OUR NEW LAWS.

Work of Our Late Legislature—A Few Meritorious Measures.

Below is given a complete synopsis of some of the more important laws passed by the last legislature. While several good laws were enacted, yet the bulk of the work done was in amending town charters.

Perhaps there is no law of the last session more generally discussed than the one amending the horticultural enactments of the past few sessions, so the bill is presented complete except a few minor clauses relative to the prefatory duties of secretary and treasurer. Following is the bill:

HOUSE BILL NO. 1.

Creates a board consisting of six members, one from the state at large and one from each of the five districts as follows:

First—Multnomah, Clackamas, Yamhill, Washington, Columbia, Clatsop, and Tillamook counties.

Second—Marion, Polk, Benton, Lincoln, Linn and Lane.

Third—Douglas, Jackson, Klamath, Josephine, Coos, Curry and Lake.

Fourth—Wasco, Sherman, Morrow, Gilliam and Crook.

Fifth—Umatilla, Union, Wallowa, Baker, Malheur, Harney and Grant.

The board shall employ from without their number a secretary, whose compensation shall be \$75 per month.

For the purpose of preventing the introduction into the state or spread of contagious diseases, insect pests, or fungus growths among fruit trees, and for the prevention, treatment, cure and extirpation of fruit pests, and diseases of fruit and fruit trees, and for the disinfection of grafts, scions, orchard debris, fruit boxes, and packages, and other material or transportable articles dangerous to orchards, fruit or fruit trees, said board may make regulations for the quarantining, inspection and disinfection thereof, which said regulations shall be circulated by the board in printed form among the fruit growers and fruit dealers of the state, shall be published at least for successive times in some daily or weekly paper in each in the state before the same shall be in force therein, and shall be posted in three conspicuous places in each county in the state, one of which shall be at the county court house. Such regulations, when so promulgated, shall be held to impart notice of their contents to all persons within the state, and shall be binding upon all persons therein. A willful violation of any quarantine or other regulations of the board, necessary to prevent the introduction into the state or the shipment, sale or distribution of any articles so infested as to be dangerous to the fruit-growing interests of the state, or the spread of dangerous diseases among fruit trees, or orchards, shall be deemed a misdemeanor, and on conviction thereof shall be punished by a fine of not less than five nor more than one hundred dollars for each offense.

It shall be the duty of the several members of the board and of the secretary under their provision, to visit their respective districts and to see that all regulations of the board and all provisions of law to prevent the introduction or spread of fruit pests and diseases of trees or plants injurious to the horticultural interests of the state are enforced. Any member of the board or the secretary thereof, may, upon complaint of interested parties, inspect orchards, nurseries and other places suspected to be infested with fruit pests or infested with contagious diseases injurious to trees, plants or fruits. If upon report of any member or the secretary the board shall be of the opinion that any locality, district, orchard or place is infested with fruit pests or infested with contagious diseases or injurious to trees, plants or fruits, and liable to spread to other orchards or localities to their damage or injury, so as to be a public danger, said board shall by an order, entered upon its minutes, declare such place to be under quarantine, and shall give notice thereof by posting a notice in writing in a conspicuous place upon the premises, specifying with convenient certainty what place or premises are under quarantine regulations, and by delivering a copy of such notice to the owner or person in charge of the premises, if he may be found thereon; and such place shall thereafter be subject to quarantine regulations of the board, and violation thereof shall be punishable as hereinbefore provided. As soon as in the opinion of any member of the board or the secretary thereof the danger from such quarantine locality shall have ceased, he may suspend such quarantine and shall immediately report the fact to the board, who may confirm such action or may re-establish the said quarantine, in which case it shall not again be suspended but by action of the board.

The board, and in case of necessity, during the recess of the board, the member in the quarantined district, or the secretary, may appoint such quarantine guardians as may be needed to carry out the provisions of this act, whose duty it shall be to see the instructions of the secretary are enforced and carried out. They shall also report to the board all infractions or violations of said regulations of the law in regard to quarantining, disinfecting and destruction of pests. The salary of quarantine guardians shall be fixed by the board at not to exceed two

dollars per day, and shall be paid by the owners of orchards or other places under quarantine and they may maintain an action therefor before any justice of the peace in any district in which any quarantined locality is wholly or in part located; but in no case shall they have any claim upon the state for services.

The powers conferred in the two preceding sections of this act shall be exercised only in great and imminent danger to the fruit interests of the state, and with the utmost caution and regard for the rights of individuals affected, consistent with the safety and welfare of the fruit interests of the whole state.

Sec. 10. It shall be the duty of the several members of the board, and of the secretary under their direction, whenever they shall deem it necessary, to cause an inspection to be made of any orchards, nurseries, trees, plants, vegetables, vines or any fruit packing house, storeroom, salesroom or any other place place within their districts, and if found infested with any pests, diseases or fungus growth injurious to fruits, plants, vegetables, trees or vines, or with their eggs or larvae, liable to spread to other places or localities, or of such nature as to a public danger, they shall notify the owner or owners, or persons in charge of or in possession of such articles, things or places, that the same are so infested, and shall require said person to eradicate or destroy said insects or pests, or their eggs or larvae, or to treat such contagious diseases, within a certain time to be specified in said notice. Said notices may be served upon the person or persons, or any of them, owning, having charge, or having possession of such infested place, article or thing, by any person deputed by said board for that purpose or they may be served in the same manner as a summons in an action at law.

