in general. There is a large acreage of young orchards in this place, although the trees are small and the present outlook is a little gloomy. They are taking good care of their orchards and making the necessary improvements for taking care of the fruit.

The following is a summary of the buildings for the past year: Five dwelling houses, three barns, twelve sheds for stock and tools, four fruit houses, one store and dwelling, one hall 30x50 which is a credit to any community, and one large shed for the accommodation of the public.

W. S. Lowellen and C. C. Lewis, the enterprising mercantile of Springwater, are doing a good business. They are the right men in the right place.

The saw mill and planer of Messrs. Patmater, Livermore & Hoops is doing a

good business and is up with the times, they having a first class mill and understanding the business.

The Christmas entertainment and tree at Llewellyn's hall, where both young and old never fail to have a good time, was attended with a crowded house, and was represented by all except a few tender plants whose self esteem is greater than their charity. Everyone went away well pleased, wishing one another a merry Christmas and happy New Year.

On the morning of the 27th inst. the large stock barn of A. Lacy was burnt to the ground and only by the strong effort of himself and his neighbors was the dwelling and other buildings saved and no stock lost.

A Mr. Washburn is the lucky boy who was wedded to Miss Maggie Marchbank of this place, on the 23rd inst. What is Springwater's loss is Vancouver's gain.

OBSERVER.

New Era Notes.
NEW ERA, Dec. 31.—A. Grieshaber is putting a new roof on his new house, which is a two story building 24 by 36 feet, and adds greatly to the looks and improvement of his place.

John Rauch, of Pendleton, is still visiting friends and relatives in the vicinity of New Era. He wants to rent a small farm and settle down here to enjoy the fine fruits and beautiful climate of the Willamette valley a few years.

Joseph Huirass has the misfortune to have two sick horses. One day last week he drove them to town and back, they being pretty warm when he got home. That night the stable door blew open and they received a cold blast all night from the north which nearly used them up.

There was a lively runaway one day last week in New Era. A team belonging to some one near New Era started from the flooring mill and ran around the point of the hill and passed where the Jesse store used to stand and came to a stop tangled up in Mr. Newbury's fence.

George Randall has been lately sacking and shipping potatoes to San Francisco.

The school at Brown's school house is progressing nicely under the management of Chas. Rutherford.

Weddings are coming so thick and fast in our town that serending crowds are having about all they can attend to. Fred Miller is the latest victim.

M. J. Bowen and family have moved from the Doughty farm to the Beatty farm, where they will be located for a year or two. Ruel Doughty will run the F. Doughty farm hereafter.

Central Point had an entertaining program and a Christmas tree on Christmas eve. We believe all heartily enjoyed themselves.

The Discovery Saved His Life.
Mr. G. Caillette, Druggist, Beaverville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with LaGrippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial bottle at Charman & Co's Drug Store, Charman Bros. block.
