CHAT ABOUT TOWN.

Wool wanted at Charman & Son's store.
If you want a good pump buy the Buckeye of Wilson & Cooke.

Straw hats of all styles, colors, sizes and prices at Moody & Rineason's.

Orders left at Frank Barlow's store, for 4 foot or 16 inch wood, promptly filled by F. Parker.

The Gladstone Mill Company have succeeded in rafting 1,000,000 feet of logs down the Clackamas.

Wise is he who buys a home and stops paying rent. C. O. T. Williams can fit you out on easy terms.

Sick Headache, constipation and indigestion are quickly cured by De Witt's Little Early Risers, the famous little pills. C. G. Huntley, druggist.

J. M. Cummings is the proprietor of the Oregon City-Malino-Clark stage line, instead of J. G. Cummins as was unintentionally announced in last week's issue.

Now is the time to spray for the cotton moth and caterpillar. Schwan & Putrow handle a spray pump that is simple, effective and low in price. Call and examine them.

E. S. Calkins, road foreman for Pleasant Hill precinct, was in Oregon City Friday, consulting Road Engineer Kinnaid and the county court in reference to road matters.

Daniel and Jacob Tompkins have an unusually large market garden this season, and are already delivering early vegetables around town. Their garden gives promise of a splendid yield this year.

Ira Wishart, who formerly had charge of Huntley's branch stationery store in the postoffice building, is now employed in Charman & Co.'s drug store. Henry Scott succeeds Mr. Wishart in the stationery store.

Joseph N. Rice, a graduate of the Wisconsin law school, and a classmate of L. L. Porter at the Ann Arbor, Michigan university, has located in Oregon City for the practice of law. He will have his office with L. L. Porter.

Henry E. Reed is now managing editor of the Portland Daily Sun, and Edwin Scott is business manager. Both have at times in the past held important positions on the Oregonian staff, and they are capable of making the Sun a great paper.

Gladstone greenhouse is the place to get your plants. A fine collection on hand of begonias, heliotropes, geraniums, cinerarias, fuchsias, petunias, pelargoniums, chrysanthemums, carnations, callas, etc., at bed-rock prices.

Disorders of the stomach and bowels, eruptions of the skin, disturbed sleep, and similar disorders in infants, are all relieved by Steadman's Soothing Powders.

Wise is he, who buys property when no one else is buying, because he can then buy cheap. C. O. T. Williams can fit you out on easy terms.

Wilson & Cooke have moved their stock of hardware one door south of the Commercial Bank, but will still occupy their old stand for farm implements, such as Bain wagons, Oliver plows, Buckeye and Pitcher pumps, cultivators, hay rakes, mowers and wheelbarrows.

Charles Hill has traded his house and lot in West Oregon City to Barney Dolan for a lot in Sunset addition. Mr. Dolan will move into his newly purchased premises as soon as Mr. Hill vacates the same, and the latter will erect a new dwelling on his recently acquired Sunset property.

Murray & Morrison, the well known Oregon City architects, recently drew plans for the new Cumberland Presbyterian church at Portland, which have been accepted. The acceptance of these plans is a merited compliment to our home firm, whose work is winning laurels everywhere.

The Crown Paper mills are running to their full capacity on fruit paper, filling orders principally from California. They have an order from one firm of fruit growers in California for 87 tons of paper. They expect to manufacture at least 500 tons of fruit paper, this season. They have been making an extraordinary quality of fruit paper for the past two years, and it is in great demand.

Oregon City people should remember that the steamer Ramona still makes regular trips to and from Portland. The officers of this boat are uniformly courteous and accommodating, and a ride on this well equipped boat is a luxury during these pleasant spring and summer days. Passenger and freight rates are reasonable and the boat makes prompt and regular trips.

BOARD OF TRADE MEETING.

Important Matters Considered and Descriptive Pamphlet Ordered Printed

The board of trade held their regular monthly meeting in the county court room Monday evening. President E. E. Charman presided and there was a good attendance of the members.

Mr. Huntley of the advertising committee, reported that they had received a reduced bid for printing the illustrated descriptive pamphlet of Oregon City from Charles Meserve, and the cost would now be \$190, and that work would begin on the book as soon as a portion of the money was in the hands of the treasurer.

The resignation of Charles Meserve as treasurer of the board was read and accepted, and T. L. Charman was elected to fill the vacancy.