Such notice shall contain directions for the application of some treatment approved by the commissioners for the eradication or destruction of said pests, or the eggs or larva thereof, or the treatment of contagious diseases or fungus growths. Any and all such places, orchards, nurseries, trees, plant, shrubs, vegetables, vines, fruit or articles thus infested are hereby declared to be a public nuisance. And whenever any such nuisance shall exist at any place in the state, on the property of any owner or owners, upon whom, or upon the person in charge or possession of whose property, notice has been served as aforesaid, or who shall have failed or refused to abate the same within the time specified in such notice, or on the property of any non-resident or any property not in possession of any person and the owner or owners cannot be found by the resident member of the board, or the secretary, after diligent search within the district, it shall be the duty of the board, or the members thereof in whose district said nuisance shall exist, or of the secretary, under his or their direction to cause such nuisance to be abated, by eradicating or destroying such insects or pests, or their eggs or larvae, or by treating or disinfecting the infested or diseased articles. The expense thereof shall be a county charge and the county court shall allow and pay the same out of the general fund of the county. Any and all sums so paid shall become a lien on the property and premises from which said nuisance shall have been removed or abated, in pursuance to this act, and may be recovered by a suit in equity against such property or premises; which suit to foreclose such liens shall be brought in the circuit court of the county where the premises are situated by the district attorney in the name and for the benefit of the county making such payment or payments. The proceedings in such cases shall be governed by the same rules, as far as may be applicable, as suits to foreclose mechanics' liens and the property shall be sold under the order of the court and the proceeds applied in like manner. The board is hereby invested with the power to cause such nuisance to be abated in a summary manner.

It shall be the duty of the secretary to attend all meetings of the board, and to preserve records of the proceedings, correspondence, and actions of the board, to collect books, pamphlets, periodicals and other documents containing valuable information relating to horticulture and to preserve the same; to collect statistics and general information showing the actual condition and progress of horticulture in this state and elsewhere; to correspond with agricultural and horticultural societies, colleges and schools of agriculture and horticulture, and such other persons and bodies as may be directed by the board, and prepare as required by the board, reports for publication.

The board shall biennially, in the month of January, report to the legislative assembly a statement of its doings with a copy of the treasurer's report for the two years preceding the session thereof. The members shall receive as compensation their actual expenses while engaged upon the work of the board or the enforcement of the provisions of this act, and shall be allowed \$3 a day for the time actually employed.

There is hereby appropriated for the uses of the state board of horticulture, as set forth in this act, the sum of \$400 for the year beginning January 1, 1905, and the sum of \$4500 for the year beginning January 1, 1896, out of any moneys

in the state treasury not otherwise appropriated.

HOUSE BILL NO. 45

Amending pharmacy law of 1891:

It shall be unlawful for any person not a registered pharmacist to conduct any store for the purpose of retailing, compounding or dispensing medicines, or to allow any person to handle medicines for him except registered pharmacists.

Within sixty days the governor shall appoint five persons as a board of pharmacy, who shall meet at times and places to suit themselves and hold examinations, and prescribe the qualifications of pharmacists in this state.

The secretary of the board shall receive a salary as fixed by the board, also traveling expenses. The other members shall receive \$5 per day for time actually engaged, also legitimate expenses attending meetings.

Any assistant or clerk in a pharmacy who is eighteen years and has had two years' experience, shall be entitled to registry as a registered assistant upon examination and the payment of a fee of \$5, his certificate must be renewed annually upon payment of fifty cents.

Pharmacists at present in the business are entitled to registration upon the payment of a fee of \$2, provided they apply within three months after the passage of the act.

Registered pharmacists are required to have their certificates renewed annually for which a fee of one dollar is charged.

The sale of a large list of poisonous articles is prohibited without proper precautions and a diligent inquiry as to the character of the purchaser and the use to be made of them. All such sales are to be recorded in a book for that purpose.

Persons attempting to practice pharmacy contrary to the act are subject to indictment and for the first offense shall be fined \$50 and costs, and for each subsequent offense \$100 and costs.

The district attorney, on his own motion or that of any member of the board, is to prosecute violations.

All fines under the act shall be divided equally between the board of Pharmacy and the school fund.

In effect immediately.

HOUSE BILL NO. 40.

To protect salmon and other food fishes:

It shall be unlawful for any person or persons to take or fish for salmon in the waters of the Nehalem, Tillamook, Neatucca, Sitetz, Yaquina, Alsea, Siuslaw, Umpqua, Coos, Coquille, Sixes, Elk, Chetco, Windehook, or any of their tributaries or bays, or in any other streams or bays in this state, except the Columbia river and its tributaries, and excepting Rogue river as hereinafter provided from Nov. 1st to Dec. 15th and June 1st. In Rogue river it shall be lawful to take salmon from April 15th to August 15th and from Sept. 1st to Nov. 1.

It shall be unlawful to receive or have in possession, or offer for sale or transportation, or to transport during the close seasons named in this act any of the following variety or kinds of fish which may be caught in any of the streams as aforesaid, viz: Chinook salmon, silver salmon, steel head or blue back, and any person violating any of the above sections shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be fined in the sum of not less than \$10 nor more than \$250.

In effect at once.

HOUSE BILL NO. 126.

Providing liens for horse shoeing:

Every person who shall shoe any horse, mule, ox or other animal shall have a lien upon the animal shod for his reasonable charges for shoeing the same, and each lien conferred by this act shall be superior to the lien of any chattel mortgage, bill of sale, conditional contract or other security upon such animal.

Any person desiring to secure the benefit of this act shall, within sixty days after the shoeing of such animal, or in case he shall have shod such animal more than once within sixty days after the date of the last shoeing, file with the county recorder or county clerk, as the case may be, of the county in which such animal is, a notice of his intention to claim a lien upon such animal for his charges for shoeing the same. Such notice shall state the name of the person claiming the lien, the name of the owner or reputed owner of the animal sought to be charged with the lien, and a description sufficient for identification of the animal upon which the lien is claimed. The notice must be verified by oath.

It shall be the duty of the recorder of
