Saturday noon after services at the church the body was interred in the Logan cemetery.

While the funeral was in procession the team belonging to Joe Gill took fright and ran away. The back struck a stump, broke a wheel, and threw every one out. Mr. McCloughan officiated. After the wedding dinner was served to which about sixty-five people sat down. The bride and groom took the train for Portland. Thursday evening they returned and gave a dance at the residence of the bride's parents. About one hundred guests were present. Mr. and Mrs. Blanchard will take up their residence on the place best known here as the Luther Norton farm.

R. J. Brown sold some sheep last week to Charles Albright. Robert no doubt thinks with the low tariff on wool it doesn't pay to produce the article. And it does not pay, for the manufacturer buys his wool where he can buy it the cheapest, and he therefore sends to a foreign market where it can be raised for almost nothing with pauper and convict labor. That is one place where a high tariff would benefit the farmer and also keep a great deal of our gold at home that is now sent to a foreign market for wool.

As he attempted to jump from the load he lost his balance and was thrown heavily to the ground, bruising the right side of his face and around his eye fearfully.

MYKA.

There is no medicine so often needed in every home and so admirably adapted to the purposes for which it is intended, as Chamberlain's Pain Balm. Hardly a week passes but some member of the family has need of it. A toothache or headache may be cured by it. A touch of rheumatism or neuralgia quieted. The severe pain of a burn or scald promptly treated before inflammation sets in, which insures a cure in about one-third of the time otherwise required. Cuts and bruises should receive immediate treatment before the parts become swollen which can only be done when Pain Balm is kept at hand. A sore throat may be cured before it becomes serious. A troublesome corn may be removed by applying it twice a day for a week or two. A lame back may be cured and several days of valuable time saved or a pain in the side or chest relieved without paying a doctor bill. Procure a 50 cent bottle at once and you will never regret it.