A communication was received from the consular general of Mexico, stating that an international exposition would be held in the capital of that republic, beginning on the 24 day of April, 1906, with invitation to participate.

A communication was received from Dr. J. Casto relative to properly entertaining the state grange, which convenes in this city on the 25th day of May. On motion the matter was referred to the reception committee and president, with power to act. It was recommended that the courtesies of the city be extended to the members of this representative body, etc.

The amendments to the by-laws and constitution at the last meeting providing for a committee of three on railroads and transportation, a committee of eight on reception and the committee on membership increased to five were adopted.

An amendment was read making the secretary collector of dues, instead of the treasurer, he to turn the amounts over to the treasurer when collected.

D. W. Kinnaid was elected a member of the board.

Col. R. A. Miller was called upon, and spoke of the immense advantages that would result to Oregon City in having a successful session of the Chautauqua Assembly at this place, as well as other assemblies of a conventional nature. He told how Ashland had erected a large auditorium in a week's time as permanent quarters of the Southern Oregon Chautauqua association; how the enterprising citizens had donated labor, material and money and now had an assembly tabernacle that was a model of comfort, convenience, and its acoustic properties could not be excelled. He spoke of the moral and educational features of the Chautauqua, its power for doing good, and that it might lead to the establishment of a great home educational institution. Col. Miller stated that he and State Superintendent G. M. Irwin had been busy all day in Portland endeavoring to secure concessions from the transportation companies in the matter of special rates. The Southern Pacific offer one and one-third rates for round trip to the Chautauqua Assembly, and besides they offered to run special trains of evenings, something which they declined to do a few weeks ago. The O. R. & N. Co. gave a rate of one and one-fifth fare, and offer to carry some of the talent free.

H. E. Cross urged the importance of erecting a suitable building for the Chautauqua Assembly before that body convened, July 10th; that our citizens should see that the affair is made a grand success. He said that he was now in consultation with the Y. M. C. A. in reference to the establishment of a permanent summer school, etc. He told how Col. Miller and Mrs. C. H. Dye were devoting much of their time to the work; the latter was putting in from seven to eight hours a day assiduously working in the cause.

H. S. Strange made a few remarks in behalf of the State Teachers' Association in favor of building a suitable auditorium to provide against the possible contingency of a shower. On motion the matter of entertaining the Chautauqua visitors was referred to the reception committee and president with authority to act.

C. O. T. Williams announced that the G. A. R. encampment would be in session in this city June 17th and 18th, and that they should be extended the courtesy of the city and given a banquet, probably on the last day. Capt. Apperson and G. A. Harding asked on behalf of the G. A. R. that the president of the board of trade appoint members on certain committees to act in conjunction with the G. A. R. committee, a portion of said committee to be filled by appointment by Mayor Straight at the next meeting of the council. The president appointed C. O. T. Williams on said finance committee and the reception committee were instructed to fill out the balance of the representation on the committee.

H. P. Bestow reported that an arch for advertising purposes could be constructed at the depot at a cost of \$35.

Road Matters were discussed and the Singer hill road was brought up, but nothing definite determined.

Sidney Smyth suggested that it was time to take some action in reference to the celebration of the Fourth of July, but no action was taken.

Y. P. S. C. E. State Convention.

The following was handed in by one of the Oregon City delegates to the union endeavor state convention:

The eighth annual convention of the Oregon Christian Endeavor or union, as-

sembled at the Presbyterian church, Salem, Thursday, May 9, at 2:30 P. M. At its close Sunday evening, Dr. F. E. Clark, the founder of the Christian Endeavor movement, said that he thought he ought by this time to be able to recognize a good convention when he saw it, and that ours seemed to him to have all the marks of a thoroughly good convention. Of the Junior Rally Sunday afternoon, planned and conducted by the State Junior Supt., Mrs. W. D. Palmer, of Portland, Dr. Clark said that it was one of the very best he had ever seen. In these estimates others of less experience certainly agree with him.

