It cures piles, it cures obstinate sores, chapped hands, wounds. It does this quickly. Is there any good reason why you should not use De Witt's Witch Hazel Salve? Rev. Isaac Dawson officiated at the church of the Good Shepherd in Albina, Sunday morning, Rev. J. E. Barbour, rector of that church, occupying his pulpit in St. Paul's church of this city.

Clackamas Chapter No. 2, K. A. M., will hold its regular meeting next week Monday. Multnomah Lodge No. 1, A. F. and A. M., holds its regular meeting Saturday. Work in the F. C. degree. Albert Schilling has temporarily opened up his saloon in Graham's building on upper Main street while repairs can be made on the Schram building from which he was lately burned out.

Take a dose of DeWitt's Little Early Risers just for the good they will do you. These little pills are good for indigestion, good for headache, good for liver complaint, good for constipation. They are good. C. G. Huntley, druggist. If you don't believe that the Farmers Home sets a table equal to the best family in this country, take a meal there and be convinced. Mr. and Mrs. Summers certainly understand how to set up an attractive table. Remember the place opposite the court house.

Wilson & Cooke have moved their stock of hardware one door south of the Commercial Bank, but will still occupy their old stand for farm implements, such as Bain wagons, Oliver plows, Buckeye and Pitcher pumps, cultivators, hay rakes, mowers and wheelbarrows. The Barclay building on Main street, formerly the home of Dr. W. E. Carll will be moved back on Water street facing the river, by P. H. Hatch of Portland, the coming week. It will be thoroughly renovated and made over into a convenient dwelling house. Unsuspected disorders of the kidneys are responsible for many of the ordinary ailments of humanity which neglected, develop into a serious and perhaps fatal malady. Experience would suggest the use of Dr. J. McLean's Liver and Kidney Balm. For sale by C. G. Huntley, druggist.

The art of photography has made such progress that it is now possible for first class pictures to be turned out at the price heretofore asked for plain work. Brown, the photographer, in the quality of his work is equalling the best to be had in Portland and prices are so low that good pictures are within the reach of all. Call at his gallery upstairs adjoining Harding's drug store and see his samples.

"Grim Like a Cheshire Cat." "Well, well! Didn't ever hear of a 'grim like a Cheshire cat'? Why, you see a man down in Cheshire had a cat that grinned and grinned until there was nothing left of the cat but the grin, just as some scrofulous people who don't know of Dr. Pierce's Golden Medical Discovery, get a cough and then cough and cough until there is nothing left to erect a monument to but the cough."

The "Golden Medical Discovery" is the most effective anti-bilious, anti-dyspeptic, strength-giving remedy extant. For weak lungs, lingering coughs, spitting of blood, scrofula, sores, pimples and ulcers, it is a wonderful and effectuous remedy. Send six cents in stamps for a book (160 pages) on these diseases and their cure. Address World's Dispensary Medical Association, Buffalo, N. Y.

Dr. Pierce's Pellets cure constipation, piles, sick headache, and indigestion, or dyspepsia. It wouldn't do any good to remark that H. E. Cross has 10 1/2 acres of fine land this side of Clackamas Heights that he could be induced to part with at \$100 per acre, almost one-fourth what like property was selling for some years ago. People won't buy land now, but will wait until the next big boom and pay three times the present value of land and think that they are getting a big bargain. What big fools we all are anyway. Jay Gould said "when things are cheap, buy—when they are dear, sell."

W. H. Burghardt returned Tuesday from a short trip to his farm four miles above Sandy on the Cherryville road. He is having more land cleared and is preparing to go into the apple and other fruit raising business. The conditions for fruit growing being extra good in that locality owing to the nearness to the mountains which render the climate fatal to the insect pest that infest the low country along the rivers.

As will be noticed by his professional card in this paper, Mr. W. H. Dobyns has hung out his law shingle in Canby. Mr. Dobyns was a former resident of this county and was a very successful teacher, but of late he has resided in Portland where he was engaged in practicing law. He is a young man of industry and of unquestionable integrity and he should meet with the success that his merits entitle him to.

H. O. S. Phelps one of the leading farmers of New Era, was in Oregon City Saturday. Of the fruit prospects Mr. Phelps states that he has no reason to doubt but what a good crop will be had this season. The buds so far have advanced but little and the cold weather is holding them so that danger from cold rains later on is not so very great.

Dr. J. W. Norris met with quite a painful accident last week. While unharassing his horse, he slipped and struck his foot against a board, spraining his ankle quite severely. The doctor is at present on crutches, but expects to recover the use of his foot in a short time. Notwithstanding the accident he has been able to attend his patients.

The stereopticon entertainment given at the Methodist church, Friday evening under the management of Edgar and Samuel Saunders, was enjoyed by a large number of spectators, and proved to be a success also financially. The young men who conducted it, are brothers-in-law of Prof. S. V. Holmes, and are students at the Portland university.

James Holliday has resigned his position at the W. P. & P. Co., and will be electrician at the new electric plant, which will commence running in about ten days. He will be assisted by John Harrisberger, formerly of the Northwest General Co., of Portland.

