She Would Neither Paint Nor Powder.

"I positively will not use cosmetics," said a lady to the writer, "yet my complexion is so bad that it occasions me considerable mortification. What can I do to get rid of these dreadful blotches?"

"The Dr. Hiera's Favorite Prescription," was my prompt reply. "Your complexion indicates that you are suffering from functional derangements. Remove the cause of the blotches and your cheeks will soon wear the hue of health.

The 'Favorite Prescription' is a wonderful remedy for all diseases peculiar to your sex. Its proprietors guarantee to return the money if it does not give satisfaction. But it never fails. Try it."

The lady followed my advice, and now her complexion is as clear as a babe's, and she enjoys better health than she has for many years.