The ENTERPRISE can hardly afford space for a detailed report of the exercises. Suffice it to say that with a central place of meeting like Salem, and with such attractions as an address by Dr. Roland D. Grant, and the presence of the father of Christian Endeavor, whom all endeavorers admire and love, and with the enthusiasm sure to be developed in a crowd of 500 delegates from all roads, besides those residing in Salem, there was every condition for a meeting of rare power and profit, and that the conditions were fully matched by the outcome. The spacious church was crowded at every session, and jammed at every evening service. Sunday the great Methodist church, as well as the Presbyterian, was filled to the very sidewalk. Dr. Clark addressing in succession the two audiences, which numbered together not less than 1500 people. In the whole four days there was not one dull hour, and at special points the enthusiasm was unbounded. Notable moments were that when the convention rose to greet Dr. Clark on his first appearance, that when he led the service of "heart searching," and that when he uttered his parting words Sunday evening. A thousand good things were said, but those who wish to know what they were will have to attend the various meetings at which the Oregon City delegates will report.

Among the incidents of the convention were the presentation to Dr. Clark of a fine umbrella, suitably inscribed, and adorned with a frog's foot in silver. The glorious weather enjoyed throughout the convention was fully appreciated by the endeavorers, but some of them almost wished that it might be interrupted by at least one little shower, so that this characteristic present might be christened on Oregon soil. Dr. Clark was also presented later with a gold mounted gavel, made of Oregon manzanita, and provided for the convention by the Salem local union. Dr. Clark promised that the International Convention at Boston, in July, should be called to order with this gavel, and that it would hereafter be preserved in his Christian Endeavor cabinet as the special souvenir of that convention.

Another presentation was that of an inscribed solid gold endeavor pin to Mr. W. H. Morrow, of Portland, who has been for several years the hard working and efficient state secretary. He is succeeded by Prof. Staley, of Salem, while Rev. W. P. Miller, of Portland, also surrenders the presidency to Mr. H. S. Gile, of Salem.

With Mrs. Dye at their head, the Oregon City delegation used every effort to enthrone the convention with expectation concerning the Chautauqua Endeavor day, July 10th. It was evident that these efforts were successful, and it is expected that the Salem delegates will be on hand en masse at the opening of the assembly.

The arrangements for the meeting on the part of the local union were complete. The meetings throughout were delightful, and those who were there were sorry for those who were not. However, one of the chief privileges of the convention may yet be enjoyed by the absentees, as Dr. Clark is to stop a day in Portland on his way from Washington to California, and will appear in an afternoon reception and an evening public meeting. This will probably be on Tuesday or Wednesday of next week. Oregon City endeavorers ought to go in a body and shake hands with a man who is at least as famous as the average president of the United States.

It is expected that the next state convention will come to Oregon City. The only question will probably be whether we can take proper care of so many delegates. Can We? Oregon City endeavorers answer.

Nothing is more pleasant than a trip up the Willamette these warm days, as the scenery is delightful and the changing panorama of scenic views along the river is grand. The steamer Altona has made the fastest time on record on the upper Willamette, and the boat is supplied with all the conveniences and luxuries of a palace car. This boat leaves Oregon City for Salem, Independence and wayside points at 7:15, Tuesday, Thursday and Saturday mornings.

Mrs. T. S. Hawkins, Chattanooga, Tenn., says, "Shloh's Vitalizer 'SAVED MY Life.' I consider it the best remedy for a debilitated system I ever used." For Dyspepsia, Liver or Kidney trouble it excels. Price 75 cents. For Sale by G. A. Harding.

To allay pains, subdue inflammation, heal foul sores and ulcers, the most prompt and satisfactory results are obtained by using that old reliable remedy, Dr. J. H. McLean's Volcanic Oil Liniment. For sale by C. G. Huntley, druggist.

Police Court.

Recorder Fouts' court has been grinding out stern justice on more than one occasion during the past week. W. E. Carl brought suit against W. M. and Julia M. Robinson for the recovery of \$8. A jury trial was demanded which brought in a verdict for the plaintiff for the amount and costs, amounting to \$29.10. George Hannigan was arrested Sunday by Deputy Sheriff D. E. Sheppard for assaulting G. W. McDougal. McDougal was barely able to walk at the time, having crippled feet. Monday morning Hannigan was fined \$10. Monday evening Chinaman Tom and Chinaman Charlie were fighting and clawing each other with a vengeance, but before they could get through Chief of Police Burns appeared on the scene and carried them both before the recorder. They were fined \$12 each. Tom paid his fine, but Charlie is saving money by boarding his fine out in jail.

There was a most pleasant surprise party at the residence of Geo. Howard in Green Point addition to Oregon City last last Friday evening. While Mr. and Mrs. Howard were temporarily absent up town, about fifty friends assembled at their residence, and the occasion proved a most enjoyable one. The guests brought lunch with them and music and social conversation enlivened the gathering.

