The quartz is of a 9:4: p. m. reddish cast and pretty well filled with WILLAMETTE FALLS ELECTRIC RAILWAY, sulphurets. Mr. Russell' is interested in three different claims in the Ogle creek mines, and the miners feel conwiderably encouraged over the outlook as the work of development progresses. A number of claims have been lecated in this district, and several men are busy developing their mining properties. These claims as well as the extensive D J Krops to M E Kenagy Aug I '95 Red Rock mine are situated in Clackamas county, and further developments will be watched with interest. The Ogle creek mining district is about 21 miles from Wilhoit and the Red Bock ledge is about 18 miles from the same place. Clackamas county may yet become as noted for its mineral productions, as for its manufactures.
