Fit Candidates for the Reform School—A Hot City Election Coming On—Elk Hunters Afield.

CANBY, Nov. 27.—The new sidewalk along First street is completed and is a credit to the city.

One day last week three boys, Charlie Rauch, Irvin Wheeler and Bert Wheeler, attending the public school in district No. 81, commonly known as the "Phelps school," formed a conspiracy to the effect that should the teacher have occasion to punish one of the three boys for misconduct that the others would assist their school mate in resisting the teacher's efforts at correction. They carried the plan into execution and threatened the teacher. It seems that in the midst of civilization the dark ages will sometimes show their traces. The boys ought to be sent to the reform school, if reports are true.

Dr. M. H. White and family now occupy their new home in Canby.

City politics are now at their zenith. Two tickets nominated and both sides confident of victory. On the 16th there was a meeting called for the purpose of nominating city officers to be voted for December 4. They called themselves "the citizens." They placed in nomination for mayor the present incumbent, V. L. Mack; for councilmen, H. C. Gilmore, W. W. Weed, Geo. Knight, Jr., and H. A. Vorpahl, and George Knight, sen., for treasurer.

On Monday, the 25th, the "Independents" met and nominated for mayor H. A. Lee, for councilmen, O. W. Sturges, F. Hampton, Joseph Knight and James Phelley, sen., and for treasurer James Hodges. It would not be safe to predict the result.

Miss Lena Parker, the young lady educationist, will entertain the people of Canby on the evenings of the 28th and 29th of November. All ought to hear Miss Parker.

At a meeting of the school board last Saturday evening Miss Mary E. Dobyns, a sister of W. H. Dobyns, was elected to teach the primary department in the Canby schools.

A party, consisting of D. R. Dimick, F. A. Rosenkrans, and others, started last week for the Cascades to hunt for elk. Of course they will kill a great many.

The little daughter of Dr. and Mrs. Irvine is seriously ill. Mabel Knight, eldest daughter of Joseph Knight, has so far recovered from her late illness as to be able to attend school again.

The "Ghost Fan Drill" has come and gone. The drill was carefully prepared and was well presented to an appreciative audience.

H. A. Vorpahl has entered suit in Justice Foster's court against Reuben Pantan on a promissory note. W. H. Dobyns represents the interests of the plaintiff.

D. W. Howard sued out an attachment against the hops in possession of George Knight and belonging to M. Reinstein, of Portland. W. H. Dobyns, of Canby, and C. N. Wait, of Portland, represent the plaintiff in the case. The action will be tried before Justice L. D. Shank in Canby at 1 P. M. on the 30th of November.

There is a water famine on a small scale in Canby, most of the wells in town being at a very low ebb.

Millard Lee, ("Bill" in bicycle circles) is at present residing with his father, Albert H. Lee, in Canby.

Mrs. W. W. Weed is visiting in Hillsboro.

Miss Bertha Sumner, one of our popular teachers, came from the examination of teachers with a brand new first grade certificate.

Erwin Hosford has opened a boot-blackening office, and is ready to "shine 'em up" on short notice.

Fred Zeller, of Casco, Oregon, made Canby a visit during the week.

W. H. Dobyns made a trip to Portland on legal business last Saturday. He reports business very good in his line.

Marysville Notes.

MARYSVILLE, Nov. 25.—A very pleasant social party was given at the residence of Mr. George Lee, on Friday evening, November 22, in honor of Miss Irene Lee's 17th birthday. The party consisted of dancing, games, and the music, furnished by Flynn and Ringo, was superb. The comic songs, by Mr. Williams, with guitar accompaniment, was loudly enjoyed. The well-known hospitality of Mr. and Mrs. Lee made everybody happy and contented.

Douglas Flynn has returned from east of the mountains, and is staying with his father this winter.

Our school, under the management of Miss Zona Mayfield, is progressing finely. Two months of school already, and "nary a kick."

The mumps and diphtheria have made their appearance in our neighborhood. Charles Kiegor has returned from the Indian reservation on the coast.

Mr. William Morris and Mr. Nenkrashner have returned from a prospecting trip on the Molalla river. They refuse to be interviewed, and the supposition is they know more than they will tell.

Henroost robbers paid some of our neighbors a visit last week. Look out, boys, your names are known, and next time you may not get off so easily.

Needy Notes.

NEEDY, Nov. 25.—Farmers in this vicinity are busy plowing and sowing grain. The men who paid 40 cents a box for picking hops are not getting any more for them than those who paid less.