Mrs. H. A. Young delivered a very interesting art lecture before the McLaughlin Chautauqua circle at her home Monday night. Several Chautauquans were present from other circles, and all enjoyed the occasion immensely. Mrs. Young's home is a veritable art gallery, and she has just completed a painting of a bunch of lilies, that cannot be excelled for delicate coloring and finish.

Deputy District Attorney L. L. Porter was called to Marquam Tuesday to represent the State of Oregon against John R. Jones in Justice Jack's court, who was charged with stealing harness by Thomas Garrett. A jury was summoned and they found him guilty of petty larceny, and the justice fined him \$25 and costs.

Josie, the little eight-year old daughter of Prof. W. S. Holmes, city superintendent of schools, was in the yard of the residence playing with another little girl, and some matches they had, ignited setting fire to the clothes of the former, and she was badly burned before assistance arrived and the flames extinguished. No serious consequences are anticipated, and she is getting along as well as could be expected.

The Park Place band are practicing nightly for the Decoration day festivities, and are attaining a degree of efficiency that is commendable. The Oregon City band has disbanded, and unless outside talent is secured the Park Place band will have to provide most of the music for the G. A. R. encampment.

Miss Hattie Cochran, teacher of the second grade in the Barclay school, gave her pupils a picnic outing at Gladstone Park last Saturday. A may queen was crowned and the little ones enjoyed the day immensely through the kindness of their teacher.

Removal.

Drs. Hickey the dentist owing to the increased practice in their Portland office has been compelled to discontinue their Oregon City office. Parties desiring dental work will find them in the Dekum building Third and Washington streets Portland. Those having \$5 or more worth of work done will have their round trip fair deducted from their bill.

B. H. Bowman; Pub. Enquirer; of Bremen, Ind., writes: Last week our little girl baby, the only one we have, was taken sick with croup. After two doctors failed to give relief and life was hanging on a mere thread we tried one minute One Minute Cough Cure and its life was saved. C. G. Huntley, druggist.

Our patrons will find De Witt's Little Early Risers a safe and reliable remedy for constipation, dyspepsia and liver complaint. C. G. Huntley, druggist.

attracts universal attention. The same is also true of a handsome hat or bonnet. All beauty is destroyed unless the face and head are harmonized—we understand the art. Our stock of millinery is complete—all the latest designs. No trouble to show you our goods. Prices to suit the times—we meet Portland competition.

"RUN-DOWN,"
"tired out" woman who complains of backache, headache, loss of appetite, extreme lassitude and that "don't care" feeling is pretty sure to be suffering from "Female Weakness," some irregularity or derangement of the special functions of womanhood. Very often womb troubles set the nerves wild with affliction and as a result the woman suffers from sleeplessness, nervousness, nervous prostration, faintness and dizziness, irritability and indigestion. In all cases of irregularity or suspended monthly function and in all those nervous diseases depending upon local causes, Dr. Pierce's Favorite Prescription will restore you to perfect health. Instead of the exhaustion and feeling of weight and dragging down in the abdomen, you feel fresh and strong. For young girls who suffer from irregularities, for the hard-working woman who suffers from catarrhal inflammation of the lining membranes causing a constant drain upon the system, there is no prescription used by any physician which can equal in results Dr. Pierce's. For over thirty years Dr. R. V. Pierce, chief consulting physician to the "Invalids" Hotel and Surgical Institute of Buffalo, N. Y., has used his "Favorite Prescription" in the diseases of women which had long been his specialty and in fully ninety-eight per cent. of all cases, it has permanently cured.

Mrs. JOHN M. CONKLIN, of Pittsford, Putnam Co., N. Y., writes: "I am enjoying perfect health and have been since I took the last bottle of Doctor Pierce's Favorite Prescription. I took five bottles of it. Never expected to be any better when I commenced taking it, but thank God, I can say that I am glad it reached my home. I had falling of the womb, and flowing caused by miscarriage, and was very weak when I commenced taking your medicines. I was cured by taking five bottles in all—two of the 'Favorite Prescription' and three of the 'Golden Medical Discovery.'"

Money Loaned.

First Mortgages on Improved Farm Property Negotiated.

We are prepared to negotiate first Mortgages upon improved farms in Oregon, with eastern parties at a rate of interest not to exceed 9 per cent. per annum.