It seems hardly possible, but nevertheless it is true, that on an average every fifty-fifth person you meet wears W. L. Douglas shoes. Did you ever realize what an immense undertaking it is to supply one article of wearing apparel to over one million people?

Court Robin Hood is endeavoring to make their meetings edifying as well as interesting, as a committee was appointed at their last meeting to look after a short literary programme, for each regular meeting. When your guide man comes home at 'teen, He eye expects to see Two coo's clippers on the hearth, And a cup of Japoo Tea.

They all smoke the Kermesse cigar. E. E. Williams, the grocer, sells it.

County Grange.

Twelve of the thirteen granges in Clackamas county were represented in the session of the county grange held in this city Monday. J. Skurvin, of Marquam, was chosen chairman and S. C. Young, of Damascus, secretary. After some routine business had been transacted the election of delegates to the state grange to meet in Oregon City on the fourth Tuesday in May next was had. The following were chosen as delegates: C. F. Howard, Mrs. Mary S. Howard, J. L. Kruse, Mrs. Louisa Kruse, A. V. Davis, Mrs. E. M. Davis, A. Lewelling and Mrs. Mary Lewelling. The alternates were as follows: A. J. Sawtell, Mrs. Eliza Sawtell, T. L. Turner, Mrs. N. E. Turner, S. C. Young, Mrs. Irene Young, Louis Funk and Mrs. Belle Funk.

Addresses were made by Dr. Casto, district deputy, and other prominent grangers. The reports showed that the order was prosperous and had taken on a new growth throughout the county.

Park Place Literary Society. On the evening of Saturday last the people of this vicinity gathered at the school house to listen to the debate and the literary exercises of the evening. The question was "Resolved, That the pen is mightier than the sword." The affirmative won the debate. The main feature of the evening was a solo by David Close. He was encored after which he gave the mate to it. On next Saturday evening the question, "Resolved, That liquor has done more harm to the human race than wars," will be discussed jointly between the Park Place boys and the boys of the Franklin club, whose meetings are held in the Congregational church in Oregon City. An excellent program is being arranged. The Park Place band will be present and a good time is expected as this will close the meetings for this season. Let everybody come. FRED HARGREAVES, Sec.

The Boy Debaters. The last meeting of the Franklin Lyceum was one of the best of the season, and among the principal features of the evening were the humorous reading of Goy Clark, which was received by bursts of laughter, and the debate: "Resolved That the prohibition of the liquor traffic would benefit the American people." was ably discussed by the Tompkins brothers on the affirmative and Fred Meindle and Edgar Mersese on the negative. Fred once more distinguished himself as a very forcible speaker, and was applauded in a very enthusiastic manner. The meeting was closed with the effective address of W. Logas. Meeting next Friday. A grand time is expected. Election of officers will also take place. E. M.

The W. C. T. U. meets this week, at the home of Mrs. Matta White, Friday at 2:30 p. m. Eureka. The motto of California means I have found it. Only in that land of sunshine where the orange, lemon, olive, fig and grape bloom and ripen and attain their highest perfection in mid-winter, are the herbs and gum found that are used in that pleasant remedy for all throat and lung troubles.

Santa Abie, the ruler of coughs, asthma and consumption, Mr. C. G. Huntley has been appointed agent for this valuable California remedy, and sells it under a guarantee at \$1 a bottle. THE STUDY

of the action of medicines, or vegetable compounds, upon the stomach and bowels in many instances of cases, long ago convinced Doctor R. V. Pierce, Chief Consulting Physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., that all cases of Indigestion, Dyspepsia and Liver Complaint could be cured permanently if the right treatment were given. In support of his belief that he had discovered an alternative extract which he called "Golden Medical Discovery," that would cure these diseases, he collected from all parts of the country the evidence of those who had used his medicine, and he has asked the public to investigate for themselves, as he would be glad to furnish the names and addresses of thousands of people who have used Dr. Pierce's Golden Medical Discovery. All interested should send for a little medical treatise on Dyspepsia, Chronic Diarrhea, "Liver Complaint," Biliousness, Constipation and Piles, published by the World's Dispensary Medical Association, Buffalo, N. Y., and mailed on receipt of six cents in one-cent stamps. This book also contains the photographs and testimony of many persons who have suffered from diseases of the digestive organs.

INDIGESTION; SEVERE PAIN IN STOMACH. THOMAS FLETCHER, of Clifton Station, Fairfax Co., Va., writes: "I suffered the terrible tortures for ten years with what your Dr. Pierce's Common Sense Medical Adviser describes as 'Gastralgia' (pain in stomach). I employed over half dozen bottles of a cery compound without any benefit; then eight bottles of iron tonic, yet I was no better; this was in 1886. I then took six bottles of Dr. Pierce's Golden Medical Discovery, which made a new man of me. I am now fifty-two years old, and for the past five years I have worked very hard on my farm. It is impossible for me to say too much for the 'Golden Medical Discovery'."