Ed Bair, son of Colonel Bair, is gaining fast. Dr. Geisey, of Aurora, says he will not lose the use of his arm.

Walter Noblitt, James Reilly, Elia Bair, and E. Lawler was down to Oregon City tending court last week.

William Thompson is getting along nicely with his broken leg, and will be able to be around again soon.

Needy school has eighty scholars. The teachers are Mr. and Miss Helintz.

The Junior Order of the United American Mechanics meets every two weeks at Thompson's hop store.

Rev. Davis is holding a revival meeting at the Samson schoolhouse, three miles east of here. An average of sixty people have been present each night.

There will be a grand masque ball given at Wiggins' hophouse Thursday, the 28th. Good music and supper, tickets 75 cents. W. H. H. Bair is studying to be a doctor. He is going to the medical college, San Francisco, next summer.

Albert Moshberger made a business trip to Oregon City last week.

NEEDY, Nov. 25.—F. F. Perry has moved his family from Molalla to his residence here, and is fixing up his store building to receive a stock of goods in about a week or ten days. We wish Mr. Perry success at Needy.

O. G. Hufman is building a blacksmith shop on the site of the one recently destroyed by fire. All his material and tools were saved.

All the boys in the neighborhood have been saving up tin cans, buckets and cowbells for a wedding that is looked for every day.

The debating society here is a grand success, there being some able speakers here. The question last Friday night was, "Resolved, That there is more pleasure in possession than in pursuit." The affirmative won.

Julius Moreland has been appointed postmaster here. He is a very accommodating postmaster. Everybody is glad to see Julius at Needy again.

D. W. Kinnaird, the county surveyor, passed through here on his way to Marquam Monday. Dave was feeling rather blue.

Bobby Divione is here painting and papering the store building for F. C. Perry.

The nights are getting chilly, but the sun comes out almost every day and warms things up a little.

Logan Locals.

LOGAN, Nov. 24.—The Logan literary society was organized at the third attempt, and the question, "Resolved, That the invention of machinery is a benefit to the laboring classes," was chosen for discussion Friday evening; but the greater attraction of the lecture on "Love, Courtship and Marriage," drew all to Tracy hall. This lecture was the last of the three given by Prof. H. T. Griffith, the phenologist. Wednesday evening the A. P. A. was to have had an entertainment, but they postponed it indefinitely in favor of the professor. His lecture Thursday evening on Character abounded in facts and advice well worth remembering. The professor will long be remembered by the birth-loving people of this vicinity.

Fred Brown and his mother returned last Monday from their visit to Meham, bringing his sister Nannie and family with them.

Miss Lizzie Wilson is again away from home.

Mrs. George Trotter arrived from Kansas today. She was met in Oregon City by Miss Maggie Hampton, and will visit another sister here, Mrs. M. W. Baker, for a while.

Mr. Robertson has been quite sick. Several Loganites attended services in the Hatten district today.

Revival services are to commence in the Logan church December 1.

The recent school election resulted in placing M. W. Baker in the vacancy created by the resignation of George Gibbs.

Our worthy postmaster, J. H. Brown, has commenced the erection of a new house.

George McConnell is replacing his house which was destroyed some time ago by fire. George Gill is steadily improving.

Logan Mills.

LOGAN, Aug. 8.—The Logan flouring mills have been overhauled and refitted, and are now making a first class grade of flour. Will grind for one-eighth and guarantee satisfaction.

Fred Walker has been a frequent visitor to Springwater of late.

Charles Hayden, of Bridal Veil, is visiting relatives in this vicinity.

Mrs. Sevier is keeping boarding and lodging house on Main street.

W. C. Ward had the good luck to shoot a deer right on the streets of Viola last Tuesday.

Public speaking by the populists was to have taken place at the hall last Saturday, but through some misunderstanding it failed to materialize.

J. C. Garrison has opened his blacksmith shop and finds plenty to do.

VIOLA, Nov. 23.—Miss Minnie Walker returned from Portland last Friday.

Miss Gale, of Oregon City, is visiting relatives in Viola this week.

There will be preaching at the M. E. church next Sunday at 11 A. M.

Mr. and Mrs. J. W. Palmateer, of Leon, attended the M. E. quarterly meeting last Wednesday.

Mr. Hoops, of Rock Point, was in town last Wednesday and Thursday.

Adolph Miller has gone to Astoria to stay three or four weeks. He has bought an interest in the blacksmith shop here, and will devote his time to that work as soon as he gets through with his work at Astoria.

We are having very cold weather for this time of year. The mill pond is frozen over the first time in November in our remembrance.

