SUCCESSFUL MUSICAL CONCERT.—The musical concert given at the Presbyterian church last Thursday evening under the direction of Professor W. F. Werschkul, assisted by Miss Lizzie Mae Bentley, Willis Hagnes and Mary Haynes, of Portland, and the local chorus, was a successful and high class entertainment. And to Miss Margaret Williams belongs the credit for the successful management of the affair, and Mrs. F. F. White as accompanist, aided materially in the success of the entertainment. Miss Nina Caples piano solo was first on the program, and it received merited applause. This was followed by an anthem by the well trained chorus, and a duet "Maying" by Miss M. Hagnes and Mr. W. Haynes. Miss Mae Bentley's recitation, "Rose of the Cloth of Gold," was followed with glees by the chorus, "Come to the Wildwood," alternating between the parts with "Whistling John" fairly brought down the house. The soprano solo by Miss Margaret Williams, "Fly Forth O Gentle Dove" was rendered acceptably and well received. The chorus rendered several more excellent numbers, and all indicated the careful training they had received from their instructor, Professor Werschkul. The male quartette Messrs. Werschkul, Williams, E. F. Driggs and L. Driggs rendered two selections of excellent merit, Miss Mae Bentley favored the audience with a piano solo, Miss Haynes with a soprano solo and Mr. Haynes with a tenor solo. Miss Bentley gave another recitation, which displayed her elocutionary accomplishments to good advantage. The most excellent entertainment closed with "Good Night Beloved," by the chorus.

FOR GOOD ROADS.—F. J. Beatty, one of the Salem Capitol Journal's 5000 mile bicycle riders, was in Oregon City Friday. He had just completed 500 miles in eight days and goes through to the Columbia river, and returns up the valley along the foot hills to Salem. He will then make a tour of the country south of Salem. The other rider is taking in west side sections, and they make daily reports to the Journal whenever practicable, on the condition of the roads. Mr. Beatty had so far met with no accident to his wheel, but found several stretches of road, where he had to get off and push his wheel along. The Journal is doing this to advance the cause of good roads, and its enterprise is to be commended. Mr. Beatty took notes of the construction, etc., of Oregon City's Main street brick pavement and especially favors this method of street improvement.

STATE ENDEAVOR CONVENTION.—The state convention of the Y. P. S. C. E. has just closed a most successful session at Salem. The occasion was made memorable by the presence of Rev. F. E. Clark, who organized the first Christian Endeavor society at Williston church, Portland, Maine, February 2, 1881. There were 504 delegates in attendance and the secretary's report shows 12,638 endeavorers in Oregon in 240 societies, 148 senior and 92 junior. Misses Mattie Gray, Sadie Leaver, Lelia Cheney, Mrs. C. H. Dye, Mrs. Dora M. Gray, Robert Warner, Leroy Case, W. G. Beattie and Dr. J. W. Cowan represented the different Oregon City societies at the convention, and they took a prominent part in the proceedings. Miss Mattie Gray was a member of the consultation committee to receive Father Clark, and Mrs. Dora Gray favored the convention with a solo at one of the evening sessions. Mrs. C. H. Dye delivered short addresses on several topics, and under the head of greetings, conveyed to the assembly the hearty greetings of the Chautauqua circle. Dr. Cowan took a prominent part in the deliberations of the convention and had charge of the ceremonies attending the presentation of banners, and as founder of the junior endeavor society took an active part in the junior rally Sunday. The next state rally of the Young People's Society of Christian Endeavor, will be held at Gladstone Park, July 10th, the first day of the Chautauqua assembly. This will be Endeavor day, and the young people will certainly make it one of the greatest days of the assembly. Dr. W. C. Kantner, of Salem, and Dr. Wallace, of Portland, will deliver addresses. The Ladies' quartet, of Salem; the Ladies' band, of Corvallis, and Professor Warren's Y. P. S. C. E. choir, of Portland, have been engaged for special music.

DONATION LAND CLAIMS.—Parties interested in donation land claim lands, should take advantage of the limited time remaining to secure an undisputed title. The matter of perfecting title to donation land claims in Oregon Washington and Idaho, under the act of September 27, 1850 cannot be delayed much longer. Last July congress passed an act limiting the time for completion of title to such lands by requiring that final proofs be made before January 1, 1896, and the Oregon City land office has received a circular of special instructions in relation thereto. The final proofs may be made by the original settler; by those claiming rights by virtue of descent, devise, judicial sale, grant or conveyance in good faith from the claimant, if the claim to 20 years of quiet adverse possession can be established, or by a homesteader, in case no proof is submitted by either of the first two classes named, who was upon the land in good faith before January 1, 1894. The homesteader, however, can obtain the right only to purchase from the government 160 acres at \$1.25 an acre. The object sought is to close up the donation land business originating at that early date, and prompt action will be necessary to perfect rights in the premises.

