The White Collar Line.

If you are going to the coast you will not regret if you take the steamers of the White Collar Line, the Ocean Wave, Telephone, and Bailey Gatzert, from Alder street dock. They have the speed, comfort and elegance that one expects of a first class steamer. Their staterooms are a delight for comfort. The meals served at their tables equal those at the Hotel Portland and are the best 50 cent dinner to be had on the river. Travelers by these steamers will find the officers efficient and accommodating and they spare no pains to make the trip for their passengers pleasant and enjoyable. These boats make the only direct connections with the railroad at Ilwaco for Seaview, Long Beach, Pacific Park and other points on North beach. They also connect direct with the railroad at Young's Bay for Gearhart and all points on Clatsop beach. Baggage checked direct through to any resort.

Independent Order of Foresters.

The I. O. F. founded in Newark N. J. in 1874. Its record is as follows: Membership 80,000; reserve fund \$1,350,000; paid beneficiaries, \$2,000,000. Average age of members 34 years; death rate only 5.47 per 1000. There are no assessments on death. Write for circulars to Wm. SANDERSON, Portland, Oregon.

Man Wanted.

A five man wanted in every township in Clackamas county to introduce "Diamond Drip" syrup. Is a first class article and good seller. Good wages to a rustler. Address, General Agent, box 443, Oregon City, Oregon.

Kenneth Bazemore had the good fortune to receive a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy when three members of his family were sick with dysentery. This one small bottle cured them all and he had some left which he gave to George W. Baker, a prominent merchant of the place, Lewiston, N. C., and it cured him of the same complaint. When troubled with dysentery, diarrhoea, colic or cholera morbus, give this remedy a trial and you will be more than pleased with the result. The praise that naturally follows its introduction and use has made it very popular.

Notice.

Notice is hereby given that on February 4, 1893 I sold my interest in the Butte Creek Grange Association to J. R. White and M. J. White, and they to pay all debts and collect all accounts.

Notice.

Travelers find a safe companion in De Witt's Colic and Cholera cure. A change in drinking water and in diet often causes severe and dangerous complaints. This medicine always cures them. C. G. Huntley, Druggist.