Prof. H. T. Griffith, of Portland, closed a very successful series of phenological lectures Monday night. The professor understands his subjects thoroughly and won much respect and admiration for his practical ideas and gentlemanly conduct.

Good second hand violin for sale cheap at second hand store, Seventh street, near the depot.

REDLAND NEWS.

Strong Temperance Movement—Preparing for Christmas.

REDLAND, Nov. 25.—The Redland people are watching the Oregon City reform and temperance movement with sympathetic interest. Yesterday there was a temperance rally in the two Sunday schools, and amid great enthusiasm G. C. Armstrong produced a temperance pledge and the young folks flocked up to sign it. Forty-eight names were placed upon the roll—a pretty good start,—and a number have been heard to express a determination to add their names. There were addresses on temperance by W. M. Stone, G. C. Armstrong, H. D. Johnson and B. E. Courtwright. May the reform movement prosper.

The Presbyterian and M. E. Sunday schools will unite in getting up a Christmas tree and entertainment in the Methodist church Christmas eve. The following are the committees appointed: On arrangements and decorations—Mrs. W. M. Stone, Mrs. L. D. Johnson and Mrs. E. Mosher. On music—Mrs. W. D. Berkly, Miss Emma Funk and D. C. Richardson.

The literary part of the program will be in charge of Miss Helen Taylor, assisted by Mrs. A. Boylan and Miss Etta Conner.

Committee to solicit subscriptions to the candy fund—Mrs. L. D. Johnson and Misses Helen Taylor, Lydia Cutting and Hattie Wilcox.

The committees are determined to spare no pains to make this affair a success in every respect. A cordial invitation is extended to adjoining neighborhoods to unite with us in celebrating the season of "Peace and Good will."

The Ladies Aid Society has ordered, through Rev. Quimby, a handsome Epworth chapel organ from the East, which we hope to place in the new M. E. church in time for the Christmas services.

The society has just finished a handsome quilt for Mrs. John Higgins, of which she is justly proud. The society is now ready for more work—from plain sewing and quilting to making silk worked "art" quilts and fashionable dress-making.

Robert Conner went to the coal mines in Washington some weeks ago, and having secured a remunerative situation there, he has sent for his family to join him. Mrs. Conner will rent their farm and sell their stock and implements before going.

Mrs. J. S. Williams and her son William are also thinking of going to the mines.

So many good families leaving our neighborhood will prove a serious loss to our community.

Notices were out announcing populist speaking in Redland hall last Friday evening, and quite a crowd gathered in the hall, but the speakers failed to appear, proving quite a disappointment to a number who came from a distance.

Rev. Quimby will preach in the M. E. church next Sunday evening at 7 o'clock.

The next quarterly conference presided over by Dr. Gué will be held at this place on the 11th and 12th of January. Restric.

SHERWOOD NOTES.

To Have a New Depot—Telephone Line Building—Little Money in Hops.

SHERWOOD, Nov. 24.—Farmers in our neighborhood are making the best possible use of the splendid fall weather, but complain of not having had enough rain yet for plowing. Oregon can indeed boast of having had the finest fall within the recollection of the oldest Oregonian. Who would not live in the Webfoot state, after all?

Sherwood and vicinity gradually improve a little.

John Grove has just completed a new house on his property near here.

John Wold's new house is rapidly nearing completion.

Mrs. C. W. Calkins has been quite sick, but was rapidly improving at last accounts.

Miss Rosa Scott, of Milwaukee, was visiting relatives at Pleasant Hill last week.

The long talked of new depot for Sherwood will soon develop into a reality.

J. C. Smock has just moved his store some fifty feet south to give room for the new building. It will be a much needed acquisition to Sherwood, especially since the old one was so nearly destroyed by fire.

E. S. Calkins paid a visit to the county seat one day last week.

Hugh Her and John McConnell have taken claims on the Siletz. They are expecting to spend most of the winter over there.

Orin McConnell and wife have moved to Salmon river. Their many friends here wish them a pleasant home over there.

Nelson & Clendening's saw mill is running full blast now.

The telephone line from McMinnville to Portland is nearing completion. The line will extend from McMinnville to Salem. Sherwood will be in direct communication with either place, thus enabling the residents of our little town to gossip with friends in Salem or the metropolis.

H. C. Plummer has removed his entire stock of hardware from his old quarters to the Leo building, as it is a better location. Mr. Plummer is rapidly getting in a stock of groceries and general merchandise in connection with hardware. We wish him success.

Most of the hop crop in our vicinity has either been sold or consigned. But few will realize more than picking money out of them.