A BICYCLE ACCIDENT.—Thirteen local bicyclists were racing over the smooth brick pavement on Main street last Friday evening. They started from a point near the flouring mills and were gliding along with a clear coast in view, when a dog rushed out of Wheeler's barber shop and ran against the bicycle of Herman K. Jones was riding, causing it to upset and throwing the rider to the ground. T. F. Cowing Jr. was following close behind and could not check his rapidly moving wheel in time to prevent it passing over Jones' face while he lay on the pavement. He was picked up insensible and carried to Mr. Norris' office where the wounds were dressed. He received a severe cut on the nose, and several slight cuts and bruises on other parts of his face, but nothing serious. His nose was plastered up and he resumed his place at his desk in the Oregon City bank Monday morning.

FRACTURED WRIST.—Henry Baker, the 13-year old son of John Baker, who lives four miles out from town on the Molalla road, now nurses a broken wrist. Laurence Mounts, of Maple Lane, had been hauling wood for Mr. Baker, and last Saturday evening young Baker started to accompany him home, riding one of the horses, which had been unhitched from the wagon, but the harness had not been taken off. When they were within a quarter of a mile of the Mount residence, the horse Henry Baker was riding hugged the rail fence pretty close, and a rail caught in the harness causing the horse to stampede, throwing young Baker violently to the ground, causing a fracture above the wrist. Dr. Sommer was called and set the broken limb, and the boy is on the road to recovery.

A DOLLAR EXPERIENCE MEETING.—A very interesting musical concert and dollar experience meeting was given at the M. E. church Tuesday evening. The admission was only five cents and the large auditorium of the church was pretty well filled. A very entertaining program was rendered and first was a vocal solo by F. H. Morrison; recitation by Minnie Dutcher; a duet by the little Boylan boys with guitar accompaniment, was excellent, and they responded to an encore; reading by Mrs. Williams; vocal solo by Mrs. Sadie White, who responded to an encore; recitation by Mrs. Pierce; a

duet by Messrs. Miller and Morrison; a vocal solo by C. A. Miller. The above program was interspersed with experiences of the members, who told how they had earned a dollar for the work. Mrs. John Humphrey raised 35 cents by doing a neighbor's washing, made 10 cents blacking shoes and did other little jobs to earn the remainder of the dollar. Mrs. Williams worked in various ways to earn part of the dollar and borrowed the balance. Mrs. Olds made a dollar by baking a large cake and disposing of it at 5 cents apiece. Mrs. Tinkle earned her dollar by tacking up some bills, white washing a chicken house and doing sundry other chores. One lady made a dollar by making a couple of shirts. S. F. Scripture made 50 cents by shaving himself for a month, and earned 50 cents in his shop after working hours. A number paid in their dollars without giving in their experience, and thus several dollars were collected in. After the program ice cream was served at 10 cents a dish.

ADJOURNED COUNCIL MEETING.—At the adjourned council session Monday night Mayor Straight, Recorder Fouts and Chief of Police Burns were in their accustomed places, and all the councilmen were present except Meldrum and Porter. It was ordered that the remonstrance against the improvement of Sixth street with vitrified brick be filed. The Oregon City board of trade were granted permission to erect an advertising arch near the S. P. depot, under the supervision of the street commissioner. It was ordered that C. C. Balcock, street commissioner, be paid \$94.85 out of the cemetery fund. Councilman J. J. Cooke had been victorious at the previous meeting in preventing a forced collection from certain of the delinquents on the Main street assessment, while others had been granted further time; but all that was done at this time concerning these assessments, was an order directing the recorder to have notices published of the ordinances providing for rebates on the Main and Fifth street assessments, when said assessments were paid. Mayor Straight, George Broughton and Benjamin Jagger were designated a committee to act in conjunction with the G. A. R. committees in making preparations for the state encampment, June 17th and 18th.

HAVE DEPARTED.—Nearly two weeks ago a man and woman came to this city from Portland, and gave their names as Mr. and Mrs. M. J. Spencer, claiming that they were only recently married in Stockton, California. They secured rooms and Spencer obtained employment as a painter. They had only been here two or three days when the woman industriously worked the town with a subscription paper, asking for money to enable her to return to her people in California. Several dimes were secured in this way and last Saturday the husband gave the wife a gentle drubbing, but she did not seem to mind this much, as they both took the south bound train Sunday. Spencer claimed that he intended to send his wife to California, but would return himself. If they hold out together this enterprising couple will probably reach California in Comfortable style.

TEACHERS' ASSOCIATION.—The next regular monthly meeting of the Clackamas County Teachers association, will be held at the Mark's Prairie school house, three miles east of Barlow, Saturday May 25th. An excellent program has been prepared, and addresses will be delivered by a number of prominent educators, including J. U. Campbell of this city. The Aurora Junior orchestra will furnish music for the occasion, and this alone is a guarantee that those who attend will be abundantly entertained in the music line. On this occasion the Mark's Prairie school will have a picnic, and a basket dinner will be served, and W. T. Hankins, the teacher of the school will see that all visitors are royally entertained.
