LADIES!

"In five years I used 20 brooms at 25 cents each. Total cost, \$5.00. I have used my "BISSELL" sweeper five years—it cost \$3—and is good for five years more."

I have already saved \$2.00 in cash—still have my sweeper—and have also had the benefit of ease, pleasure and convenience; have saved my time, labor, carpets, health and curtains—all by use of a "BISSELL."

EDUCATIONAL NOTES

All communications intended for this column should be addressed to Mrs. H. S. Gibson, Oregon City, Oregon.

The number of principals, teachers and assistants in the public schools of Chicago is 4326, of whom all but 299 are women. The number of children enrolled is 291,390, and the cost per pupil is \$31.45 a year.

The Chehalis, Washington, school board has made an order prohibiting teachers under contract with the district from dancing or playing cards, and the action as might have been expected, has stirred up the towns social circles greatly.

When the public schools of New York city were opened the other day, 221,000 pupils appeared in the 140 schoolhouses where they were met by 4000 teachers. There are only 13 cities in the country, exclusive of New York, that have each a larger population than the number of the public school children of the metropolis, which goes to show not only what a great city New York is, but also how important it is that she should give close attention to the matter of popular education.

Under the new school law that took effect in Florida on September 1, it becomes a penal offense for an individual, corporation or association to conduct within the state any school of any grade, public, private or parochial, wherein white persons and negroes are instructed or boarded within the same building or taught in the same class or at the same time by the same teacher. Teachers who violate this law may, of course, be fined and imprisoned.

Teachers and the general public are again reminded that the Teachers' Association will meet at Molalla on Friday of this week. As the roads are at their best and the weather promises to be delightful, a large attendance is expected.

HEAVY TAXPAYERS.

The County Board of Equalization Has Completed its Labors.

The Clackamas county board of equalization has completed its labors and filed its report with the county court. It is a noteworthy fact that less than a half dozen changes were made in Assessor Bradley's figures. The only authority that has any power to make changes in the roll before the tax levy is made, is the state board of equalization. The assessment of the corporations foots up considerably higher than last year. In 1894 the Portland General Electric Company was assessed \$318,200; Oregon Iron & Steel Co., 177,948; Willamette Pulp & Paper Company, 74,700; Oregon & California Railroad Company, \$179,447; Oregon City Manufacturing Company, \$45,000; Portland Flouring Mills Co. \$45,000; Crown Paper Company, \$27,000; Gladstone Real Estate Association, \$15,750; East Side Railway Company, \$13,900. The totals for that year foot up \$887,045. For 1895 these same corporations are taxed as follows: Portland General Electric Company, \$316,650; Oregon Iron & Steel Company, \$177,979; Oregon & California Railroad Company, \$158,041; Willamette Pulp & Paper Company, \$80,900; Oregon City Manufacturing Company, \$62,000; Portland Flouring Mills Company \$43,300; Crown Paper Company, \$30,000; Gladstone Real Estate Association, \$20,650; East Side Railway Company, \$16,600. The totals for this year foot up \$906,111. There was \$44,465 assessed to the Oregon & California Railroad Company last year for lands sold on which it is probable that they will not be able to give a title, which are not included this year. The Pullman Palace Car Company appears on the roll for rolling stock to the value of \$230. The nine corporations above named will pay about one-fifth the total tax of the county. On account of an error in the classification of the assessment of a part of the property of the Portland Flouring Mills Company for last year, a portion of the tax was remitted last May by the county court. This action did not suit the Oregon City school board and they presented a claim at the October term of the county court for \$72, their share of the tax remitted. Tuesday the school board obtained a mandamus commanding the county court to issue a warrant for the collection of the tax claimed, or to appear November 16th, and show cause why the warrant has not been issued.

Notice of Examination.

Notice is hereby given that for the purpose of making an examination of all persons who may offer themselves as candidates for teachers of the schools of this county, the county school superintendent thereof will hold a public examination at the court house in Oregon City beginning Wednesday November 13, at 1 o'clock p. m. Persons desiring state papers will apply November 15. Applicants for county certificates will be charged \$1.00 in advance.
H. S. GIBSON, County School Supt.
