The ladies of St. Paul's Guild of the Episcopal church, gave an entertainment and social at Armory hall, Thursday evening, which was largely attended, and which proved to be a success both socially and financially. A very interesting musical program was rendered, after which refreshments were served and a sociable time enjoyed by those present. The entertainment of the Y. P. S. C. E. of the Baptist church given last Friday evening was one of the most successful ever given by the young people of that church. A pleasing program was rendered embracing songs and recitations with a well executed umbrella drill by a squad of young girls, and club swinging by Mr. Brown, of Portland. Refreshments were served in the reception room after the close of the literary program. A serious accident occurred at the W. P. & P. Co.'s mill, on the West Side, Tuesday night. He was taken to the Oregon City hospital on the 10:20 car where the operation was performed by Dr. Sommer, the arm being taken off just below the elbow. The young man, who recently came from Stockton, Cal., is getting along as well as could be expected.

Easter at the Churches

Easter day was observed by the different churches of this city in an appropriate manner by special services, floral decorations and the rendition of choice music. The Easter decorations at the Congregational church were the most elaborate ever seen at this time of year. Among numerous designs of Oregon grape and multitudes of other flowers were three dozen calla lilies sent by friends from California. azalia shrubs in full bloom, pillows of pansies and hyacinths that filled the house with perfume. Dr. Cowan preached on the Resurrection. The annual Easter concert in the evening was a delight to the immense congregation that filled every available sitting. Very great credit is due to Mrs. F. F. White who is training up so many song birds among the little people. The little girls in their white dresses were fair as the Easter lilies of which they sang. At St. Paul's Episcopal church the decorations and floral pieces, which were composed entirely of white flowers, were especially beautiful and a large contribution of callas from California, added greatly to the attractiveness of the church. The rector, Rev. Isaac Dawson, conducted the services. There were two celebrations of the holy Eucharist, one at 8 o'clock, a. m., and one later at 11 o'clock, morning service. In the evening, a children's service was held in place of the usual evening prayer. At St. John's church, Easter was commemorated in a manner appropriate to the church's greatest festival. The altar was handsomely adorned with quantities of callas and lilies artistically arranged, and the services were very impressive, the event of the day being the celebration of high mass at the morning service. At the First Presbyterian church the decorations were very elaborate, and large congregations assembled at each service during the day, to listen to the Rev. A. J. Montgomery, who preached sermons morning and evening suitable to the occasion. Easter services of unusual interest were held at the first M. E. church. There was a profuse display of flowers, the church being attractively decorated. A children's service consisting of exercises and singing took the place of the usual morning service and in the evening Rev. T. P. Boyd, of Portland, occupied the pulpit. Special Easter music marked the day at the First Baptist church, and Rev. M. L. Rugg, pastor of the church, delivered appropriate sermons both morning and evening. A Pleading Success. Prof. W. F. Werschkul, who has charge of the singing class in the Presbyterian church of this city, conducted a concert on the 10th inst., given by his class of the Y. M. C. A. of Portland. Of its success the Sunday Oregonian has the following to say: "The concert on Thursday evening at the Y. M. C. A. hall, given under the auspices of Prof. Werschkul, assisted by Miss Binnie De Forest, the elocutionist, was a decided success. The program was attractive and rendered by the class in excellent taste. The attendance was very large, and many were unable to gain admission. The selection by Miss M. Haynes and Mr. W. Haynes, pupils of Prof. Werschkul, was enjoyed very much, while the readings of Miss DeForest were enthusiastically received. Mrs. E. M. Bergen, accompanist, deserves much credit for her good work, as does Prof. Werschkul for his excellent solos." T. P. Boyd, an evangelist from Portland, has been conducting a series of revival meetings at the First M. E. church in this city for the past two weeks. There is a large attendance at these meetings, and much enthusiasm manifested. A special service was held Wednesday afternoon for school children, and an illustrated sermon delivered by Rev. Boyd which was very instructive. Died, in this city, Wednesday, April 17, Silas F. Scripture, aged 1 year, 5 months and 12 days, youngest son of S. F. and R. E. Scripture. The funeral will take place today (Friday) at the M. E. church, at 2 o'clock p. m., Rev. Gabriel Sykes officiating.
