Unsatisfactory Mail Service—Building a Public Hall—Wheat Winter Freezing—Brownell Censured.

MEADOW BROOK, Jan. 28.—The alteration in the Meadow Brook mail schedule, whereby our mail leaves Oregon City at 8 instead of 10 A. M. works quite a hardship on the citizens along this star route, as since the change our Oregon and California newspapers which heretofore reached us on Friday are now delayed until Monday. Now, as the days are getting longer, we hope most earnestly the schedule will be changed to the former time.

A young lady has come to make her home with G. W. Kistner and wife, and George wears a smiling face and his hat on the back of his head.

Several of our neighbors are sick with colds.

The masculine members of the Canyon Creek F. A. and I. O. O. F. lodge No. 322 have been busy during the last two weeks building a hall on the farm of D. Robeson between Meadow Brook and Colton and expect to have it completed in time for an alliance exhibition on St. Valentine's day, 7 P. M.

Charles and George Robeson are working on their contract to cut one hundred thousand feet of saw logs for Dave Anderson.

D. Robeson is putting up a plank fence along the side of his field which greatly improves the appearance of his already neat farm.

We thought out here that our Hon. Geo. C. Brownell was a friend to silver. We see our error. No friend of silver could support that notorious tool of corporations and the gold bugs, J. N. Dolph!

Sandy Sayings.

SANDY, Jan. 28.—As your correspondent has been silent for some time I will try now to give a few items.

The weather of the past few weeks has been generally good and farmers have been very busy clearing and otherwise taking advantage of it.

The High Forest Debating Society has started up anew after being closed down for three weeks on account of the prevalence of the mumps and bad weather. Last Saturday night the crowd was not so large as usual, but the occasion was an enjoyable one. The question debated was, "Resolved, That modern improved machinery is a detriment to this country." The affirmative was led by E. F. Bruns and the negative by R. Jonsrud. The discussion was short but earnest, and was decided in favor of the negative. At the close of the debate the literary exercises were opened with a greeting song by the choir, followed by recitations, readings and songs, all rendered in an excellent manner. The question for debate at the next meeting is, "Resolved, That the Indians have had more cruel treatment from the hands of the whites than the negroes." The following officers were elected: President, L. Huglum; vice president, Bert Jonsrud; secretary, Olaf Mickleson; treasurer, R. Jonsrud, marshal, H. Brunner. A spelling match will be had next Saturday instead of the usual literary exercises.

Crist Eria, of Corvallis, is visiting his folks here.

A pork and beans supper will be given by the G. A. R. and S. of A. at their installation of officers February 9th. A good time is anticipated.

J. M. C. Miller, our prosperous merchant, will clear twenty-five acres in the spring on his two hundred acre farm. He will also build a residence near his place of business.

Joel Jari, postmaster and storekeeper at Kelso, is making a trip to town every week and always has a load of farm produce to take down. Such are the storekeepers who do a good business now.

Sandy people are in a little better humor since the county court discontinued the road bosses and appointed an engineer to superintend our public highways.

Sandy taxpayers and voters are looking ahead with flattering prospects of getting a plank road through here.

The new Portland road is now entirely blockaded since the storm and not a team has been on it since. Remember that this is our main public thoroughfare. Isn't such a road a disgrace to this community? The time has come that something should be done on our roads; and if not done soon here we might as well sell out and go where they have better roads.

F. A. Meinig, who has been afflicted the last month with what has been pronounced gout in his feet, is rapidly improving and

his many friends will be very glad to see him out again.

Gilbert Epperson suddenly expired here on the 19th of January of heart failure. He was an old pioneer, having come to this county in 1867. A large family mourn his loss. He was laid to rest last Thursday in the Sandy Ridge cemetery. READER.
