Fine Stock.
On Saturday C. O. Albright received direct from Eastern Oregon 100 head of hogs and twenty four and five-year-old steers. The hogs were about as fine as ever seen in any state and as they were driven along the street in his pasture below town attracted considerable attention for they reminded many of the fine bands of hogs they had seen in the corn growing states. The steers were equally as fine and will make staks fit for a king. When it comes to providing good meat for his market Mr. Albright cannot be excelled and patrons of his shop are always sure of getting what they ask for. Mr. Albright has arrangements made for grain led stock sufficient to supply his market during the entire winter.

ld Fashioned
compound cathartics
Pills, blue pills, calomel or other mercurial preparations, should not be used in these days of enlightened medical science, when it is so easy to get a purely vegetable pill in concentrated form, sugar-coated, in glass vials, at any store where medicines are kept.
Dr. Pierce was first to introduce a Little Pill to the American people. Many have imitated them, but none have approached his "Pleasant Pellets" in true worth, or value, for all laxative and cathartic purposes.
Once Used, they are Always in Favor.
Assist Nature a little now and then, with a gentle, cleansing laxative, thereby removing offending matter from the stomach and bowels, toning up and invigorating the liver and quickening its tardy action, and you thereby remove the cause of a multitude of distressing diseases, such as headachess, indigestion, or dyspepsia, biliousness, pimples, blotches, eruptions, boils, constipation, piles, fistula and maladies too numerous to mention.
If people would pay more attention to properly regulating the action of their bowels, they would have less frequent occasion to call for their doctor's services to subdue attacks of dangerous diseases.
That, of all known agents to accomplish this purpose, Dr. Pierce's Pleasant Pellets are unequalled, is proven by the fact that once used, they are always in favor. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity, with sufferers from habitual constipation, piles and indigestion.
They absolutely cure sick headache, biliousness, constipation, coated tongue, poor appetite, dyspepsia and kindred derangements of the stomach, liver and bowels.
A free sample of the "Pellets," (4 to 7 doses) on trial, is mailed to any address, post-paid, on receipt of name and address on postal card.
Address for free sample, WORLD'S DISPENSARY MEDICAL ASSOCIATION, No. 663 Main Street, Buffalo, N. Y.
